

Annual Comprehensive Financial Report

Year Ended September 30, 2023

City of North Richland Hills, Texas

About the Cover

In April 2023, the City of North Richland Hills celebrated its 70th Anniversary. Depicted on the cover you will see the historical pictures taken throughout the years to commemorate this milestone.

The North Richland Hills area was first settled in the 1840s and remained a rural farming and ranching community for more than 100 years. In 1952, Clarence Jones subdivided his 268-acre dairy farm into a suburban neighborhood. In 1953, the new homeowners formed the North Richland Hills Civic League and sought to have the area annexed to Richland Hills, then voted to form their own city when annexation was denied. Although turnout for the election was light, in a vote of 24-23, North Richland Hills was incorporated by just one vote! The Jones Farm, with 182 homes, became the City of North Richland Hills. The community quickly grew as more farmland was developed and by 1960 the town of Smithfield had been annexed to North Richland Hills.

Today, with approximately 72,587 residents, 1,200 businesses and 30 major employers, North Richland Hills is the fourth largest city in Tarrant County. Residents enjoy our welcoming and neighborly atmosphere and family-friendly amenities including a modern public library and recreation center, more than 800 acres of parkland, 30 miles of hike and bike trails, the award-winning Iron Horse Golf Course and NRH₂O Family Water Park. Superior schools, a wide range of housing options and convenient access to all the Dallas-Fort Worth region has to offer, make North Richland Hills an outstanding community in which to live, work and play!

Introductory Section

Department of Finance

April 15, 2024

To the Honorable Mayor, City Council Members, City Manager,
and Residents of the City of North Richland Hills, Texas:

We hereby issue the Annual Comprehensive Financial Report of the City of North Richland Hills, Texas (the "City") for the fiscal year ended September 30, 2023.

This report consists of City management's representations concerning the finances of the City. Consequently, management assumes full responsibility for the completeness and reliability of all the information presented in the report. To provide a reasonable basis for making these representations, management of the City has established a comprehensive internal control framework that is designed both to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the City's financial statements in conformity with generally accepted accounting principles ("GAAP"). Because the cost of internal controls should not outweigh their benefits, the City's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The City's financial statements have been audited by the CPA firm of FORVIS, LLP, the City's independent auditors. The goal of the independent audit is to provide reasonable assurance that the financial statements of the City for the fiscal year ended September 30, 2023, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded based upon the audit, that there was a reasonable basis for rendering unmodified opinions that the City's financial statements for the fiscal year ended September 30, 2023, are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

The independent audit of the financial statements of the City was part of a broader, federally mandated "Single Audit" designed to meet the special needs of federal grantor agencies. The standards governing Single Audit engagements require the independent auditor to report not only on the fair presentation of the financial statements, but also on the audited government's internal controls and compliance with legal requirements, with special emphasis on internal controls and legal requirements involving the administration of federal awards. This report is available in the City's separately issued Single Audit Report.

GAAP requires management to provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis ("MD&A"). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The City's MD&A can be found immediately following the report of the independent auditors.

Profile of North Richland Hills

The City, incorporated in 1953, is a growing community located in the heart of the Dallas/Fort Worth Metroplex. The City's estimated population is 72,587 for 2023. During 2023, the City celebrated its 70th anniversary. The City is also home to over 1,200 commercial and industrial businesses. The fourth largest city in Tarrant County, North Richland Hills ("NRH") is only 10 minutes from downtown Fort Worth and 25 minutes from downtown Dallas. Interstate Loop 820 and Texas 121/183 ("Airport Freeway") traverse the City, providing freeway access to five additional interstates and numerous US and state highways. The City is also conveniently located 10 minutes from Dallas/Fort Worth International Airport and 15 minutes from Alliance Airport. D/FW International Airport has over 1,800 flights daily with non-stop service to all major North American cities and many overseas destinations. The Alliance development facilitates the transport of merchandise through both the Alliance airport and the Burlington Northern/Santa Fe Intermodal Facility.

The City operates under a charter adopted in 1964 which provides for a Council-Manager form of government. The Mayor and seven Council members are elected at large. The City Council is responsible for all matters of policy as well as for levying taxes, securing revenues, authorizing expenditures of City funds, and incurring City debts. The City Manager is directly responsible to the City Council. An organizational chart follows to show the various levels of responsibility.

The City provides a full range of services. These services include police and fire protection; municipal court operations; the construction and maintenance of streets and infrastructure; parks, library, and recreational activities including tennis center operations; neighborhood services activities; planning and inspections; and the operations of a water and wastewater system, a golf course, and a public waterpark. A private contractor, through a franchise agreement, provides solid waste collection and disposal services for the City.

Accounting System and Budgetary Control

The City's accounting records for general governmental operations are maintained on a modified accrual basis, with the revenues being recorded when available and measurable and expenditures being recorded when the services or goods are received and the liabilities are incurred. Account records for the City's water and sewer utility and other proprietary activities are measured on an accrual basis.

In developing and maintaining the City's accounting system, consideration is given to the adequacy of the internal control structure. Internal accounting controls are designed to provide reasonable, but not absolute, assurance regarding: (1) the safeguarding of assets against loss from unauthorized use or disposition; (2) the reliability of financial records for preparing financial statements and maintaining accountability for assets; and (3) compliance with all applicable rules, regulations, and contractual requirements. The concept of reasonable assurance recognizes that: (1) the cost of a control should not exceed the benefits likely to be derived; (2) the evaluation of costs and benefits requires estimates and judgments by management; and (3) the preciseness of estimates must be balanced with the timeliness of financial reporting. All internal control evaluations occur within the above framework. We believe that the City's internal accounting controls adequately safeguard assets and provide reasonable assurance of proper recording of financial transactions.

The annual budget serves as the foundation for the City's financial planning and control. The City maintains budgetary controls to ensure compliance with provisions in the annual budget adopted by the City Council. Annual operating budgets are adopted for the General Fund, certain Special Revenue Funds (Promotional, Donations, Special Investigations, Drainage, Parks and Recreation Development, Crime Control District, Gas Development and Traffic Safety), Debt Service Funds, Enterprise Funds, and Internal Service Funds. Project-length financial plans are adopted for the Capital Project Funds. The level of budgetary control – the level at which expenditures/expenses cannot legally exceed the appropriated amount – is established at the fund level. Detail control is accomplished by maintaining appropriations, encumbrances, and expended balances by line item within each operating department, within each operating fund. All annual appropriations lapse at the end of the fiscal year and capital project amounts appropriated for the year which are unspent are carried forward to the next fiscal year. Budgetary data for proprietary funds is presented in the Other Supplemental Information section only since reporting on such budgets is not legally required.

Prior to September 1, the City Manager submits to the City Council a proposed operating budget for the fiscal year commencing the following October 1. The operating budget includes proposed expenditures and the means of financing them. Public hearings are conducted to obtain taxpayer comments. Prior to September 30, the budget is legally enacted through passage of an ordinance. The appropriated budget is prepared by fund, department, and division. The City Manager is authorized to transfer budgeted amounts between departments within any fund. Encumbrance accounting is employed in governmental funds. Encumbrances (e.g., purchase orders, contracts) outstanding at year-end are reported as reservations of fund balances and do not constitute expenditures or liabilities because the commitments will be re-appropriated and honored during the subsequent year.

Transfers of appropriations between funds are allowed by budget ordinance passed by the City Council. Budget-to-actual comparisons are provided in the report for each individual governmental fund for which an appropriated annual budget has been adopted. For the General Fund and Parks and Recreation Development Corporation, comparisons begin on page 78 in the required supplementary information segment of the financial statements. The comparisons for other governmental funds with appropriated annual budgets are presented in the other supplementary information section of this report.

Factors Affecting Financial Condition

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the City operates.

Local economy

The City continues to grow amidst mixed economic conditions, as it remains geographically positioned in between downtown Fort Worth, DFW International Airport and the AllianceTexas Global Logistics Hub. Adjacent to the high socioeconomic cities of Colleyville, Keller and Southlake; the City is the fourth largest in Tarrant County with approximately 72,587 people and is likely to reach 80,000 residents by 2030. Since 2010, the City has grown by 15% in total population, adding over 9,000 residents.

This past year resulted in continued growth from taxable sales, taxable property values and new home starts. Compared to the previous fiscal year, FY2023 taxable sales grew by 4.5%, a \$58 million increase. This figure is expected to increase in fiscal year 2024 due to additional businesses opening along the Northeast Loop 820 commercial corridor and the far north sector of the City. Taxable property value grew for the 9th straight year, by almost \$0.7 billion, reaching approximately \$7.6 billion. Finally, the City continues to facilitate residential growth, permitting 115 new single-family homes with an average value over \$450,000, the most new starts across the 12-city Northeast Tarrant County region 8 years in a row.

The City maintains a diverse mix of 1,200 brick and mortar businesses with 12 primary employers within the healthcare, finance, aerospace, and supply chain sectors. In FY2023, the City welcomed 17 office-based businesses occupying 110,000 square feet of office space. Meantime, the remote-work trend has hit the City's office space with two primary employers shifting their staff to 100% remote work, Santander Consumer USA representing 1,000 employees and Stericycle and their 500 employees. Offsetting this trend is the increase of Shared Workspace locations within city limits. A new trend in commercial real estate, there are 7 different shared workspace locations, representing 200,000 square feet. This is led by WareSpace (www.warespace.com) with their 77,000 square feet and 75 office/flex units, and Caddo Offices Reimagined (www.caddooffices.com) which is currently developing a 2-story, 40,000 square foot office building with 160 suites. The City has also welcomed 50 retail-service based businesses, occupying 200,000 square feet, reducing vacancy to 8% in Q4-2023 from a pandemic high of 14% vacancy in Q1-2021.

The City continues to experience quality development and revitalization thanks to its strategic location, attractive standards and the ability to reinvent itself. One example is the 52 acres surrounding City Hall, called City Point (www.citypointtx.com). A former mall, the \$225 million mixed-use redevelopment project includes 60,000 square feet of commercial space, roughly 370 single-family homes and approximately 450 multi-family residences. As of Q4 2023, over 60 homes are under construction or have been sold from Ashton Woods, Mattamy Homes and CB Jeni. Commercial development along City Point Drive is in the design phase, with construction to start November 2023. Expected to be complete by 2026-27, the City Point project will welcome 2,000+ additional residents.

A second example can be found next to the City's waterpark, NRH20. Merlin Entertainments (www.merlinentertainments.biz), the second largest amusement park operator in the world (behind Disney) is developing Peppa Pig Theme Park, a 15-acre, \$27 million amusement park. This is the second domestic location (Orlando, FL) that is scheduled to open in late 2024 with 280 annual operating days, 450,000 annual guests, 90 employees and \$15 million in annual sales.

Long-term financial planning

In November 2020, North Richland Hills voters approved a \$49,875,000 bond package for the reconstruction of 27 streets. The 2020 Capital Program Advisory Committee, consisting of 35 residents from across the City, recommended the projects based on several factors that included: existing pavement conditions, traffic volumes, maintenance records, input from citizen surveys, and estimated project costs.

At least annually, management reviews and updates long-range financial plans for the general operations of the City as well as the proprietary activities. Forecasts are prepared using conservative growth estimates for major sources of revenue. Maintaining this conservative approach, coupled with an aggressive debt repayment policy, has assisted the City in retaining a continuous favorable bond rating. Analysis is continuously updated to reflect new bond issues and the repayment thereof, as well as updates to estimates based on new developments, historical trends, changes in applicable legal requirements, and City Council priorities.

The plans for the internal service funds include the accumulation of resources for meeting both current and future needs. For example, support services such as facilities, fleet, and information technology collect user fees to meet current maintenance needs as well as to meet future capital replacement needs.

Similarly, the City's policy with regard to self-insurance premiums has been to collect sufficient amounts to cover current health and dental claims as well as additions to reserves for future claims. In fiscal years 2002 and 2003 the Self Insurance (Internal Service) Fund reserves of \$3.1 million were depleted due primarily to spiraling inflation in the health care industry and unforeseeable extraordinary health claims. In fiscal year 2004, the City Council adopted a strategy to rebuild reserves over a six-year period beginning in fiscal year 2005. Savings from changes in the health care plan, transfers from existing cash reserves in the General Fund and Water and Sewer Fund, and employee premiums were used and continue to re-establish the reserves. In both 2016 and 2017, the City once again experienced significant inflationary costs and extraordinary health claims, which necessitated the use of a portion of the rebuilt reserves. Management instituted plan changes to address the rising costs in both active employee and retiree health care costs. These plan changes have begun to take effect and the reserves are expected to continue to improve in 2024.

Similar plans for the build-up of reserves exist for the City's enterprise operations. Funds are set aside to meet future capital replacement needs such as infrastructure replacement and capital asset acquisitions. This approach has allowed the City's water and sewer operation to meet much of its capital replacement needs with the issuance of minimal debt. Over the course of its history, NRH₂O, the City's waterpark, has funded some new attractions and infrastructure improvements by utilizing cash reserves accumulated from operations. Annual analysis by City management of capital needs could result in the need for debt funding of future attractions and infrastructure improvements if deemed necessary.

Cash management policies and practices

With the City's current bank depository contract with JP Morgan Chase Bank, N.A. set to expire on September 30, 2024, the City will initiate a solicitation process in early 2024 to secure another depository contract agreement. The selection process will award contracts for depository, safekeeping, and electronic lockbox payment processing for three years with an option to extend for an additional two years. Cash temporarily idle during the year was invested in two public funds investment pools, agency and corporate securities, municipal securities, and U.S. Treasury Notes.

The maturities of the investments range from overnight to five years. The weighted average yield for the City's overnight investments on September 30, 2023 was 5.3547%, and the weighted average maturity ("WAM") was 28 days. The portfolio's WAM for all other investments at the end of the fiscal year was 890 days, which is indicative of the City's attempts to transition from a shorter-term portfolio into a more balanced portfolio due to rising interest rates.

At fiscal year-end, approximately 67% of the portfolio was invested beyond one year, 10% was invested for one year or less, and the remaining 23% was invested in the overnight market. The City's Investment Advisor is Meeder Public Funds.

Risk management

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. While the City has historically retained a portion of these risks, coverage exists for: general, employment practice, law enforcement, and errors and omissions liability; excess workers' compensation; property damage; commercial crime coverage; and employee life insurance. The Self-Insurance Fund is responsible for workers' compensation, health, automobile liability, and general liability insurance. The City maintains a stop loss third party insurance policy with respect to health claims. This policy covers City medical claims in excess of \$175,000 per individual per year, and/or \$8,344,760 in the aggregate for a 12-month period beginning on January 1, 2022. For the 12-month period beginning January 1, 2023, the aggregate amount was \$8,104,494. Self-Insurance Fund claims are funded by charges to other funds and employee, retiree, and dependent premiums. Additional information on the City's risk management activity can be found in the notes to the basic financial statements.

Pension and other post-employment benefits

The City participates in the Texas Municipal Retirement System ("TMRS"), an agency authorized by the State of Texas. Full-time City employees contribute a fixed percentage of their gross pay (currently 7%). TMRS participants are immediately vested in the funds they contribute plus allocated interest. Participants are vested in employer contributions after five years of credited participation. If participants withdraw from TMRS prior to five years of credited participation, they may withdraw from TMRS those funds they contributed plus interest earnings. The City has historically provided postretirement health and dental care benefits for certain retirees and their dependents. As of the current fiscal year, there were 182 retired employees receiving these benefits. Additional information on the City's pension arrangements and post-employment benefits can be found in the notes to the basic financial statements.

City's Response to the COVID-19 Pandemic

The City has received both tranches of the American Rescue Plan Act (ARPA) funding totaling \$9,533,205. City management implemented a needs based priority project list to utilize the ARPA funding and all ARPA funds must be fully encumbered by December 2024 and spent by December 2026.

