Presenter: Zane Ryan, Fleet Manager

Summary:

The FY 2023-24 Adopted Budget includes the replacement of a Hydraulic Breaker Hammer and a Husqvarna Concrete FS5000 30" Saw unit for Public Works. It is recommended that these two units be purchased from Associated Supply Company, Inc. using BuyBoard Contract #685-22.

General Description:

The table below identifies the new equipment for City Council's consideration.

Qty.	Description	Department	Cost
1	6M Hydraulic Breaker Hammer	Public Works	\$14,391
1	Husqvarna FS5000 30" Saw	Public Works	\$37,136
TOTAL			\$51,527

In the FY 2023-24 Adopted Budget, funding was approved for the replacement of a Husqvarna 30" Concrete Saw and a Hydraulic Breaker Hammer for utilization by the Public Works Department. Both units have exceeded their life expectancy. The parts availability, cost of repairs and downtime are having a negative impact on the department's workload, making replacement the most efficient approach.

The City of North Richland Hills is a member of interlocal groups and utilizes existing contracts with vendors through the local and national Government Cooperatives. The Local Government Code states that purchases made through a cooperative purchasing agreement satisfy any state law that would require the City to solicit competitive bids

Recommendation:

Authorize the purchase of a one 6M Hydraulic Breaker Hammer and one Husqvarna FS5000 30" Concrete Saw in the amount of \$51,527 from Associated Supply Company, Inc. using Buy Board Contract #685-22.
