

CITY COUNCIL MEMORANDUM

FROM: The Office of the City Manager **DATE:** April 22, 2024
SUBJECT: Ceremonial check presentation by New Armor Restoration for Title Sponsorship for the 2024 Neighborhood Initiative Program.
PRESENTER: Kristin James, Assistant Director of Neighborhood Service

GENERAL DESCRIPTION:

The Neighborhood Initiative Program (NIP) has assisted elderly, single parents, persons with disabilities, and veterans with minor exterior home repairs since 2004.

Projects may include exterior home maintenance, repairs, and yard work. This program helps residents continue living safely and comfortably in their own homes and helps to make their neighborhoods a better place to live. This joint effort between the City of North Richland Hills, businesses, non-profits, and churches is helping homeowners who are struggling make necessary exterior home repairs.

Donations are significant to the work of the Neighborhood Initiative Program. Donations are used to purchase building materials, tools, supplies, and equipment needed to complete home maintenance projects.

Each January we send out a call for donations to our local businesses. This year New Armor Restoration reached out to city staff about partnering with the City of North Richland Hills as the Title Sponsor for this year's Neighborhood Initiative Program and Fix It Blitz.