Awards

Government Finance Officers Association of the United States and Canada ("GFOA") awarded a Certificate of Achievement for Excellence in Financial Reporting to North Richland Hills for its Annual Comprehensive Financial Report for the fiscal year ended September 30, 2022. This was the 39th consecutive year the government has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized Annual Comprehensive Financial Report. This report must satisfy both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only. Upon approval by the City Council, this report will be submitted to GFOA to determine its eligibility for another certificate.

The City also received the Distinguished Budget Presentation award for its 2023 budget document. This was the 32nd consecutive year the City received this award.

Acknowledgments

Timely preparation of this Annual Comprehensive Financial Report was made possible by the dedicated service of the Finance Department, our independent auditors, and other City staff. We would like to express sincere appreciation to those who contributed to the process.

In closing, the continued leadership and support of the Mayor, City Council, and City Manager in planning and conducting the financial operation of the City is sincerely appreciated.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Glenn Mizell". The signature is fluid and cursive, with the first name "Glenn" and last name "Mizell" clearly distinguishable.

Independent Auditor's Report

Honorable Mayor and Members of the City Council
City of North Richland Hills, Texas
North Richland Hills, Texas

Opinions

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of North Richland Hills, Texas (City), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of September 30, 2023, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

The 2022 financial statements of the governmental activities, before they were restated for the matter discussed in *Note III - G*, were audited by other auditors, and their report thereon, dated March 14, 2023, expressed unmodified opinions on those financial statements. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for 12 months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparisons, pension, and other postemployment benefit information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The combining and individual fund financial statements and schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the combining and individual fund financial statements and schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual comprehensive financial report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

CITY OF NORTH RICHLAND HILLS, TEXAS

MANAGEMENT'S DISCUSSION AND ANALYSIS

The City of North Richland Hills, Texas (the "City") Management's Discussion and Analysis ("MD&A") is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the City's financial activity, (c) identify changes in the City's financial position (its ability to address the next and subsequent years' challenges), (d) identify any material deviations from the financial plan (the approved budget), and (e) identify individual fund issues or concerns.

MD&A is designed to focus on the current year's activities, resulting changes, and currently known facts, and should be read in conjunction with the City's financial statements (beginning on page 17).

Financial Highlights

- The assets and deferred outflows of the City exceeded its liabilities and deferred inflows at the close of the fiscal year ended September 30, 2023 by \$409.4 million (net position).
- The City's total net position increased by \$18.1 million in fiscal year 2023 from the restated beginning net position of \$391.4 million. Additional details of this change may be found beginning on page 19 (Statement of Activities).
- As of September 30, 2023, the City's governmental funds reported combined fund balances of \$129,327,858, which represents an increase of \$21.4 million in comparison to the prior fiscal year's ending balance.
- Approximately 22.7% of total governmental fund balance, or \$29,301,450, is available for appropriation at the City's discretion (assigned and unassigned fund balance).
- The City's objective regarding fund balance for the General Fund is to maintain a minimum unassigned fund balance to operate the City for a period of 60 days or 15% of the following year's appropriated budgeted expenditures. This objective was met at year end.
- At the end of the current fiscal year, unassigned fund balance for the General Fund was \$24,300,087 or 42.7% of General Fund actual expenditures, including transfers out, for 2023. This unassigned balance represents 40.4% of the fiscal year 2024 adopted budget.
- The City's total debt increased by approximately \$12.2 million during the fiscal year 2023. This is primarily due to the scheduled bond principal payments of \$13.1 million and the issuance of \$25.5 million in General Obligation Bonds ("GO's") and Certificates of Obligation ("CO's").

Overview of the Financial Statements

MD&A is intended to introduce the reader to the City's basic financial statements. The City's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. The report also contains required supplementary information and other supplementary information in addition to the basic financial statements.

Government-wide financial statements - The government-wide financial statements are designed to provide readers with a broad overview of the City's finances in a manner similar to private-sector business.

The Statement of Net Position presents information on all of the City's assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial condition of the City is improving or deteriorating.

The Statement of Activities presents information showing how the City's net position changed during the fiscal year. All of the current year's revenues and expenses are recognized regardless of when cash is received or paid. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned, unused vacation leave). Both the Statement of Net Position and the Statement of Activities are prepared using the accrual basis of accounting as opposed to the modified accrual basis used in governmental funds.

CITY OF NORTH RICHLAND HILLS, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

In the Statement of Net Position and the Statement of Activities, the City's operations are separated into two types of activities:

- Governmental activities - Most of the City's basic services are reported here, including the activities of public safety, culture and recreation, public works, and general government. Property taxes, sales taxes, and franchise fees finance most of these activities.
- Business-type activities - For this type of activity, the City charges a fee to customers to cover all or most of the cost of services provided including the recovery of costs of capital assets used in the delivery of such services. The City's water and sewer, golf course, and aquatic park activities are reported here.

The government-wide financial statements can be found starting on page 17 of the annual comprehensive financial report.

Fund financial statements - A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Fund financial statements provide detailed information about the most significant funds, not the City as a whole. Some funds are required to be established by state law, bond covenants, or Council ordinance. All of the funds of the City can be divided into two categories: governmental funds and proprietary funds.

- Governmental funds - The majority of the City's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances available for appropriation at year-end. These funds are reported using an accounting method identified as the modified accrual basis of accounting, which measures cash and all other financial assets that can readily be converted to cash. Statements of governmental funds provide a detailed short-term view of the City's general government operations and the basic services it provides. Governmental fund information helps the reader determine whether there are more or fewer financial resources available for appropriation in the near future to finance City programs. By comparing information presented for governmental funds with similar information presented for *governmental activities* in the government-wide financial statements, readers may better understand the long-term impact of the government's near-term financing decisions. The relationship or differences between *governmental activities* (reported in the Statement of Net Position and the Statement of Activities) and governmental funds are detailed in a reconciliation following the fund financial statements.

The City maintains five major individual governmental funds. Information is presented separately in the Governmental Funds Balance Sheet and in the Governmental Funds Statement of Revenues, Expenditures, and Changes in Fund Balances for these funds. The General Fund, General Capital Projects Fund, General Debt Service Fund, Parks and Recreation Development Fund, and the Grants Fund are the major governmental funds of the City. Data from the other non-major governmental funds are combined into a single, aggregated presentation in the governmental statements. Financial statements for the governmental funds can be found starting on page 20 of this report.

- Proprietary funds - The objective of proprietary funds is to charge customers, both internal and external, for services provided in an amount sufficient to cover virtually all costs including the replacement of assets used in the delivery of such services. These services are generally reported in proprietary funds. Proprietary funds are reported in the same manner that all activities are reported in the Statement of Net Position and the Statement of Activities. In fact, the City's enterprise funds (a component of proprietary funds) are almost identical to the business-type activities that are reported in the government-wide statements, but provide more detail and additional information, such as the statement of cash flows. The internal service funds (the other component of proprietary funds) are utilized to report activities that provide supplies and services for the City's other programs and activities, such as the City's facilities maintenance and construction services, fleet management, employee and property insurance coverage, and telephone and computer services. Because these services benefit both governmental and business-type functions, they have been included in both the governmental and business-type activities in the government-wide financial statements.

The City maintains three enterprise funds, which it uses to account for the provision of water and wastewater services, golf course operations, and water park activities. The Utility Fund and Aquatic Park are considered major funds. The Golf Fund is considered a non-major enterprise fund. Financial statements for the enterprise funds can be found starting on page 28 of the report.

CITY OF NORTH RICHLAND HILLS, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Notes to the financial statements - The notes to the financial statements provide additional information that is essential for a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found starting on page 35 of this report.

Government-Wide Financial Analysis

The government-wide financial analysis highlights the information contained in the Statement of Net Position and Statement of Activities. The City's combined net position was \$409,443,004 as of September 30, 2023. Analyzing the net position of governmental and business-type activities separately, governmental activities total net position was \$302,872,725 and business-type activities total net position was \$106,570,279. This analysis focuses on the net position and changes in program and general revenues and significant expenses of the City's governmental and business-type activities.

Statement of net position – The largest portion of the City's net position (85.3%) reflects its net investment in capital assets (e.g., land, buildings, machinery and equipment, leases, and subscription assets) less any related debt used to acquire those assets that is still outstanding. The City uses capital assets to provide services to citizens; consequently, capital assets are not available for future spending. Although the City's investment in capital assets is reported net of related debt, it should be noted the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these obligations. The following table presents the condensed government-wide statement of net position as of September 30, 2023 and 2022. Current and other assets include restricted deposit and investment balances.

Schedule of Assets, Liabilities, and Net Position

CITY OF NORTH RICHLAND HILLS, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Statement of activities - Governmental activities increased the City's restated net position by \$14.3 million in fiscal year 2023, and business-type activities increased net position by \$3.8 million. The following table presents the condensed government-wide statement of activities for the years ended September 30, 2023 and 2022.

Changes in Net Position Amounts shown in thousands (\$000's) Years Ended September 30, 2023 and 2022

* 2022 balances have not been restated for the Correction of Error

Governmental activities -In comparison to fiscal year 2022, overall assets for Governmental Activities increased \$27.1 million or 5.7% in 2023. Capital, lease and subscription assets, net of depreciation, increased \$6.5 million or 2.0% in 2023. This activity was related to capital improvement projects, specifically improvements and refurbishments to streets and roadways, drainage, sidewalks, and equipment replacements as well as park improvements, such as the new weather alert stations at several parks, playground equipment replacements, and the Trail and On-Road Safety project. Further, refurbishments to the library and NRH Centre facilities were undertaken as were several technology initiatives. Outstanding debt liabilities increased by \$6.6 million or 6.04 % in 2023. This increase was due to the annual debt service payment for all other outstanding debt and the issuance of the 2022 General Obligation and Certificates of Obligation bonds. Total liabilities also increased due to \$34.1 million increase in net pension liability.

Governmental activities increased the City's restated net position by approximately \$14.3 million in fiscal year 2023. The City had an increase in tax revenues of \$3.2 million during 2023. Property taxes increased \$1.8 million, sales tax increased by \$1.2 million, and franchise taxes increased by \$0.3 million. The property tax rate was decreased slightly from \$0.572184 to \$0.547972. In fiscal year 2023 the City experienced significant growth in its taxable value base. This increase was the result of changes in existing values as well as additional values from new construction. Sales taxes increased 4.6% as a result of continued gains in online sales due in part to the increases on retail prices from inflation and a continuation of home delivery retail shopping.

CITY OF NORTH RICHLAND HILLS, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Rising interest rates accounted for a \$7 million improvement in investment earnings. Capital Grants and Contributions increased approximately \$2.7 million or 592 % in fiscal year 2023. Significant projects included the North Texas Anti-Gang Center and other Public Safety program activities.

Governmental activities saw a total increase in expenses totaling approximately \$34.1 million or approximately 50.8% above 2022 levels. This increase is attributable to increases in general government, public safety and culture & recreation. Pension expense increased over \$10.7 million from prior year due to poor market performance during the measurement period. Debt service interest and other fees increased by approximately 10.7%. Refer to the fund level financial analysis section for further details.

CITY OF NORTH RICHLAND HILLS, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Business-type activities – Business-type activities resulted in an increase to the City’s total net position of \$3.8 million in 2023. Total net revenue for Business-type activities was approximately \$8.4 million, with the Utility fund operations generating \$8.3 million of that total. Aquatic park generated \$(0.1) million in net revenue/(loss) and Golf Course generated \$0.13 million in net revenue. Transfers to other funds reduced the net revenue by \$4.7 million.

Aquatic Park and Golf course operations are funded by consumers who patronize each facility. The City owned Golf Course, Iron Horse, is currently managed by KemperSports. Significant upgrades were made to the Golf Course clubhouse and pavilion. Since its renovation in 2020, it has experienced increasing play during each of the past three fiscal years. The Aquatic park celebrated its 29th year of operation in 2023 and saw attendance drop in summer 2023 due to excessive high temperatures. Despite this hurdle, the park experienced increased per-attendee spending during the summer season on 2023 though attendance at the park decreased by 11% over prior year levels.

The Utility Fund generally experienced higher sales in the summer heat which increased revenues. However, increases in the wholesale provider costs for water and sewer services continue to put pressure on the fund. On the whole, the weather demonstrated how sensitive these business-type activities can be in regard to climate conditions.

CITY OF NORTH RICHLAND HILLS, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Fund Level Financial Analysis

Governmental Funds - The focus of the City of North Richland Hills' governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, the unassigned fund balance may serve as a useful measure of a government's net resources available for discretionary use as they represent the portion of fund balance which has not yet been limited to use for a particular purpose by either an external party, the City's Council itself, or the designated individual delegated the authority to assign resources for use for particular purposes (Council Designated).

At September 30, 2023, the City's governmental funds reported combined fund balances of \$129,327,858, an increase of \$21,427,000 in comparison with prior year. Unassigned fund balance of \$24,300,087 is available for spending at the government's discretion. The remainder of the fund balance is either non-spendable, restricted, committed, or assigned to indicate that it is 1) not in spendable form (\$97,369), 2) legally required to be maintained intact or to be used for a particular purpose (\$85,020,696), 3) committed for particular purposes (\$14,908,343), or 4) assigned for particular purposes (\$5,001,363).

The General Fund is the chief operating fund of the City. For fiscal year 2023, the General Fund unassigned fund balance was \$24,300,087 – an increase of \$5,021,627. Unassigned fund balance represents approximately 44.8% of total General Fund expenditures for 2023, while total fund balance represents 48.3%. The General Fund balance increase was due primarily to higher than anticipated taxes revenue, investment income, and intergovernmental revenues, while offset by an increase in spending.

The General Capital Projects fund increased governmental fund balance by approximately \$13.1 million. During fiscal year 2023, the City issued \$17.6 million in general obligation bonds and certificates of obligations for current and future capital projects. Of the fund's \$10.5 million expenditures, a significant portion can be attributed to improvements in the public street network including, completion of Sunset Road, Stonybrooke Drive, Nob Hill Drive, Dawn Drive, Southampton Drive, Pearl Street, Meadow Oak Drive, Hightower and Davis Traffic signalization, and various other street and sidewalk maintenance projects. Other projects include the addition of a poetry trail to Linda Spurlock Park, completion of the Cross Timbers playground replacement project, and the completion of Perry Outdoor Weather Warning system at six locations in the park system.

General Debt Service fund increased governmental fund balance by \$147,342. The increase is associated with increased property tax revenues and transfers from other funds, offset by an increase in the retirement of debt through principal and interest payments for 2023.

Parks and Recreation Development Corporation increased governmental fund balance by \$2,113,998 which is primarily due to an increase in sales tax revenues, investment income, and charges for services. Increase in revenues is a result of return to normal operations for the Parks and Recreation department as a whole with an increase in demand for these services.

The Grants Fund increased governmental fund balance by \$1,658,225. This resulted in an ending fund balance of \$1,301,624, as the fund had a deficit fund balance in 2022 of \$356,601. The increase was due primarily to transfers in from other funds and investment income as a result of improved market conditions.

Proprietary Funds - The proprietary funds provide the same type of information found in the government-wide financial statements.

CITY OF NORTH RICHLAND HILLS, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

General Fund Budgetary Highlights

Original budget compared to final budget. During the fiscal year, there were sufficient reasons to revise original estimated revenues and expenditures by \$2,762,897. Modifications were made to specific revenue projections, based on known activities and observed collection trends throughout the fiscal year. The City continued steady growth, permitting another 115 new single-family homes, with an average value over \$450,000. With mortgage interest rates at levels not seen in over 20 years, housing permits experienced a decrease like many cities in the nation, with revenue from Licenses and Permits decreasing by \$616,178. Due to continued activity and the earlier than anticipated timing of projects, actual performance outpaced the revised estimate. Based on observed collection trends, estimated Sales Taxes collections were increased \$1,769,641. Fine & Forfeitures were decreased by \$783,871 based on projections. During the fiscal year, the City experienced lower than anticipated citation issuance, caused by specific activities related to some grant initiatives undertaken by the City and vacant positions.

An area with a significant change in the Revised from the Original Budget was Other Appropriations, which increased by \$2,147,409. This change included appropriations for increases to public safety and planned contributions to fund balance.

Final budget compared to actual results. Revenue sources saw positive variances in most operational categories with the planned appropriation of reserves not required. A net negative revenue variance of \$92,339 in the tax revenues grouping and a net positive variance of \$874,555 in the non-tax revenue groupings resulted from collections received above projections, even after further analysis and an upward revision to most categories. Within expenditures for the fiscal year, operating transfers out exceeded budget by \$350,090 due to increased spending on Information Technology requirements.

Capital, Lease, and Subscription Asset and Debt Administration

Capital, lease and subscription assets - At the end of fiscal year 2023, the City had \$422.3 million (net of accumulated depreciation) invested in a broad range of capital assets including, but not limited to, police and fire equipment, buildings, park facilities, roads, bridges, aquatic park facilities, golf course assets, leases, subscription assets and the water and sewer system. The following table provides capital asset balances net of accumulated depreciation for each major category for both governmental and business-type activities as of September 30, 2023 and 2022.

Capital Assets
(net of Accumulated Depreciation)

Computer, Machinery, and Equipment	3,263,491
Vehicles	590,790

The City prepares an annual Capital Improvement Projects budget that assigns specific funds and resources for use to only these projects. Until appropriations are removed, these resources are unavailable for general operations or new capital projects.

The City currently has committed resources (displayed as Noncurrent Assets—cash and cash equivalents in the Statement of Net Position) totaling \$99,740,710 for both the Governmental and Business-type activities. These resources will be used to purchase major equipment, construct new buildings, and add new infrastructure such as water and sewer lines and streets. More information on capital assets can be found in footnote III.C in the Footnotes to the financial statements.

Debt - At September 30, 2023 and 2022, the City had the following debt outstanding:

	Outstanding Debt					
	Amounts shown in thousands (000's)					
	Governmental Activities		Business-Type Activities		Total	
	2023	2022 *	2023	2022 *	2023	2022 *
General obligation bonds	\$ 74,190	\$ 68,730	\$ 2,025	\$ 2,540	\$ 76,215	\$ 71,270

Totals	\$ 115,237	\$ 108,678	\$ 29,978	\$ 24,311	\$ 145,215	\$ 132,989

* 2022 balances have not been restated for the implementation of GASB 96

The presently outstanding general obligation debt of the City is rated "AA2" by Moody's and "AA+" by S&P. As a home rule city, the City is limited by Article XI, Section 5 of the State of Texas Constitution to a maximum tax rate for all purposes of \$2.50 per \$100 of valuation, though within that figure there is no legal limit upon the amount of taxes which can be levied for debt service. The City's Charter provides that general property taxes are limited to \$1.50 per \$100 of assessed valuation for general governmental services including the payment of principal and interest on general obligation debt. For fiscal year 2023, the City's property tax rate is \$0.547970 per \$100 assessed valuation. The current ratio of tax-supported debt to assessed value of all taxable property is 1.62%. Additional detailed information on long-term debt activity is disclosed in the notes (III-E) to the financial statements.

Pensions and Retiree Health Care

Pensions and retiree health care continue to receive negative media attention as governments around the nation struggle to fund these commitments. The City is committed to providing programs in these areas that are fair to both employees and taxpayers and that can be sustained over the long term.

CITY OF NORTH RICHLAND HILLS, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Effective for fiscal year 2015, Governmental Accounting Standards Board ("GASB") Statement No. 68, *Accounting and Financial Reporting for Pensions - an amendment of GASB Statement No. 27*, created specific reporting requirements for pensions that are different than that used for funding purposes. Both valuations are important as the reporting valuation provides a rigorous standard measure that can be used to compare the City's pension liabilities to other governments from around the nation. The funding valuation is important because the actuarial methods used include strategies for repaying any unfunded actuarial accrued liabilities. Combined with the City's history of making those contributions, it provides insights regarding the City's commitment to and the effectiveness of its funding strategy. Information contained in the financial statements themselves including the first schedule of Required Supplementary Information ("RSI"), Schedule of Changes in Net Pension Liability and Related Ratios, is based on the reporting valuation. The second schedule in the RSI, Schedule of Contributions, is based on the funding valuation. On a reporting basis, the City's financial statements reflect a Net Pension Liability as of September 30, 2023 of \$45,544,116, which is 112.0% of the City's annual covered payroll of \$40,672,177 for the 2022 calendar year.

Retiree health care's net OPEB liability has been calculated in accordance with GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, to be \$29,415,285 as of September 30, 2023, a decrease of \$3,219,870 from the previous valuation.

Economic Factors and Next Year's Budgets and Rates

The two largest revenue sources for the General Fund are property tax revenues and sales tax receipts. After working through a struggling economy, the City of North Richland Hills is finally experiencing a stabilization. In June 2019, the Texas state legislature passed Senate Bill 2 (SB-2) which limits the ability of local governments to increase property tax revenues above 3.5% without an affirmative vote of the citizens within the jurisdiction. For budget year 2023/2024, sales tax receipts are anticipated to be roughly 2% higher than the 2022/2023 actual. Property tax values are anticipated to continue rising due to steady new construction growth. Currently, the City of North Richland Hills projects 5-7% growth in property values.

The fiscal year 2024 budget was based on a 11.97% decrease to the property tax rate from \$0.547970/\$100 to \$0.489389/\$100. For fiscal year 2024, the estimated tax rate distribution amounts for maintenance & operations and interest & sinking (per \$100 assessed value) for the City are as follows:

Tax Rate Distribution Schedule	Tax Rate	Tax Rate Distribution
General Fund - Maintenance & Operations	\$ 0.313583	\$ 26,093,764
Debt Service Fund - Interest & Sinking	0.175806	14,253,865
Total Distribution of tax proceeds	<u>\$ 0.489389</u>	<u>\$ 40,347,629</u>

By policy, the City maintains an unassigned General fund balance of 15% of budgeted expenditures. The use of available fund balance for one-time expenditures eliminates the financial impact of such purchases on future budgets.

Requests for Information

This financial report is designed to provide a general overview of the City's finances for all those with an interest in the City's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the City of North Richland Hills, Director of Finance, P.O. Box 820609, North Richland Hills, Texas 76182-0609.

Behind the Book with Candice Millard

Candice Millard, the New York Times bestselling author of *Destiny of the Republic* and *The River of Doubt* and former National Geographic journalist, visited the NRH Library. Candice discussed her latest book, *River of the Gods: Genius, Courage, and Betrayal in the Search for the Source of the Nile*, and shared fascinating stories of her own research with the large and enthusiastic crowd of book lovers. The event also included a ticketed dinner reception with the author and a free book signing.

Bandan Koro

The NRH Library was happy to host the Bandan Koro African Drum and Dance Ensemble for a dynamic and interactive performance of African song and dance as part of their Celebrating Culture Series. Bandan Koro was founded by Tony Browne in 2009 as an outlet to study and share experiences associated with African culture and history with the community at large through the presentation of dance, music, and specialized presentations. The ensemble of musicians, singers, dancers, storytellers, and educators engage with diverse audiences year-round, fostering values of love, pride, cultural engagement, and excellence within the communities that they visit.

NRH

CITY OF NORTH RICHLAND HILLS, TEXAS
RECONCILIATION OF THE BALANCE SHEET OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF NET POSITION
September 30, 2023

Total Fund Balances - Governmental Funds **\$ 129,327,858**

Amounts reported for governmental activities in the statement of net position are different because:

Capital, lease, and subscription assets used in governmental activities are not financial resources and therefore are not reported in the funds, excluding internal service funds capital, lease, and subscription assets of \$10,835,538, which are allocated to governmental activities. 325,917,394

Losses on issuance of refunding bonds are not reported in the funds but are reported as deferred outflows of resources in the statement of net position. 199,288

Accrued interest on governmental activities debt is not reported in the funds until paid, excluding internal service funds of \$5,263. (610,705)

Revenues earned but not available within sixty days of fiscal year-end are not recognized as revenue in the governmental funds financial statements. 879,609

The internal service funds are used by management to charge the cost of certain activities, such as building and vehicle support services, self insurance, and information services, to individual funds. The assets, deferred outflows of resources, liabilities, and deferred inflows of resources of the internal service funds that are attributable to governmental activities are included in the government-wide financial statements. 20,722,343

Included in the items related to long-term liabilities is the recognition of the City's net pension liability. The net position related to pensions includes deferred outflows of resources in the amount of \$23,037,057 deferred inflows of resources in the amount of \$16,616, and the net pension liability of \$37,576,097, excluding internal service funds of \$(2,249,863). (12,305,793)

Included in the items related to long-term liabilities is the recognition of the City's net OPEB liability. The net position related to OPEB includes deferred outflows of resources in the amount of \$3,300,537, deferred inflows of resources in the amount of \$14,092,943, and the net OPEB liability of \$26,597,831, excluding internal service funds of \$(2,925,347). (34,464,890)

Compensated absences are not due and payable in the current period and therefore are not reported in the funds, excluding internal service funds of \$582,160. (4,301,518)

Long-term liabilities excluding compensated absences, pension or OPEB and the related deferred outflows and inflows of resources, are not due and payable in the current period and, therefore, are not reported in the funds. A summary of these items are as follows, excluding internal service funds:

Due in one year (10,672,329)

Due in more than one year (111,818,532)

Total Net Position - Governmental Activities **\$ 302,872,725**

NRH Sounds of Spring provides six weekly concerts at the NRH City Hall with free live music by some of the region's best live performers under the stars.

CITY OF NORTH RICHLAND HILLS, TEXAS**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES
IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES
For the Year Ended September 30, 2023**

Net Change in Fund Balances - Governmental Funds **\$ 21,427,000**

Amounts reported for governmental activities in the statement of activities are different because:

Change in revenues not considered available in the governmental funds. (460,962)

This amount is the amount of governmental activities capital asset additions for the current period, \$20,448,697 less \$3,141,444 in capital contributions and \$5,784,248 of additions allocated from the internal service funds. 11,523,005

Depreciation/amortization on capital, lease, and subscription assets is reported in the Statement of Activities but does not require the use of current financial resources. Therefore, depreciation/amortization is not reported as expenditures in the governmental funds. This amount excludes \$662,792 of depreciation/amortization in the internal service funds. (13,555,009)

Donation of property is not reported in the governmental funds. However, in the statement of activities, the fair value of those assets is recognized as revenue. 3,141,444

The net effect of various transactions involving capital assets (i.e. sales and contributions) is to decrease net position. (288,065)

Governmental funds report the effect of losses on refundings when debt is first issued, whereas the amounts are deferred and amortized in the statement of activities. (71,954)

The issuance of long-term debt (e.g. bonds, leases, etc) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas the amounts are deferred and amortized in the Statement of Activities. This amount is the net effect of these differences in the treatment of long-term debt and related items, and excludes issuance of subscription liabilities and repayment of principal on subscription liabilities that are reflected in the internal service funds.

 Issuance of leases (16,998)

 Issuance of debt (17,620,000)

 Premium on issuance of long-term debt (1,648,072)

 Repayment of principal on long-term debt 11,035,000

 Repayment of principal on leases, excluding internal service funds of \$3,863 39,140

 Amortization of:

 Premium on issuance of long-term debt 1,094,382

Current year change in accrued interest payable requires the use of current financial resources; but it is not reported as an expense in the government-wide statements, excluding internal service funds of \$5,263. (168,706)

Current year changes in certain long-term liabilities (do)/do not require the use of current financial resources and, therefore, are/(are not) reported as expenditures in governmental funds.

 Net Pension liability and related deferred outflows and inflows of resources (1,733,820)

 Net OPEB liability and related deferred outflows and inflows of resources (1,177,265)

 Compensated absences liability (650,876)

The internal service fund is used by management to charge the costs of certain activities, such as facilities and construction services, fleet services, self insurance, and information technology, to individual funds. The change in net position of the internal service funds attributed to governmental activities is to increase net position. 3,415,396

Change in Net Position of Governmental Activities **\$ 14,283,640**

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

Note I - Summary of Significant Accounting Policies

The City of North Richland Hills, Texas (the "City") Home Rule Charter was adopted by the voters at an election held on November 3, 1964. The City operates under a Council-Manager form of government. The City provides a full range of services including police and fire protection; municipal court operations; the construction and maintenance of streets and infrastructure; parks, library, and recreational activities including tennis center operations; neighborhood services activities; planning and inspections; and the operations of a water and wastewater system, a golf course, and a public water park. A private contractor, through a franchise agreement, provides solid waste collection and disposal services for the City.

The accounting policies of the City conform to accounting principles generally accepted in the United States of America ("GAAP") as applicable to governmental units. The Governmental Accounting Standards Board ("GASB") is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant accounting policies of the City are described below.

A. Reporting Entity

As required by GAAP, these basic financial statements present the primary government and its component units, entities for which the government is considered to be financially accountable. The blended component units, although legally separate entities, are, in substance, part of the primary government's operations. As such, data from these units is combined with data of the primary government. Discretely presented component units are entities that are legally separate from the City, but for which the City is financially accountable or whose relationships with the City are such that exclusion would be misleading or incomplete. The City currently has no discretely presented component units.

Blended Component Units - The North Richland Hills Parks and Recreation Facilities Development Corporation ("PRD") is used to account for the accumulation of resources to build and improve City parks and recreational facilities and fund economic development activities. The North Richland Hills Crime Control and Prevention District ("CCD") is used to account for the accumulation and use of half-cent sales tax proceeds dedicated for crime reduction programs. The PRD and CCD are reported as special revenue funds of the primary government. The Boards of Directors of both component units are substantially the same as the City Council.

Tax Increment Refinancing Zone #3 ("TIF #3") was created to provide funding for public improvements that would benefit the participants in and citizens of TIF #3. TIF #3 is primarily located in the immediate area around the NRH City Hall municipal complex and designed to promote development on one of the last few undeveloped areas in the City. Included in this development is a Public Improvement District ("PID") through which the underground and surface infrastructure was constructed. The TIF #3 board consists of representatives from the City Council and Tarrant County.

The TIF #3 meets the criteria for blending as the City Council and TIF #3 Board is substantially the same. In addition, although another entity is involved in the TIF, the primary financial benefit or burden relationship is between the City and the TIF #3, and management of the City has day-to-day operational responsibility for the activities of the TIF #3.

B. Government-Wide and Fund Financial Statements

The government-wide financial statements (*i.e.*, the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government and its blended component units. For the most part, the effect of interfund activity has been eliminated from these statements. However, interfund services provided and used are not eliminated in the consolidation process. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on user fees and charges for support.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS

The Statement of Activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment; and grants and contributions that are designated to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds, and the fiduciary fund, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current *financial resources measurement focus and the modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, pension and other postemployment benefits obligations, and claims and judgments are recorded only when payment is due.

Property taxes, sales taxes, franchise taxes, licenses, and certain other fees and interest associated with the current fiscal period are all considered to be susceptible to accrual and have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the City.

The City reports the following major governmental funds:

The General Fund is the City's primary operating fund. It accounts for all financial resources traditionally associated with governments which are not required to be accounted for in another fund. Major functions financed by the General Fund include general government, public safety, culture and recreation, and public works. Financing is provided from taxes (primarily property, sales, and franchise), licenses and permits, fines, and investment income.

The General Capital Projects Fund is used to account for financial resources used for the acquisition and construction of major street, drainage, and municipal facilities capital assets.

The General Debt Service Fund accounts for the accumulation of resources for the payment of principal, interest, and related charges on long-term general obligation debt of governmental funds. Financing is provided primarily by a specific annual property tax levy.

The Parks and Recreation Facilities Development Fund accounts for the accumulation and use of resources to build and improve City parks and recreation facilities as well as economic development projects. Financing is provided from taxes (primarily sales) and charges for services.

The Grants Fund is a centralized fund accounting for all private, local, state, and federal grant proceeds.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS

The City reports the following major proprietary funds:

The Utility Fund accounts for the distribution of water, transportation of wastewater, and solid waste removal services provided to the residents of the City. All activities necessary to provide such services are accounted for in the fund, including, but not limited to, administration, operations, maintenance, financing and debt service, and billing and collections.

The Aquatic Park Fund accounts for the operation of NRH₂O, the City's public water park. All activities necessary to operate the park are accounted for in the fund, including, but not limited to, administration, park operations, park maintenance, and financing and debt service.

The Golf Course Fund accounts for the operations of Iron Horse Golf Course, the City's public golf course. All activities necessary to operate the course are accounted for in the fund, including, but not limited to, administration, operations, course maintenance, and financing and debt service. The Golf Course is the only non-major proprietary fund.

Internal Service Funds account for building maintenance services, fleet management, computer and telephone service, as well as insurance coverage provided to other departments of the City, on a cost reimbursement basis.

The City also reports one fiduciary fund. The OPEB Trust Fund accounts for the activities of the long-term funding of the City's other post-employment benefits provided. These funds are contributed by the City on an annual basis to help offset future costs and outflows for post-employment benefits payments.

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds and of the internal service funds are charges to customers for sales and services. The City also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. Operating expenses for enterprise funds and internal service funds include the cost of sales and services, administrative expenses, and depreciation/amortization on capital, lease and subscription assets. All revenues and expenses not meeting the definition are reported as non-operating revenues and expenses. When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources and Net Position or Fund Balance

Deposits and investments

Cash and cash equivalents consist of bank deposits and investments with an original maturity of three months or less, including investment pools. Substantially all operating deposits and investments are maintained in pooled deposits and investment accounts. Interest income relating to pooled deposits and investments is allocated monthly to the participating individual funds based on each fund's pro-rata share of total pooled deposits and investments.

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

Investments consist of (1) investments in public fund investment pools, (2) short-term investments that mature in 12 months or less from the time of purchase and (3) investments that mature in greater than 12 months from the time of purchase. Other than investment pools, most of the City's investments are long-term (i.e., at the time of purchase, the maturity equals or exceeds one year) and, accordingly, the investments are carried at fair value. The government's investment pools operate in accordance with state laws and regulations. Investments in external pools are carried at either net asset value or amortized cost, as determined by each pool's individual investment valuation method and whether there is a readily determinable fair value of the pool as of the City's fiscal year end. In instances where pools transact at amortized cost, no readily determinable fair value is deemed available.

Legal provisions generally permit the City to invest in certificates of deposit, repurchase agreements, public funds investment pools, direct obligations of the United States of America or its subdivisions, and state and local government securities. During the year ended September 30, 2023, the City did not own any types of securities other than those permitted by statute.

For the purposes of presenting the statement of cash flows for Proprietary Funds, cash and cash equivalents are defined as cash and the funds' investment in the City's pooled accounts which provide cash-equivalent liquidity (Note III).

Receivables and payables

Activities between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

Advances between funds, as reported in the fund financial statements, are offset by a fund balance reserve account in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

All trade and property tax receivables are shown net of an allowance for uncollectibles.

The City's property tax is levied each October 1 on the assessed value listed as of the prior January 1 for all real property and certain personal property located in the City. Tax liens attach as of February 1. Taxes are due upon receipt of the tax bill.

Property taxes are limited by the Texas Constitution to \$2.50 per \$100 of assessed valuation and by City Charter to \$1.50 per \$100 assessed valuation. The combined tax rate to finance general governmental service and debt service for the year ended September 30, 2023 was \$0.54797 per \$100 of assessed valuation.

Lease Receivable

The City is a lessor for noncancellable leases related to cellular towers, building space, and billboards. The City recognizes a lease receivable and a deferred inflow of resources in the government-wide and governmental fund financial statements.

At the commencement of a lease, the City initially measures the lease receivable at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of lease payments received. The deferred inflow of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments received at or before the lease commencement date. Subsequently, the deferred inflow of resources is recognized as revenue over the life of the lease term.

Key estimates and judgments include how the City determines (1) the discount rate it uses to discount the expected lease receipts to present value, (2) lease term, and (3) lease receipts.

- The City uses the lessee's rate, or the rate disclosed in the agreement. If the rate is not readily available, the City uses its incremental borrowing rate as the discount rate for leases.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS

- The lease term includes the noncancellable period of the lease. Lease receipts included in the measurement of the lease receivable is composed of fixed payments from the lessee.

The City monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

Inventories and prepaid items

In accordance with the consumption method of accounting, both inventories and prepaid items of governmental funds are recorded as expenditures when consumed rather than when purchased.

All inventories are valued at cost using the first-in/first-out ("FIFO") method. Inventories are offset by a fund balance reserve account in applicable governmental funds to indicate the inventory values are not available for appropriation and are not expendable financial resources.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Restricted assets

Certain resources set aside for the repayment of outstanding City debt are classified as restricted assets on the governmental activities balance sheet or proprietary funds statement of net position because their use is limited. The "debt service reserve funds" are used to segregate resources accumulated for outstanding debt. The "construction funds" account includes, but is not limited to, unspent bond proceeds that are limited as to use for financing the acquisition or construction of capital assets.

Restricted assets defined as noncurrent assets in the Utility Fund are customer deposits and impact fees. The limitation for customer deposits is contractually supported. The City is not allowed to use the funds unless it is to refund back to the customer for good standing account history or that they default upon the terms of the agreement. Impact fees are a restriction imposed by the City's governing body for the purpose of collection of funds from developers for specific utility infrastructure improvement projects. State of Texas Statutes grant this authority to the City Council which upon their approval is valid for a five-year period. Every five years, the impact fee plan expires and a new program must be developed and submitted to Council for approval.

The Information Technology (Internal Service) Fund contains assets used for future system improvements. The intended purpose is to fund major computer system software and hardware system replacements and upgrades.

The Facilities and Construction Services and Fleet Services (Internal Service) Funds contain assets to be used for building and equipment maintenance and replacement. The building reserve is used to accumulate funds for the implementation of the multi-year plan. The equipment reserve is used to accumulate funds for the replacement of vehicles and heavy equipment.

The Self-Insurance (Internal Service) Fund contains assets to be used for future insurance claims. Funds will be accumulated until needed to cover these costs of excessive claims or until management has determined sufficient funds have been accumulated to cover future claims. Future claims of the Self-Insurance Internal Service Fund are funds set aside and obligated for medical, dental, prescription, or other risk payables that could arise in future fiscal periods. This fund has a very proactive approach to plan for future claims and ensure that funding is available to pay should the need occur.

Assets limited to use

Certain assets are restricted by various legal and contractual obligations. Certain proceeds of bonds, certain resources set aside for the repayment of bonds, grant funds, donations, and other resources, are classified as noncurrent assets or assets limited to use on the statement of net position/balance sheet because their use is limited by applicable bond covenants or contractual agreements.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS

The Parks and Recreation Development Fund and the Grants Fund contain assets restricted for specific activities and projects.

The Crime Control and Prevention District (Special Revenue) Fund contains assets restricted for transition. The “transition” term is used to identify funds that are covered by Texas Sales Tax laws and has been restricted to offset future unforeseen circumstances (i.e. dissolution of the fund due to citizens vote to end operations of the district). If the half-cent sales tax funding CCD activities is discontinued, the restricted assets will be used to fund those activities until an alternate funding source can be identified (i.e., during the transition period).

Capital assets

Capital assets, including property, plant, equipment, and infrastructure assets (e.g., roads, bridges, drainage facilities, parks and related improvements, and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements and in the proprietary fund level financial statements. Capital assets are defined by the City as assets with an initial, individual cost of at least \$5,000 and an estimated useful life in excess of one year. Assets purchased or constructed are recorded at historical cost when available or estimated historical cost if actual cost is unavailable (except for intangible right-to-use leased assets). Donated capital assets are recorded at estimated acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Capital assets of the primary government are capitalized at the following thresholds and are depreciated/amortized using the straight-line method over the following estimated useful lives:

Asset Category	Useful Life	Capitalization Threshold
Land	N/A	\$ -
Buildings and improvements	30 years	100,000
Other improvements	30 years	100,000
Water, sewer system and other infrastructure	33 years	100,000
Furniture and fixtures, & certain machinery and equipment	10 years	5,000
Firetrucks and ambulances	20 years	5,000
Other machinery and equipment including vehicles	3-12 years *	5,000

** Range is due to different machinery and equipment having different levels of capitalization thresholds within fiscal policy.*

Lease Assets

Lease assets are initially recorded at the initial measurement of the lease liability, plus lease payments made at or before the commencement of the lease term, less any lease incentives received from the lessor at or before the commencement of the lease, plus initial direct costs that are ancillary to place the asset into service. Lease assets are amortized on a straight-line basis over the shorter of the lease term or the useful life of the underlying asset.

Subscription Assets

Subscription assets are initially recorded at the initial measurement of the subscription liability, plus subscription payments made at or before the commencement of the subscription-based information technology arrangement (SBITA) term, less any SBITA vendor incentives received from the SBITA vendor at or before the commencement of the SBITA term, plus capitalizable initial implementation costs. Subscription assets are amortized on a straightline basis over the shorter of the SBITA term or the useful life of the underlying IT asset.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position includes a separate section for deferred outflows of resources. Deferred outflows of resources represent a consumption of net assets that applies to a future period(s) and therefore will not be recognized as an outflow of resources (expense/expenditure) until then. The City has the following items that qualify for reporting in this category:

- Deferred loss on refunding – A deferred loss on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.
- Pension and OPEB contributions after measurement date – These contributions are deferred and recognized in the following fiscal year.
- Changes in actuarial assumptions and other inputs included in determining the pension and OPEB liability – This difference is deferred and recognized over the estimated average remaining lives of all members determined as of the measurement date.
- Differences between expected and actual economic experience for the City's pension and OPEB plan – These effects on the pension and OPEB liability are deferred and amortized over a closed period equal to the average of the expected remaining service lives of all employees that are provided with benefits through the pension plan (active employees and inactive employees).
- Difference in projected and actual earnings on pension assets – This difference is deferred and amortized over a closed five-year period.

In addition to liabilities, the statement of financial position includes a separate section for deferred inflows of resources. Deferred inflows of resources represent an acquisition of net assets that applies to a future period(s) and therefore will not be recognized as an inflow of resources (revenue) until that time. The City has the following items that qualify for reporting in this category:

- Deferred gain on refunding – A deferred gain on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.
- Differences between expected and actual economic experience for the City's pension and OPEB plans – These effects on the pension and OPEB liability are deferred and amortized over a closed period equal to the average of the expected remaining service lives of all employees that are provided with benefits through the pension plan (active employees and inactive employees).
- Changes in actuarial assumptions and other inputs included in determining the OPEB liability – This difference is deferred and recognized over the estimated average remaining lives of all members determined as of the measurement date.
- Leases – Represents the initial value of the lease receivable under GASB 87 systematically reduced and recognized as lease revenue over the term of the lease. This deferred inflow is recorded at both the fund level and government-wide financial statements.
- Unavailable revenue – This arises only under a modified accrual basis of accounting. Accordingly, unavailable revenue is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from property taxes, ambulance fees and assessments.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS

Compensated absences

City employees are granted vacation leave in varying amounts depending on length of service. Sick leave is also granted to employees. In the event of termination, an employee will be paid for all unused vacation leave credit upon separation from employment with the City. Employees who are eligible to utilize their accrued vacation but who have not completed their probationary period are not eligible to be paid for unused vacation at the time of separation. No reimbursement is made for unused accumulated sick leave upon termination of employment, except upon retirement. Upon retirement, an employee may convert up to six weeks of accrued sick leave to vacation. Sick pay is recorded when taken. All vacation pay is accrued as vested and included in accrued liabilities in the government-wide and proprietary fund financial statements. Accrued vacation pay, including converted sick leave, that is expected to be liquidated within one year, is reported as a short-term liability. The remainder of the liability is reflected as long-term.

Unearned revenue

Governmental funds report a liability, unearned revenue, in connection with resources that have been received, but not yet earned, which consists primarily of grant dollars received in advance of incurring eligible expenditures. The Aquatic Park fund and Golf fund report a liability, unearned revenue, in connection with resources that have been received, but not yet earned, which consists primarily of advance payments, gift certificates, store credit and deposits.

Long-term obligations

In the government-wide financial statements and proprietary funds financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund statement of net position. Bond premiums and discounts and gains/losses on bond refunding transactions are deferred and amortized over the life of the related debt. Bonds payable are reported net of applicable bond premium or discount. Bond issuance costs are expensed as incurred.

In the fund financial statements, governmental funds recognize bond premiums and discounts, as well as, bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Lease Liability

The City is a lessee for noncancellable leases of vehicles, equipment, and other machinery. The City recognizes a lease liability and an intangible right-to-use lease asset (lease asset) in the government-wide financial statements. The City recognizes lease liabilities with an initial, individual value of \$5,000 or more.

At the commencement of a lease, the City initially measures the lease liability at the present value of payments expected to be made during the lease term. Subsequently, the lease liability is reduced by the principal portion of lease payments made.

Key estimates and judgments related to leases include how the City determines (1) the discount rate it uses to discount the expected lease payments to present value, (2) lease term, and (3) lease payments.

- The City uses the interest rate charged by the lessor as the discount rate. When the interest rate charged by the lessor is not provided, the City generally uses its estimated incremental borrowing rate as the discount rate for leases.
- The lease term includes the noncancellable period of the lease. Lease payments included in the measurement of the lease liability are composed of fixed payments and purchase option price that the City is reasonably certain to exercise.

The City monitors changes in circumstances that would require a measurement of its lease and will remeasure the lease asset and liability if certain changes occur that are expected to significantly affect the amount of the lease liability.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS

Lease assets are reported with capital, lease and subscription assets and lease liabilities are reported with long-term liabilities on the statement of net position.

Subscription Liability

The City contracts for noncancellable subscriptions of information technology software. The City recognizes a subscription liability and an intangible subscription asset (subscription asset) in the government-wide financial statements. The City recognizes subscription liabilities with an initial, individual value of \$5,000 or more.

At the commencement of a subscription, the City measures the subscription liability at the present value of payments expected to be made during the subscription term. Subsequently, the subscription liability is reduced by the principal portion of subscription payments made.

The subscription asset is initially measured as the initial amount of the subscription liability, adjusted for subscription payments made at or before the subscription commencement date, plus certain initial direct costs.

Key estimates and judgments related to subscriptions include how the City determines (1) the discount rate it uses to discount the expected subscription payments to present value, (2) subscription term, and (3) subscription payments.

- The City uses the interest rate charged by the subscription-based information technology arrangement (SBITA) vendor as the discount rate. When the interest rate charged by the SBITA vendor is not provided, the City generally uses its estimated incremental borrowing rate as the discount rate for subscriptions.
- The subscription term includes the noncancellable period of the subscription. Subscription payments included in the measurement of the subscription liability are composed of fixed payments and purchase option price that the City is reasonably certain to exercise.

The City monitors changes in circumstances that would require a remeasurement of its subscription and will remeasure the subscription asset and liability if certain changes occur that are expected to significantly affect the amount of the subscription liability.

Subscription assets are reported with capital, lease, and subscription assets and subscription liabilities are reported with long-term liabilities on the statement of net position.

Pensions

For purposes of measuring the net pension liability, pension related deferred outflows and inflows of resources, and pension expense, City specific information about its fiduciary net position in the Texas Municipal Retirement System (TMRS) and additions to/deductions from TMRS's fiduciary net position have been determined on the same basis as they are reported by TMRS. For this purpose, plan contributions are recognized in the period that compensation is reported for the employee, which is when contributions are legally due. Benefit payments and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Defined Benefit Other Postemployment Benefit Plan

The City has a single employer defined benefit other postemployment (benefit) OPEB plan (Plan). For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB and OPEB expense, information about the fiduciary net position of the Plan and additions to/deductions from the Plan's fiduciary net position have been determined on the same basis as they are reported by the Plan. For this purpose, the Plan recognizes benefit payments when due and payable in accordance with the benefit terms. Investments are reported at fair value.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS

Net Position

Net position represents the difference between assets, deferred outflows of resources, liabilities, and deferred inflows of resources of governmental and business-type activities and proprietary funds. The government-wide and proprietary fund financials utilize a net position presentation. Net position is categorized as net investment in capital assets, restricted, and unrestricted.

Net Investment in Capital Assets – This amount consists of capital, lease and subscription assets, net of accumulated depreciation/amortization and reduced by outstanding balances of bonds, notes, and other debt, that are attributable to the acquisition, construction, or improvement of those assets. Deferred outflows of resources and deferred inflows of resources that are attributable to the acquisition, construction, or improvement of those assets or related debt are included in this component of net position.

Restricted Net Position – This amount is restricted by external parties such as creditors, grantors, contributors, or laws or regulations of other governments and restrictions imposed by law through constitutional provisions or enabling legislation.

Unrestricted Net Position – This amount is the net position that does not meet the definition of “net investment in capital assets” or “restricted net position.”

Fund balance

Fund balances are reported within one of the fund balance categories listed below:

- **Nonspendable:** This classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) are legally or contractually required to be maintained intact. Nonspendable items are not expected to be converted to cash or are not expected to be converted to cash within the next year.
- **Restricted:** This classification includes amounts for which constraints have been placed on the use of the resources either (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments, or (b) imposed by law through constitutional provisions or enabling legislation.
- **Committed:** This classification includes amounts that can be used only for specific purposes pursuant to constraints imposed by ordinance of the City Council. These amounts cannot be used for any other purpose unless the City Council removes or changes the specified use by taking the same type of action that was employed when the funds were initially committed. This classification also includes contractual obligations to the extent that existing resources have been specifically committed for use in satisfying those contractual requirements.
- **Assigned:** Amounts in the assigned fund balance classification are intended to be used by the City for specific purposes but do not meet the criteria to be classified as committed. The City Council has, by resolution, authorized the City Manager to assign fund balance. The City Council may also assign fund balance as it does when appropriating fund balance to cover the gap between estimated revenue and appropriations in the subsequent year’s budget. Unlike commitments, assignments generally only exist temporarily. In other words, an additional action does not normally have to be taken for the removal of an assignment.
- **Unassigned:** This classification includes the residual fund balance for the General Fund. The unassigned classification also includes negative residual fund balance of any other governmental fund that cannot be eliminated by offsetting of assigned fund balance amounts.

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

Committed Fund Balance Policy

Fund balances are committed by the City Council under specific resolutions or ordinances which were adopted to restrict the utilization of special revenue sources. Once the resolutions or ordinances are adopted, the limitation imposed remains in place until a similar action is taken (the adoption of another resolution or ordinance) to remove or revise the limitation.

Fund balance reporting as a result of resolutions and ordinances passed by City Council:

- General Donations or contributions to the City that do not have specific goals designated by the donor are committed by council resolution to keep the original general intent for which they were received.
- Drainage Utility Fees are to be utilized for the infrastructure or debt service for such infrastructure.
- Gas Development funds are used for specific projects for various reasons such as deemed necessary by city management.
- Capital Projects funds that are not bond proceeds restricted by legal provisions are committed by council resolution to be utilized for capital projects.

Assigned Fund Balance Policy

Approved by the fund balance policy, the City's Assigned Fund Balance is under the direction of the City Manager, (as authorized by the City Council).

- Capital projects are proceeds assigned by management through budget appropriations to fund special capital projects not funded through bond proceeds.
- Recreation Centre assignment is net operations for the program for future infrastructure maintenance and operational needs.

Fund Balance Flow Assumptions

Sometimes the government will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the government's policy to consider restricted fund balance depleted before using any of the components of unrestricted fund balance. Further when the components of unrestricted fund balance can be used for the same purposes, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

Minimum Fund Balance

At the end of each fiscal year, the General Fund should maintain a minimum unassigned fund balance that is no less than 15% of the subsequent year's General Fund Appropriated Expenditure budget. This target amount has been established in order to provide a reasonable level of assurance that the City's day-to-day operations will be able to continue even if circumstances occur where revenues are insufficient to cover expenditures.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the City's management to make estimates and assumptions that effect reported amounts of assets, deferred outflows of resources, liabilities, and deferred inflows of resources at the date of the financial statements and the reported changes in net position during the reporting period. Actual results may differ from those estimates.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS

Adoption of New Accounting Standards

During fiscal year 2023, the City adopted the following GASB standards:

GASB Statement No. 91, *Conduit Debt Obligations*. This standard clarifies the definition of conduit debt and provides a single method of reporting these obligations (disclosure only). This standard provides a single method of reporting conduit debt obligations by issuers and eliminates diversity in practice associated with commitments extended by issuers, arrangements associated with conduit debt obligations, and related note disclosures. The adoption of this standard had no impact on the City.

GASB Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*. This standard addresses the gap in current accounting guidance related to public-private and public-public partnerships (both referred to as PPPs) that do not meet the definition of a service concession arrangement. The adoption of this standard had no impact on the City.

GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*. The implementation of this standard establishes a single model for subscription-based information technology arrangements (SBITAs) accounting based on the principle that contracts are financings of the right to use an underlying information technology software asset. The standard requires recognition of certain right-to-use subscription assets and subscription liabilities.

As a result of implementing this standard the City recognized right-to-use subscription assets and liabilities. The adoption of this standard had no impact on beginning net position. The additional disclosures required by this standard are included in *Note II - C and E*.

Future Financial Reporting Requirements

The GASB has issued the following potentially significant statements which the City has not yet adopted, and which require adoption subsequent to September 30, 2023. The City will evaluate the potential impact on the City’s net position, if any.

Statement No.	Title	Adoption Required
100	<i>Accounting Changes and Error Correction</i>	September 30, 2024
101	<i>Compensated Absences</i>	September 30, 2025
102	<i>Certain Risk Disclosures</i>	September 30, 2025

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

Note II - Detailed Notes on all Funds

A. Deposits and investments

Deposits - The City maintains an entity wide cash and investment pool that is available for use by all funds. Each fund's portion of the pool is displayed on the statement of net position as "Cash and Cash Equivalents" and "Investments".

The investment policy of the City is governed by State statute and a Council adopted City Investment Policy. Major controls stipulated in the Investment Policy include: depository limitations require Federal Deposit Insurance Corporation ("FDIC") insurance or full 100 percent collateralization; depositories are limited to Texas banking institutions; all collateral for repurchase agreements and deposits held by independent third party trustees; all settlement is delivery versus payment; all authorized investments are defined; and diversification guidelines are set as are maximum maturity and maximum weighted average maturity. State statutes require all time and demand deposits to be fully insured or collateralized. At September 30, 2023, the bank balances of the City's demand deposits were \$8,967,448. Accounts with under \$250,000 balance of either an interest-bearing account or non-interest-bearing account are covered by FDIC deposit insurance. The total cash held in demand deposits has been materially collateralized and meets the statutes' requirements.

As of September 30, 2023, the City's cash and investment pool portfolio are held by the City's custodian in the City's name under written agreements. The City's custodian is JP Morgan Chase. The City's cash and investment portfolio, excluding the fiduciary fund, held the following cash, cash equivalents, and investments as of September 30, 2023:

Cash on hand (petty cash, cashier tills)	\$	31,220
Demand Deposit Accounts		10,005,932
Investment Pools		133,618,633
Federal Agency Bond/Note		25,429,881
Federal Agency Commercial Mortgage- Back Securities		136,297
Municipal Bond/Note		17,697,944
Commercial Paper		7,549,842
U.S. Treasury Bond/Note		18,151,095
Total Deposits and Investments	\$	<u>212,620,844</u>

Legal provisions generally permit the City to invest in certificates of deposit, repurchase agreements, public funds investment pools, direct obligations of the United States of America or its subdivisions, and state and local government securities. Because the City is responsible for the investment portfolio of its blended component units, the City's investment practices and policies disclosed herein apply equally to its component units. During the year ended September 30, 2023, the City did not own any types of securities other than those permitted by statute.

TexPool falls under the purview of the Texas Comptroller of Public Accounts ("Comptroller") who is responsible for oversight of TexPool operations. TexasRange is directed by an Advisory Board of experienced local government officials, finance directors and treasurers and is managed by a team of industry leaders that are focused on providing professional investment services to investors. Duties of the governing boards include oversight responsibility. The Comptroller and the governing boards exercise oversight of the pools' activities via daily, weekly, and monthly reporting requirements. Additionally, per the requirements of the Public Funds Investment Act ("PFIA"), all pools will maintain an AAA or equivalent rating from at least one nationally recognized rating agency. The PFIA also requires an annual examination of the financial statements of the pools by an independent certified public accounting firm. TexPool is carried at amortized cost and TexasRange is carried at net asset value.

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

Investments - Weighted average maturity ("WAM") of the portfolio by investment type categories reflected in the following table is stated in days. Additional information about the rating agency or the significance of the ratings provided may be obtained from the agency's website. As of September 30, 2023, the City held the following investments:

Investment Type	WAM	S&P Rating	Moody Rating	Carrying Value
Investment Pools:				
TexPool	1	AAAm	N/A	\$ 115,450,402
TexasRange	1	AAAm	N/A	18,168,231
Federal Agency Bond/Note	1,115	AA+	Aaa	25,429,881
Federal Agency Commercial Mortgage-Backed Securities	55	AA+	Aaa	136,297
			A2, Aa1, Aa2,	
Municipal Bond/Note	1,167	A+, AA, AA+	Aa3	17,697,944
Commercial Paper	178	AAA	Aaa	7,549,842
U.S. Treasury Bond/Note	601	AA+	Aaa	18,151,095
Total Portfolio	293			\$ 202,583,692

In accordance with GASB Statement No. 72, "Fair Value Measurement and Application," the City records investments at fair value. However, for participating interest-earning investments contracts with maturities of one year or less at time of purchase, the City reports these investments at amortized cost.

Interest Rate Risk

Interest rate risk is the potential for a decline in market value due to rising interest rates. In accordance with its formally adopted investment policy, the City manages its exposure to declines in fair market value by limiting the portfolio's weighted average maturity to a maximum of 730 days. The City also employs an investment maturity laddering structure to stagger investment maturities at various monthly rungs on the ladder. This laddering structure provides the City with the ability to reinvest the proceeds from the maturities in higher-yielding securities given the proceeds are not required to meet immediate cash flow needs.

Custodial credit risk is the risk that a government will not be able to recover (a) deposits if the depository financial institution fails or (b) the value of investment or collateral securities that are in the possession of an outside party if the counterparty to the investment or deposit transaction fails. To minimize such risk, the City requires collateralization of most deposits in excess of coverage, utilizes the delivery vs. payment method for investment purchases, and contracts with a third-party safekeeping agent. In conjunction with JP Morgan Chase, the City has exercised the option to accept a Federal Home Loan Bank Irrevocable Standby Letter of Credit, as the first \$9,600,000 of collateral.

Per the terms of its depository agreement, for bank deposits in excess of the coverage provided by the FDIC, the City requires the depository bank to pledge to the City securities (collateral) equal to the following percentages, as applicable, to the largest balances the City maintains in the Bank.

Maturity of Collateral	U.S. Treasuries	Other Securities
1 year or less	101%	102%
1 year to 5 years	102%	105%
Over 5 years	103%	110%

The percentages as shown reflect the requirement based on fair value of the pledged securities.

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

The City's depository bank also acts as its safekeeping agent per the terms of the depository contract. City policy dictates that all securities rendered for payment will be sent delivery vs. payment meaning that the funds required for purchase of a security will not be released until the safekeeping agent has received the security purchased in the City's name. No broker holds City funds. The City does not purchase securities from its depository bank or any subsidiary banks of the same bank holding company.

Credit Risk

The Credit Risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. In order to minimize credit risk, the City limits investments to those rated as to investment quality of not less than "A" or its equivalent by a nationally recognized rating firm. Diversification of the portfolio is also employed to manage credit risk. The investment policy limits the percentage of the portfolio that may be invested in any specific type of security. Ratings for the City's investments and the percentage of the total portfolio of each investment type held at the end of year can be found on the first table in this section.

Other Post-Employment Benefit ("OPEB") Trust Fund Investments

The City has contracted with Public Agency Retirement Services ("PARS") for trust administration and Union Bank serves as the trustee for all investments of the OPEB Trust Fund. The OPEB Plan does not have a formal policy for custodial credit risk. As of September 30, 2023 all investments are registered in the name of the OPEB Plan's custodian established through a master trust custodial agreement. The OPEB Trust Fund investments are carried at fair value of \$2,635,240 as of December 31, 2022. The investment in master trust is classified in Level 3 of the fair value hierarchy using quoted market prices of the mutual funds owned by the trust, allocated among members. The Trust's funds are invested in a mutual fund that is invested in equity, money market and fixed income mutual funds. The investment strategy of the OPEB Trust Fund is to provide current income with capital appreciation. The credit rating and weighted average maturity is not available for the pool.

- **Interest Rate Risk** – Interest rate risk is the potential for a decline in market value due to rising interest rates. In accordance with its formally adopted investment policy, the Trust committee has chosen to use moderate risk levels. Exposure to market fluctuations can occur, and the investment strategy is reviewed annually to ensure that exposure to these market fluctuations is appropriate.
- **Custodial Credit Risk** – Custodial credit risk is the risk that a government will not be able to recover (a) deposits if the depository financial institution fails or (b) the value of investment or collateral securities that are in the possession of an outside party if the counterparty to the investment or deposit transaction fails. The Trust is not covered by any collateral agreement or FDIC insurance.
- **Credit Risk** – The Credit Risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The risk tolerance chosen by the Trust is moderate. The mutual fund investment is not rated.

Fair Value of Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3 Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying financial statements measured at fair value on a recurring basis and the level within the fair hierarchy in which the fair value measurements fall at September 30, 2023:

	Fair Value	Level 1	Level 2	Level 3
Investments measured at fair value:				
Federal Agency Bond/Note	\$ 25,429,881	\$ 5,549,035	\$ 19,880,846	\$ -
Federal Agency Commercial Mortgage-Backed Securities	136,297	-	136,297	-
Municipal Bond/Note	17,697,944	871,820	16,826,124	-
Commercial Paper	7,549,842	-	7,549,842	-
U.S. Treasury Bond/Note	18,151,095	18,151,095	-	-
Investment in OPEB Trust	2,635,240	-	-	2,635,240
Total investments measured at fair value	<u>\$ 71,600,299</u>	<u>\$ 24,571,950</u>	<u>\$ 44,393,109</u>	<u>\$ 2,635,240</u>
Investments measured at net asset value - TexasRange	18,168,231			
Investments measured at amortized cost - TexPool	<u>115,450,402</u>			
Total investments	<u>\$ 205,218,932</u>			

Certain investments that are measured using the net asset value per share (or its equivalent) practical expedient or amortized cost have not been classified in the fair value hierarchy.

Investments in State Investment Pools

During the year, the City invested in multiple public investment pools, including TexPool and TexasRange. TexasRange is measured at net asset value and are designed to approximate the share value, while TexPool is measured at amortized cost. Each pool's governing body is comprised of individuals who are employees, officers, or elected officials of participants in the funds or who do not have a business relationship with the fund and are qualified to advise. Investment objective and strategies of the pools are to seek preservation of principal, liquidity and current income through investment in a diversified portfolio of short-term marketable securities. Pools offer same day access to investment funds.

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

B. Receivables

Governmental and Business-type funds' receivables as of year-end for the City's major funds and non-major in the aggregate, net of the applicable allowances for uncollectible accounts, are as follows:

	General Fund	General Capital Projects	General Debt Service	Parks and Recreation Development	Grants Fund	Non-major Governmental Funds	Total Governmental Funds
Accounts	\$ 1,789,952	\$ -	\$ 3,784	\$ -	\$ -	\$ 235,024	\$ 2,028,760

Total (net of allowance)	\$ 6,902,694	\$ 71,060	\$ 20,802	\$ 6,994,556	\$ 156,764

Lease Receivable

The City leases a portion of its property to various cell phone companies and businesses who use the space to conduct their operations, the terms of which expire 2026 through 2039. The measurement of the lease receivable is based on the present value of lease payments expected to be received during the lease term, such as fixed payments, variable payments that depend on an index or rate, variable payments that are fixed in substance, residual value guarantee payments that are fixed in substance, and any lease incentives payable to the lessee.

The City recognized \$102,674 in lease revenue and \$30,564 in interest revenue during the current fiscal year related to these leases. As of September 30, 2023, the City's receivable for lease payments was \$1,454,735, including lease interest receivable of \$2,589. Also, the City has a deferred inflow of resources associated with these leases that will be recognized as revenue over the lease terms. As of September 30, 2023, the balance of the deferred inflow of resources was \$1,425,477.

CITY OF NORTH RICHLAND HILLS, TEXAS**NOTES TO BASIC FINANCIAL STATEMENTS**

The following is a schedule by year of minimum payments to be received under the City's leases that are included in the measurement of the lease receivable as of September 30, 2023:

Year Ending September 30,	Principal	Interest	Total Receipts
2024	\$ 88,996	\$ 30,031	\$ 119,027
2025	90,764	28,264	119,028
2026	78,086	26,460	104,546
2027	88,917	24,711	113,628
2028	93,915	22,740	116,655
2029-2033	479,264	82,820	562,084
2034-2038	498,660	31,651	530,311
2039	36,133	161	36,294
Total	<u>\$ 1,454,735</u>	<u>\$ 246,838</u>	<u>\$ 1,701,573</u>

Unearned Revenue

At the end of the current fiscal year, the various components of unearned revenue were as follows:

	Unearned Revenue
General Fund:	
Grant proceeds	\$ 1,110
LEOSE Public Safety proceeds	91,262

Internal Service Funds	2,926,980
Total	\$ 25,775,935

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

D. Interfund Receivables, Payables, and Transfers

Current Interfund Balances. At September 30, 2023, the City had current interfund balances as follows:

Receivable Fund	Payable Fund	Amount
General Fund	Information Technology Fund (Internal Service)	\$ 283,622

Interfund balances for the funds are created by short-term deficiencies in cash position in the individual fund. It is anticipated that the balances will be repaid in one year or less.

Long-term Interfund Balances. In fiscal year 2018, the City approved a long-term interfund loan to be paid in future years payable from the Aquatic Park to the Self-Insurance fund. The original amount of the loan was \$500,000 and the amount outstanding as of September 30, 2023 was \$500,000.

Transfers In/Out amounts for Governmental and Proprietary Funds are as follows:

Transfers are used to move resources between funds to provide sufficient resources to perform the expected services and functions for the year.

During fiscal year 2023, the City of North Richland Hills made one-time transfers. These transfers included:

- General Fund received a total of \$5,419,243 from other funds. Parks and Recreation Development fund transferred \$469,207 for indirect costs and to cover its portion of a sales tax based economic development incentive. The Utility fund transferred \$4,482,924 for payment of administrative fees, payment in lieu of tax and franchise fees. Internal Service funds transferred \$467,112 to offset debt service impacts associated with capital equipment and vehicle purchases.
- General Capital Projects fund received \$1,589,812 from the General Fund for street and sidewalk maintenance, drainage, information services projects, neighborhood reinvestments and facility construction projects. Parks and Recreation Development fund transferred \$1,168,000 for capital projects associated with the Parks system. Gas Development fund transferred \$250,000 for capital projects and \$54,000 was transferred from the Donations fund. Internal service funds transferred \$1,521,853 for capital projects.
- General Debt Service fund received transfers from self-supporting debt repayment sources. Parks and Recreation Development fund and non-major governmental funds transferred \$442,005 and \$205,344, respectively. Internal service funds transferred \$234,300 for debt repayments during the year.

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

- d. Parks and Recreation Development fund received a transfer for the General Fund's annual contribution for the NRH Recreation Centre operations in the amount of \$487,102.
- e. Grants fund received \$432,882 from the General Fund for local required funding for grants and \$431,488 from non-major governmental funds for the portion of salary expense designated to be funded by ARPA funds.
- f. Non-major Governmental funds received \$172,748 from the Parks and Recreation Development fund for economic development projects.
- g. Information Technology internal service fund received \$190,848 transferred from the General Fund and \$175,000 transferred from the Utility fund to help offset non-capital project related costs above normal operations. The Facilities and Construction Services internal service fund and the Information Technology internal service fund received \$1,096,158 and \$2,119,743, respectively, from the Capital Projects fund for capital project related costs. In addition, the Fleet Service internal service fund received \$62,000 from the Facilities Services internal service.

E. Long-term debt General Obligation Bonds

The City issues general obligation bonds to provide funds for the acquisition and construction of major capital assets such as streets, drainage structures, and municipal facilities, as well as for the purpose of refunding a portion of its outstanding debt.

General obligation bonds currently outstanding are as follows:

Purpose	Interest Rates	Principal Amount
Governmental activities	2.00 - 5.00%	\$ 74,190,000
Business-type activities	2.00 - 5.00%	2,025,000
		<u>\$ 76,215,000</u>

Annual debt service requirements to maturity for general obligations bonds are as follows:

Year Ending September 30,	Governmental Activities		Business-type Activities	
	Principal	Interest	Principal	Interest
2024	\$ 6,065,000	\$ 2,629,335	\$ 395,000	\$ 69,325

2049-2050	730,000	59,394
	<u>\$ 7,870,000</u>	<u>\$ 6,363,545</u>

Lease Liabilities

The City leases property and equipment from various third parties to conduct its operations, the terms of which expire 2024 through 2025. The measurement of the lease payables is based on the present value of lease payments expected to be paid during the lease term, such as fixed payments, variable payments that depend on an index or rate, variable payments that are fixed in substance, residual value guarantee payments that are fixed in substance, and any lease incentives payable to the lessee.

As of September 30, 2023, the value of the lease liabilities was \$72,047 for governmental activities and \$82,625 for business-type activities. Incremental borrowing rates of 0.9160 percent to 3.1570 percent were used to measure lease liabilities. The value of the right-to-use assets as of the end of the current fiscal year was \$152,386 for governmental activities and \$266,653 for business-type activities and had accumulated amortization of \$84,735 for governmental activities and \$190,041 business-type activities.

Purpose	Interest Rates	Principal Amount
Governmental activities	0.9160% - 1.3884%	\$ 72,047
Business-type activities	0.9160% - 3.1570%	82,625
		<u>\$ 154,672</u>

The future principal and interest payments for lease liabilities as of September 30, 2023, are as follows:

Year Ending September 30,	Governmental Activities		Business-type Activities	
	Principal	Interest	Principal	Interest
2024	\$ 43,826	\$ 519	\$ 80,376	\$ 1,152
2025	28,221	113	2,249	7
	<u>\$ 72,047</u>	<u>\$ 632</u>	<u>\$ 82,625</u>	<u>\$ 1,159</u>

Subscription Liabilities

The City has subscription IT arrangements to conduct its operations, the terms of which expire 2024 through 2027. The measurement of the subscription liabilities is based on the present value of subscription payments expected to be paid during the subscription term, such as fixed payments, variable payments that depend on an index or rate, variable payments that are fixed in substance, residual value guarantee payments that are fixed in substance, and any subscription incentives payable.

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

An initial subscription liability was recorded in the amount of \$439,255 during fiscal year 2023. As of September 30, 2023, the value of the subscription liabilities was \$377,838. An incremental borrowing rate of 3.1440 percent to 3.3050 percent was used to measure subscription liabilities. The value of the right-to-use subscription assets as of September 30, 2023, was \$586,973 and had accumulated amortization of \$147,378.

The future principal and interest payments for subscription liabilities as of September 30, 2023, are as follows:

Year Ending September 30,	Governmental Activities	
	Principal	Interest
2024	\$ 138,440	\$ 11,502
2025	123,400	7,595
2026	111,256	3,676
2027	4,742	157
	<u>\$ 377,838</u>	<u>\$ 19,097</u>

Long-term liability activity for the year ended September 30, 2023, is reflected in the following tables.

Certificates of obligation	20,680,000	7,865,000	(1,510,000)	27,035,000	1,885,000
Certificates of obligation - Private placement	815,000	-	(60,000)	755,000	60,000
Leases	175,738	-	(93,113)	82,625	80,376
Premium on bond issues	993,538	260,147	(107,768)	1,145,917	-
Compensated absences	486,283	247,647	(151,770)	582,160	64,792
Total Business-type Activities	<u>\$ 25,790,559</u>	<u>\$ 8,372,794</u>	<u>\$ (2,457,651)</u>	<u>\$ 31,705,702</u>	<u>\$ 2,505,168</u>

* Beginning Balance amounts have been restated for GASB 96

The liability for compensated absences and the pension and OPEB-related liabilities are paid from the General Fund, Special Revenue Funds (Drainage, Crime Control District, and Parks and Recreation Development), enterprise funds, and internal service funds based on the assignment of an employee at termination.

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO BASIC FINANCIAL STATEMENTS

Current Year Debt Issuances

In May 2023, the City issued Series 2023 General Obligation Bonds in the amount of \$11,280,000. The bonds were issued at a premium of \$1,555,405 and mature in fiscal year 2043 with interest rates ranging from 4.00% to 5.00%. The proceeds of the sale will be used for (i) constructing, renovating, equipping, and improving various City streets, roads, and intersections, and related curb, gutter, sidewalk, trail, drainage and utility infrastructure improvements, and the acquisition of land, easements, rights-of-way, and other real property interests necessary, and (ii) professional services rendered in relation to such projects and the financing thereof.

In November 2022, the City issued Series 2022A Tax and Waterworks and Sewer System (Limited Pledge) Revenue Certificates of Obligation in the amount of \$14,205,000. The certificates were issued at a premium of \$352,814 and mature in fiscal year 2042 with interest rates ranging from 4.00% to 5.00%. The proceeds of the sale will be used for (i) constructing, renovating, equipping, and improving various City streets, roads, and intersections, and related curb, gutter, sidewalk, trail, drainage and utility infrastructure improvements, and the acquisition of land, easements, rights-of-way, and other real property interests necessary therefor, (ii) constructing, acquiring, purchasing, renovating, enlarging, equipping, and improving the City's water and sewer system facilities, including the acquisition of land and rights-of-way therefor, (iii) acquiring fleet vehicles and equipment for various City departments, including the fire/emergency services department and public works, and (iv) professional services rendered in relation to such projects and the financing thereof.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS (continued)

Note III - Other Information

A. Risk Management

The government is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. While the City has historically retained a portion of these risks, coverage exists for: general, employment practice, law enforcement, and errors and omissions liability; excess workers' compensation; property damage; commercial crime coverage; and employee life insurance. Premiums are paid into the self-insurance internal service fund by all other participating funds and are available to pay claims, claim reserves, and administrative costs of the program.

Liabilities of the fund are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Liabilities include an amount for health and dental as well as workers' compensation claims that have been incurred but not reported ("IBNR"). The result of the process to estimate the claims liability is not an exact amount as it depends on many complex factors, such as inflation, changes in legal doctrines, and damage awards. Accordingly, claims are reevaluated periodically to consider the effects of inflation, recent claim settlement trends (including frequency and amount of pay-outs), and other economic and social factors. An excess coverage medical insurance policy covers individual claims in excess of \$175,000 and/or \$10,386,756 in the aggregate for a 12-month period beginning on January 1, 2022. Changes in the balances of claims liabilities during the past two years are as follows:

	2023	2022
Unpaid claims, beginning of year	\$ 920,045	\$ 1,129,330
Incurred claims (including IBNR)	11,905,933	9,998,100
Claim payments	(12,087,978)	(10,207,385)
Unpaid claims, end of year	<u>\$ 738,000</u>	<u>\$ 920,045</u>

B. Contingent Liabilities

The City is party to several legal actions arising in the ordinary course of business. In the opinion of the City's legal counsel and management, the City has adequate legal defense and/or insurance coverage regarding each of these actions and is not aware of any pending litigation with a material impact.

C. Deferred Compensation Plan - 457(b) Plan

The City offers its employees a deferred compensation plan (the "Plan") created in accordance with Internal Revenue Code Section 457. The Plan is administered by Public Agency Retirement System. In 1998, the City implemented the requirements of GASB No. 32, *Accounting and Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans*. In accordance with this statement and tax law, the City has amended its trust agreements which establish that all assets and income of the trust are for the exclusive benefit of eligible employees and their beneficiaries. Due to the implementation of these changes, the City does not have any fiduciary responsibility or administrative duties relating to the deferred compensation plan other than remitting employees' contributions to the trustees. Accordingly, the City has not presented the assets and liabilities of the Plan in these basic financial statements.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS (continued)

D. Defined Benefit Pension Plan

Plan Description

The City of North Richland Hills participates as one of over 920 plans in the defined benefit cash-balance plan administered by the Texas Municipal Retirement System (TMRS). TMRS is a statewide public retirement plan created by the State of Texas and administered in accordance with the TMRS Act, Subtitle G, Title 8, Texas Government Code (the TMRS Act) as an agent multiple-employer retirement system for employees of Texas participating cities. The TMRS Act places the general administration and management of TMRS with a six-member, Governor-appointed Board of Trustees; however, TMRS is not fiscally dependent on the State of Texas. TMRS issues a publicly available Annual Comprehensive Financial Report (Annual Report) that can be obtained at tmrs.com.

All eligible employees of the city are required to participate in TMRS.

Benefits Provided

TMRS provides retirement, disability, and death benefits. Benefit provisions are adopted by the governing body of the City, within the options available in the state statutes governing TMRS.

At retirement, the Member's benefit is calculated based on the sum of the Member's contributions, with interest, and the city-financed monetary credits with interest. The retiring Member may select one of seven monthly benefit payment options. Members may also choose to receive a portion of their benefit as a lump sum distribution in an amount equal to 12, 24 or 36 monthly payments, which cannot exceed 75% of the total Member contributions and interest.

Benefits depend upon the sum of the employees' contributions to the plan, with interest, and the City-financed monetary credits, with interest. At the date the plan began, the City granted monetary credits for service rendered before the plan began of a theoretical amount equal to two times what would have been contributed by the employee, with interest, prior to establishment of the plan. Monetary credits for service since the plan began are a percent (100%, 150% and 200%) of the employee's accumulated contributions. In addition, the City can grant, as often as annually, another type of monetary credit referred to as an updated service credit. An updated service credit is a theoretical amount which, when added to the employee's accumulated contributions and the monetary credits for service since the plan began, would be the total monetary credits and employee contributions accumulated with interest if the current employee contribution rate and City matching percent had always been in existence and if the employee's salary had always been the average of his salary in the last three years that are one year before the effective date.

Members can retire at ages 60 and above with 5 or more years of service or with 20 years of service regardless of age. A member is vested after 5 years. The plan provisions are adopted by the City Council, within the options available in the state statutes governing TMRS and within the actuarial constraints also in the statutes. Plan provisions for the City were as follows:

Employee deposit rate	7%
Matching ratio (City to employee)	2 to 1
Years required for vesting	5
Service retirement eligibility	20 years to any age, or 5 years at a 60 and above
Updated service credit	100% repeating, transfers
Annuity increase to retirees	70% of CPI, repeating

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS (continued)

Employees Covered by Benefit Terms

At the December 31, 2022, valuation and measurement date, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	456
Inactive employees entitled to but not yet receiving benefits	372
Active employees	554
	<u>1,382</u>

Contributions

Member contribution rates in TMRS are either 5%, 6% or 7% of the Member's total compensation, and the City matching percentages are either 100%, 150% or 200%, both as adopted by the governing body of the City. Under the state law governing TMRS, the contribution rate for each City is determined annually by the actuary, using the Entry Age Normal (EAN) actuarial cost method. The City's contribution rate is based on the liabilities created from the benefit plan options selected by the city and any changes in benefits or actual experience over time.

Employees for the City were required to contribute 7% of their annual compensation earnings during the fiscal year. The contribution rates for the City of North Richland Hills were 16.81% and 17.19% in calendar years 2022 and 2023, respectively. The City's contributions to TMRS for the year ended September 30, 2023 were \$7,447,454, and were equal to the required contributions.

Net Pension Liability

The City's Net Pension Liability (NPL) was measured as of December 31, 2022, and the Total Pension Liability (TPL) used to calculate the Net Pension Liability was determined by an actuarial valuation as of that date.

Actuarial assumptions:

The Total Pension Liability in the December 31, 2022 actuarial valuation was determined using the following actuarial assumptions:

Inflation	2.50%
Overall payroll growth	2.75% per year, adjusted down for population declines, if any
Investment Rate of Return	6.75%, net of pension plan investment expense, including inflation

Salary increases are based on a service-related table. Mortality rates for active members are based on the PUB(10) mortality tables with the Public Safety table used for males and the General Employee table used for females. Mortality rates for healthy retirees and beneficiaries are based on the Gender-distinct 2019 Municipal Retirees of Texas mortality tables. The rates for actives, healthy retirees and beneficiaries are projected on a fully generational basis by Scale UMP to account for future mortality improvements. For disabled annuitants, the same mortality tables for healthy retirees are used with a 4- year set-forward for males and a 3-year set-forward for females. In addition, a 3.5% and 3.0% minimum mortality rate is applied, for males and females respectively, to reflect the impairment for younger members who become disabled. The rates are projected on a fully generational basis by Scale UMP to account for future mortality improvements subject to the floor.

The actuarial assumptions were developed primarily from the actuarial investigation of the experience of TMRS over the four-year period from December 31, 2014 to December 31, 2018. The assumptions were adopted in 2019 and first used in the December 31, 2019, actuarial valuation. The post-retirement mortality assumption for Annuity Purchase Rates (APRs) is based on the Mortality Experience Investigation Study covering 2009 through 2011 and dated December 31, 2013. Plan assets are managed on a total return basis with an emphasis on both capital appreciation as well as the production of income to satisfy the shortterm and long-term funding needs of TMRS.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS (continued)

The long-term expected rate of return on pension plan investment was determined using a building-block method in which best estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. In determining their best estimate of a recommended investment return assumption under the various alternative asset allocation portfolios, GRS focused on the area between (1) arithmetic mean (aggressive) without an adjustment for time (conservative) and (2) the geometric mean (conservative) with an adjustment for time (aggressive). The target allocation and best estimates of real rates of return for each major asset class in fiscal year 2023 are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return (Arithmetic)
Global Equities	35.0%	7.70%
Core Fixed Income	6.0%	4.90%
Non-Core Fixed Income	20.0%	8.70%
Other Public and Private Markets	12.0%	8.10%
Real Estate	12.0%	5.80%
Hedge Funds	5.0%	6.90%
Private Equity	10.0%	11.80%
Total	100.0%	

Discount Rate

The discount rate used to measure the Total Pension Liability was 6.75%. The projection of cash flows used to determine the discount rate assumed that Member and employer contributions will be made at the rates specified in statute. Based on that assumption, the pension plan's Fiduciary Net Position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the Total Pension Liability.

Basis of Allocation

Pension items are allocated between governmental activities and business-type activities on the basis of employee payroll funding. For the year ended September 30, 2023, those percentages were 83% and 17%, respectively, which approximated the prior year's allocations.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS (continued)

Changes in Net Pension Liability

	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (a)-(b)
Balance at October 1, 2022	\$ 302,254,696	\$ 298,033,983	\$ 4,220,713
Changes for the year:

Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following presents the Net Pension Liability of the City, calculated using the discount rate of 6.75%, as well as what the City's Net Pension Liability would be if it were calculated using a discount rate that is 1 percentage point lower (5.75%) or 1 percentage point higher (7.75%) than the current rate:

	1% Decrease in Discount Rate (5.75)%	Discount Rate (6.75)%	1% Increase in Discount Rate (7.75)%
City's Net Pension Liability	\$ 90,195,582	\$ 45,544,116	\$ 8,902,996

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's Fiduciary Net Position is available in the Schedule of Changes in Fiduciary Net Position, by Participating City. That report may be obtained at tmrs.com.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS (continued)

Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

For the year ended September 30, 2023, the City recognized pension expense of \$11,385,806.

At September 30, 2023, the City reported deferred outflows of resources and deferred inflows of resources related to pension from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Net difference between projected and actual investment earnings	\$ 18,768,893	\$ -
Difference in assumption changes	44,717	-
Difference between expected and actual experience	3,404,180	20,139
Contributions subsequent to the measurement date	<u>5,704,280</u>	<u>-</u>
	<u>\$ 27,922,070</u>	<u>\$ 20,139</u>

\$5,704,280 reported as deferred outflows of resources related to pension resulting from contributions subsequent to the measurement date will be recognized as a reduction of the Net Pension Liability for the year ending September 30, 2024. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Fiscal Year	<u>Amount</u>
2024	\$ 2,139,573
2025	5,838,005
2026	5,756,074
2027	8,463,999
	<u>\$ 22,197,651</u>

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS (continued)

E. Other Postemployment Benefit (OPEB) Plan

Plan Description

The City offers retired employees and their dependents the option to retain health and dental insurance coverage under the City's plan through a single employer defined benefit OPEB plan administered by the City of North Richland Hills Post-Retirement Health Care Plan Trust. Public Agency Retirement Services (PARS) is the Trust Administrator. The governing body of the Trust is composed of a coalition of member public agencies. Each member public agency appoints its individual plan administrator to serve as a member of the governing body. Certain provisions of the Trust may be changed by a two-thirds vote of the members of the governing body. The City does not have a stand-alone financial report for the retiree health plan. A more detailed description of the plan is as follows:

Eligibility

Full-time employees of the City who meet the City's requirements are eligible to participate in the retiree health care plan. Upon terminating from active service, employees must have separated in "good standing", be eligible to retire under the Texas Municipal Retirement System (age 60 with 5 years of service or 20 years of service at any age) with the declared intent to begin to receive an annuity check from TMRS, and must have been covered under the City's health plan on the retiree's last day of active employment. Reduced premium rates for medical and dental coverage are offered to eligible retirees that have attained age 55 at retirement and meet one of the following plan rules:

Plan Rule	Multiplier
90 Plan	1.00
85 Plan	1.25
80 Plan	1.50
Access Plan	1.75

To be eligible for the 90 Plan, 85 Plan or 80 Plan, retirees must have attained the applicable combined number of years of service plus age at time of retirement. To be eligible for the Access Plan, retirees must have attained age 60 with at least 10 years of service. Service requirements are based on continuous service with the City of North Richland Hills.

Benefits Provided

Pre-65 medical premiums for 90 Plan retirees will be set to 20% of the total cost. Dental premiums for 90 Plan retirees are also reduced. For retirees that meet one of the other Plan Rules, applicable multiplier is applied to the premium rates for 90 Plan retirees. Medical coverage through the City's pre-65 health plan ceases when retirees/spouses become eligible for Medicare benefits. Vision benefits are available to retirees through a fully insured plan in which retirees pay 100% of the vision premiums. The City does not provide life insurance coverage for retirees or their dependents.

A measurement date of December 31, 2022, was used for the September 30, 2023, liability and expense. The information that follows was determined as of a valuation date of December 31, 2021:

Retirees and beneficiaries	182
Inactive, nonretired members	-
Active members	544
Total	726

The contribution requirements of plan members and the City are established and may be amended by the City Council members. The required contribution is based on projected pay-as-you-go financing requirements, with an additional amount to prefund. For measurement year ended December 31, 2022, the City's contributions to the plan were \$949,944, which consist of a trust contribution of \$100,000 and benefit payments for health insurance of \$849,944.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS (continued)

Net OPEB Liability

The City's net OPEB liability was measured as of December 31, 2022 and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of December 31, 2021.

Actuarial Assumptions

The total OPEB liability in the actuarial valuation was based on an actuarial valuation performed as of December 31, 2021. The following are the significant actuarial methods and assumptions:

Actuarial Valuation Date: December 31, 2021

Methods and Assumptions:

Actuarial Cost Method	Individual Entry-Age Normal
Single Discount Rate	4.37% as of December 31, 2022 (2.45% in prior year)
Inflation	2.50%
Salary Increases	3.50% to 11.50%, including inflation
Demographic Assumptions	Based on the experience study covering the four-year period ending December 31, 2018 as conducted for the Texas Municipal Retirement System (TMRS).
Mortality	For healthy retirees, the gender-distinct 2019 Municipal Retirees of Texas mortality tables are used. The rates are projected on a fully generational basis using the ultimate mortality improvement rates in the MP tables to account for future mortality improvements.
Health Care Trend Rates	Initial rate of 7.00% declining to an ultimate rate of 4.15% after 13 years.
Participation Rates	85% for retirees meeting eligibility requirements for the 90 Plan; 75% for retirees meeting eligibility requirements for the 85 Plan; 60% for retirees meeting eligibility requirements for the 80 Plan; 60% for retirees meeting eligibility requirements for the Access Plan; 0% for retirees who are not eligible for any of the Plan Rules.

Notes: The Single Discount Rate changed from 2.45% as of December 31, 2021 to 4.37% as of December 31, 2022.

Discount Rate

Projected benefit payments are required to be discounted to their actuarial present values using a Single Discount Rate that reflects (1) a long-term expected rate of return on OPEB plan investments (to the extent that the plan's fiduciary net position is projected to be sufficient to pay benefits), and (2) tax-exempt municipal bond rate based on an index of 20-year general obligation bonds with an average AA credit rating as of the measurement date (to the extent that the contributions for use with the long-term expected rate of return are not met).

For the purpose of this valuation, the expected rate of return on OPEB plan investments is 6.00%; the municipal bond rate is 4.05% (based on the daily rate closest to but not later than the measurement date of the Fidelity "20-Year Municipal GO AA Index"); and the resulting Single Discount Rate is 4.37%.

Basis of Allocation

OPEB items are allocated between governmental activities and business-type activities on the basis of employee payroll funding. For the year ended September 30, 2023, those percentages were 90% and 10%, respectively, which approximated the prior year's allocations.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS (continued)

Changes in Net OPEB Liability

	Total OPEB Liability (a)	Plan Fiduciary Net Position (b)	Net OPEB Liability (a)-(b)
Balance at December 31, 2021	\$ 35,622,662	\$ 2,987,507	\$ 32,635,155
Service cost	1,313,361	-	1,313,361
Interest	878,432	-	878,432
Changes of benefit terms	2,619,863	-	2,619,863
Difference between expected and actual experience	(1,131,561)	-	(1,131,561)
Changes of assumptions	(6,402,288)	-	(6,402,288)
Contributions - employer	-	949,944	(949,944)
Net investment income	-	(436,311)	436,311
Benefit payments, including refunds of employee contributions	(849,944)	(849,944)	-
Administrative expense	-	(15,956)	15,956
Net changes	(3,572,137)	(352,267)	(3,219,870)
Balance at December 31, 2022	\$ 32,050,525	\$ 2,635,240	\$ 29,415,285

Changes of benefit terms reflect an expansion of the definition of years of service as it pertains to eligibility of benefits. Changes of assumptions reflect a change in the Single Discount Rate from 2.45% as of December 31, 2021 to 4.37% as of December 31, 2022.

Consistent with the requirements of GASB Statements No. 74 and No. 75, employer contributions include "amounts for OPEB as the benefits come due that will not be reimbursed to the employer using OPEB plan assets." The employer contributions of \$949,944 consists of a trust contribution of \$100,000 and benefit payments of \$849,944, which were paid by the City using its own assets.

Sensitivity of the Net OPEB Liability to Changes in the Discount Rate

The following schedule presents the net OPEB liability of the City, calculated using the discount rate of 4.37%, as well as what the City's net OPEB liability would be if it were calculate using a discount rate that is 1 percentage point lower or 1 percentage point higher than the current rate:

	1% Decrease in Discount Rate (3.37)%	Discount Rate (4.37)%	1% Increase in Discount Rate (5.37)%
City's Net OPEB Liability	\$ 32,536,813	\$ 29,415,285	\$ 26,687,911

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS (continued)

Sensitivity of the Net OPEB Liability to Changes in the Healthcare Cost Trend Rate

The following presents the net OPEB liability of the City, calculated using the healthcare cost trend rate, as well as what the City's net OPEB liability would be if it were calculate using a trend rate that is 1 percentage point lower or 1 percentage point higher:

	1% Decrease	Current Healthcare Cost Trend Rate	1% Increase
City's Net OPEB Liability	\$ 25,960,266	\$ 29,415,285	\$ 33,575,312

OPEB Plan Fiduciary Net Position

Detailed information about the OPEB's plan Fiduciary Net Position is available in the basic financial statements section of the City of North Richland Hills Annual comprehensive financial report for the year-ended September 30, 2023. The plan's Fiduciary Net Position as a percentage of Total OPEB Liability was 8.22% at September 30, 2023.

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended September 30, 2023, the City recognized an OPEB expense of \$2,113,049.

At September 30, 2023, the City reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference in assumption changes	\$ 2,218,189	\$ 6,085,620
Difference between expected and actual experience	336,837	9,500,159
Contributions subsequent to the measurement date	1,095,131	-
	<u>\$ 3,650,157</u>	<u>\$ 15,585,779</u>

\$1,095,131 reported as deferred outflows of resources related to OPEB resulting from contributions subsequent to the measurement date will be recognized as a reduction of the net OPEB liability for the year ending September 30, 2024. Other amounts reported as deferred outflows and inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Fiscal Year Ended September 30,	Amount
2024	\$ (2,573,078)
2025	(2,567,081)
2026	(2,485,603)
2027	(1,876,559)
2028	(1,348,741)
Thereafter	(2,179,691)
	<u>\$ (13,030,753)</u>

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO BASIC FINANCIAL STATEMENTS (continued)

F. Tax Incentive Rebates

The City of North Richland Hills currently has one (1) active Commercial Development and Job-Related Incentive Rebates that develop or redevelop a particular property attracting business that generates incremental tax revenues. The agreement is subject to Chapter 380 of the Texas Local Government Code that promotes local economic development, commercial activity and business stimulation. City Council approves the agreements via resolution. As part of the agreement, the City agrees to rebate the ad valorem tax increment and the local sales tax after confirmation of payment. If the businesses do not meet the obligations as set forth in the agreement, a claw-back provision for default on agreement is included in the agreement and agrees to return a percentage of the rebate back to the City. Total rebate of taxes for fiscal year 2023 was \$127,975.

G. Restatement of Prior Year Financial Statements

An error correction was made to the governmental activities due to the City not properly recording unearned revenue in the prior year in connection with resources that had been received, but not yet earned, primarily related to grant dollars received in advance of incurring eligible expenditures. The following financial statement line items for the year ended September 30, 2023, were affected by the error correction:

	<u>Government-Wide</u> <u>Governmental</u> <u>Activities</u>
Net Position, Beginning of Year, as Previously Reported	\$ 299,256,766
Correction of Error Unearned revenue	<u>(10,667,681)</u>
Net Position, Beginning of Year, as Restated	<u><u>\$ 288,589,085</u></u>

The correction of error above had the following impact on change in prior year net position as follows: decrease in change in net position by approximately \$10,667,700 for governmental activities.

H. Subsequent Events

In October 2023, the City issued \$5,815,000 of Series 2023A General Obligation bonds. Proceeds from the sale of the bonds will be used for (i) constructing, renovating, equipping, and improving various City streets, roads, and intersections, and related curb, gutter, sidewalk, trail, drainage and utility infrastructure improvements, and the acquisition of land, easements, right-of-ways, and other real property interests necessary therefor or incidental thereto, and (ii) professional services rendered in relation to such projects and the financing thereof.

Required Supplementary Information

Progress continued this year on North Richland Hills' \$49 million Street Bond Program, which was approved by voters in 2020 to reconstruct 27 of our city streets.

Residential street reconstruction projects completed in 2023 included Meadow Oak Drive, Pearl Street, Southampton Drive, Dawn Drive, Stonybrooke Drive, Nob Hill Drive.

Major Streets under construction in 2023 included Iron Horse Boulevard East, Iron Horse Boulevard West, and Bedford Euless Road.

128 streets were improved through the Preventive Street Maintenance Program, including asphalt overlays on 21 streets and slurry seals on 42 streets. New traffic signals were installed on two intersection to improve safety and traffic signal timing improvements were made along two major throughfares to improve safety and traffic flow.

Covered payroll	\$ 43,553,577	\$ 39,820,111	\$ 38,194,320	\$ 38,791,732	\$ 36,587,770	\$ 35,403,126	\$ 34,086,933	\$ 33,017,098	\$ 32,471,592
Contributions as a percentage of covered payroll	17.10%	16.77%	16.71%	16.29%	16.14%	16.18%	16.31%	16.41%	17.03%

Valuation Date: Actuarially determined contribution rates are calculated as of December 31, and become effective in January 13 months later.

Methods and Assumptions Used to Determine Contribution Rate:

Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Percentage of Payroll, Closed
Remaining Amortization Period	22 Years (logest amortization ladder)
Asset Valuation Method	10 Year Smoothed Market; 12% soft corridor
Inflation	2.50%
Salary Increases	3.50% to 11.50% including inflation
Investment Rate of Return	6.75%
Retirement Age	Experience-based table of rates that are specific to the City's plan of benefits. Last updated for the 2019 valuation pursuant to an experience study of the period 2014 - 2018.
Mortality	Post-retirement: 2019 Municipal Retirees of Texas Mortality Tables. The rates are projected on a fully generational basis with scale UMP. Pre-retirement: PUB (10) mortality tables, with Public Safety table used for males and the General Employee table used for females. Rates projected on fully generational basis with scale UMP.

Other Information: There were no benefit changes during the year.

The information in this schedule has been determined as of the measurement date (December 31) of the City's net pension liability and is intended to show information for 10 years. However, until a full 10-year trend is compiled in accordance with the provisions of GASB 68, only periods of which such information is available are presented.

Plan Fiduciary Net Position as a Percentage of						
Total OPEB Liability	8.22%	8.39%	6.91%	6.27%	4.29%	4.17%
Covered Payroll	\$ 40,672,177	\$ 38,724,529	\$ 37,217,597	\$ 37,205,602	\$ 34,555,433	\$ 33,455,733
Net OPEB Liability as a Percentage of						
Covered Payroll	72.32%	84.28%	96.16%	90.63%	118.66%	125.40%

Changes of assumptions reflect a change in the Single Discount Rate from 2.45% as of December 31, 2021 to 4.37% as of December 31, 2022. The following are the discount rates used in each of the periods:

2022	4.37%
2021	2.45%
2020	2.62%
2019	3.28%
2018	4.08%
2017	3.71%

Changes of benefit terms reflect an expansion of the definition of years of service as it pertains to eligibility for benefits. The long-term expected rate of investment return was lowered from 6.25% to 6.00% in plan year 2021.

The demographic assumptions were updated to reflect the 2019 TMRS Experience Study, and the health care trend rates were updated to better reflect the plan's anticipated experience and the repeal of the "Cadillac Tax."

Consistent with the requirements of GASB Statement No. 74, the employer contributions include "amounts for OPEB as the benefits come due that will not be reimbursed to the employer using OPEB plan assets." The employer contributions shown above include trust contributions of \$100,000 and benefit payments of \$849,944, which were paid by the City using its own assets.

CITY OF NORTH RICHLAND HILLS, TEXAS
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
For the Year Ended September 30, 2023

Note A - Budgetary Information

The City Council adopts an annual legal budget, which covers the Governmental Funds, Enterprise and Internal Service Funds, with the exception of the Economic Development Fund. All appropriations lapse at fiscal year-end (September 30th) with the exception of capital projects, which carry forward to completion of the project. The budgets for Governmental Funds are prepared on the budget basis, which differs from the modified accrual basis of accounting. Enterprise and Internal Service Funds are prepared on the budget basis and differ from the accounting basis by recognizing debt principal payments, capital outlays as expenditures, and compensated absences as payments come due. Additionally, depreciation is not included as a budgetary expense. The City Manager will submit the proposed budget to City Council in July and prior to adoption will hold the required public hearings for the proposed budget and proposed tax rate. After the public hearings are held, the City Council will adopt the proposed budget and proposed tax rate through ordinance. The proposed budget becomes effective on October 1st of that calendar year and runs through September 30th of the following calendar year.

The appropriated budget is prepared by fund, department, and division. The City Manager is authorized to make inter-departmental and inter-fund transfers during the fiscal year as deemed necessary in order to avoid over-expenditure of particular accounts. After the budget is adopted, the City Manager is not allowed to authorize any expenditure that exceeds total funds in the overall budget without amending the budget through City Council action. A summary of changes in the adopted operating budget follows.

CITY OF NORTH RICHLAND HILLS, TEXAS

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION (continued)

For the Year Ended September 30, 2023

Note A - Budgetary Information (continued)

Legally Adopted Fund	Original	Final	Increase (Decrease)	Explanation
General Fund	\$ 57,947,278	\$ 60,710,175	\$ 2,762,897	The majority of the change was due to an increase to the Planned Contribution to Fund Balance in the amount +\$1,957,987. The remainder of the change resulted from the following: +\$656,981 for Police and Fire (Public Safety); +\$485,643 increase in revisions to budget as requested by various departments. Offset by a reduction to General Fund Operational Transfers of -\$337,714 driven primarily by eliminating a transfer to the Debt Service fund that was no longer needed.
General Debt	14,457,762	14,469,447	11,685	There was an increase of +\$11,685 in revisions to budget for Paying Agent Fees for the fiscal year.
Parks and Recreation	10,742,547	12,080,687	1,338,140	There was an increase of \$408,860 in revisions to budget as requested by the department. +\$70,000 increase in capital project expenses. +\$18,120 increase to the transfer to Economic Development in direct proportion to its share of the revised Sales Tax estimated for fiscal year 2023. +\$841,160 increase to the Planned Contribution to Reserves.
Promotional	304,278	325,377	21,099	There was an increase of +\$6,000 in revisions to budget as requested by the department plus a +\$15,099 increase to the Planned Contribution to Reserves.

NRH

Other Supplementary Information

The NRH Centre is North Richland Hills premier fitness, aquatics and activity center and is designed to be the Centre of your active, healthy and connected world. As Tarrant County's first LEED certified recreation center, the NRH Centre is built and operated using sustainable features to minimize its impact on the environment. The Centre includes indoor aquatics, fitness, gymnasium, a senior center, and the Grand Hall for events.

NON-MAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

The Promotional Fund accounts for the operations and expenditures for which hotel/motel occupancy taxes are used. Occupancy tax revenues are primarily to attract tourist and new businesses to the City.

The Donations Fund holds funds contributed (donated) to the City for special projects earmarked by requests or nonrecurring expenditures. It primarily collects and holds funds that are voluntarily given by the citizens via adding \$1.50 to their water utility billing which is then distributed to support the activities of the library and neighborhood services departments.

The Special Investigations Fund is mandated by state statute to account for various legal seizure and forfeiture deposits and expenditures.

The Drainage Utility Fund accounts for the establishment of drainage facilities within the municipal boundaries of the City and the subsequent billing and collection of fees so established.

The Crime Control and Prevention District Fund accounts for the accumulation and use of half-cent sales tax proceeds dedicated for crime prevention and reduction programs.

The Economic Development Fund accounts for the accumulation and expenditure of resources designed to stimulate the local economy through development and redevelopment.

The Traffic Safety Fund accounts for funds collected from various red-light traffic safety cameras. These resources assist with funding of various traffic safety projects.

The Gas Development Fund accounts for the accumulation and expenditures of resources from gas drilling and exploration on City owned property.

CAPITAL PROJECTS FUND

Tax Increment Financing District #3 (TIF #3) Fund accounts for funds held for drainage improvements that alleviate flooding problems, reduce property damage associated with the flooding, and stimulate development for the benefit of citizens within TIF #3.

The City Point Development Project Fund accounts for public improvements funded by special assessment debt for the benefit of citizens within TIF #3.

DEBT SERVICE FUNDS

The City Point Development Bond Fund is used to accumulate monies for the payment of principal, interest, and related charges on the special assessment bonds of TIF #3.

The Sales Tax Revenue Debt Service Fund is used to accumulate monies for the payment of principal, interest, and related charges on sales tax revenue bonds.

NRH₂O Family Water Park is North Texas' favorite family water park, conveniently located between Dallas and Fort Worth. The park features 8 water slides, a kiddie area, a large wave pool, a large lagoon-like play area, a lazy river and is open from May through September. Since NRH₂O opened in 1995, it has consistently ranked amongst the top water parks in the nation

PROPRIETARY FUNDS

ENTERPRISE FUNDS

Utility Fund – To account for the distribution of water, transportation of wastewater, and solid waste removal services provided to the residents of the City. All activities necessary to provide such services are accounted for in the fund, including, but not limited to, administration, operations, maintenance, financing and debt service, and billing and collections. All activities of the fund are supported by the customers of the utility.

Aquatic Park Fund - To account for the operation of NRH2O, the City's public water park. All activities necessary to operate the park are accounted for in the fund, including, but not limited to, administration, park operations, park maintenance, and financing and debt service. All activities of the fund are supported by the patrons of the water park.

Golf Course Fund – To account for the operations of Iron Horse Golf Course, the City's public golf course. All activities necessary to operate the course are accounted for in the fund, including, but not limited to, administration, operations, course maintenance, and financing and debt service. The Golf Course is the only non-major proprietary fund. All activities of the fund are supported by the patrons of the golf course.

INTERNAL SERVICE FUNDS

Facility and Construction Services Fund – To account for building maintenance and repair services provided to numerous departments located at various sites throughout the City. Facility and Construction Services Fund operations are financed by charges to user departments.

Fleet Services Fund – To account for the maintenance, repair service, and replacement of vehicles and equipment provided to numerous departments responsible for the operation of City vehicles and equipment. Fleet Services Fund operations are financed by charges to user departments.

Self-Insurance Fund – To account for the payment of substantially all claims except for fire insurance coverage and employee life insurance coverage. Self-Insurance Fund operations are financed by charges to user departments and employee contributions.

Information Technology Fund – To account for the acquisition, maintenance, and support of computer and telephone hardware and software. Information Technology Fund operations are financed by charges to user departments.

Statistical Section

The NRH water and sewer utility provides services to over 21,000 residential and business customers. The water provided by the city consistently meets or exceeds all state and federal drinking water requirements. The City of North Richland Hills purchases its drinking water, as well as sewer treatment services, from the City of Fort Worth and the Trinity River Authority as a wholesale customer. The Public Works Department Utility Division is responsible for maintenance of the city's water and sewer infrastructure.

Statistical Section

Financial Trends

These schedules contain trend information to help the reader understand how the government's financial performance and well-being have changed over time.

Revenue Capacity

These schedules contain information to help the reader assess the government's most significant local revenue source, the property tax.

Debt Capacity

These schedules present information to help the reader assess the affordability of the government's current level of outstanding debt and the government's ability to issue additional debt in the future.

Demographic and Economic Information

These schedules offer demographic and economic indicators to help the reader understand the environment within which the government's financial activities take place.

Operating Information

These schedules contain service and infrastructure data to help the reader understand how the information in the government's financial report relates to the services the government provides and the activities it performs.

The Maker Spot is a 4,500 sq. ft. makerspace on the second floor of the NRH Library. The Maker Spot is a community workspace where Library cardholders can come to create, explore, collaborate and innovate. The Maker Spot, opened in 2015, was funded by a Special Projects grant from the Texas State Library and Archives and the Institute for Museum and Library Services.

¹ Includes self-supporting governmental activities debt.

² The percentage of overlapping debt applicable is estimated using taxable assessed property values. Applicable percentages were estimated by determining the portion of another governmental unit's taxable assessed value that is within the City's boundaries and dividing it by each unit's total taxable assessed value.

The North Richland Hills Parks & Recreation Facilities Development Corporation Capital Improvement Program is funded through a voter approved half-cent sales tax authorized to fund the development of parks and recreational facilities for the community. The Corporation was established following voter approval in January 1992.

Since its inception in 1992, many accomplishments have been achieved. 902 acres of park land have been acquired, offering the following parks and recreational services to our citizens:

- 20 miles of multi-use trails creating a complete network of trails throughout the City
- 7 community parks
- 13 neighborhood parks
- 9 linear parks
- Richland Tennis Center
- NRH₂O Family Water Park
- Tipps Canine Hollow Dog Park
- Davis Emerald Pocket Park
- Stormy Plaza
- NRH Senior Center
- Common Ground NRH Community Garden
- Outdoor Weather Warning Systems are active at five of the community parks and tennis center

The 7-member Board of Directors is appointed by City Council and comprised of 4 City Council members and 3 citizen members.

¹ Includes interest and fiscal agent charges.

² Bond covenant for sales tax revenue bonds mandates sufficient fund balance to cover average debt service payments unpaid. Negative coverage indicates that fund balance reserves are being used to cover debt service requirements. The City has sufficient fund balance coverage to pay all debt service due.

³ Excludes capital outlay.

The North Richland Hills City Hall opened in May 2016. The 182,000 square foot for the new facility includes about 89,000 square feet for Public Safety operations, about 78,500 square feet for City Hall and about 14,500 square feet for Municipal Court. Prior to the opening of City Hall, city services were housed in six buildings on three different campuses.

Glossary

The Smithfield TEXRail station is one of two stations in North Richland Hills offering commuter-rail service to Fort Worth and the Dallas-Fort Worth International Airport. The Iron Horse station is the second TEXRail station within the City.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

ACCOUNT

A term used to identify an individual asset, liability, expenditure control, revenue control, encumbrance control, or fund balance.

ACCOUNT PAYABLE

A short-term liability account reflecting amounts owed to private persons or organizations for goods and services received by a government.

ACCOUNT RECEIVABLE

An asset account reflecting amounts due from private persons or organizations for goods and services furnished by a government.

ACCOUNTING SYSTEM

The total set of records and procedures, which are used to record, classify, and report information on the financial status and operations of an entity.

ACCRUAL ACCOUNTING

A basis of accounting in which revenues are recognized in the period in which they are earned and become measurable, and expenses are recognized in the period incurred instead of when cash is actually received or spent.

ACCRUED INTEREST

Interest that has been earned and recorded, but has not been received.

ACFR

ACFR is an acronym for **Annual comprehensive financial report**. (See also *ANNUAL COMPREHENSIVE FINANCIAL REPORT*.)

ACTUARIAL

Relating to actuaries or their work of compiling and analyzing statistical calculations to assess risk in insurance, finance and other industries and professions.

AD VALOREM TAX (See also *PROPERTY TAX*.)

A tax based on value of land and improvements (property tax).

AGENDA

A formal listing of items to be discussed during a public meeting. Agendas for public meetings are posted 72 hours in advance, in compliance with the Open Meetings Act.

AMORTIZE

To amortize is to allocate the cost of an intangible asset over a period of time.

ANNUITY

A fixed sum of money paid to someone each year, typically for the rest of their life.

ANNUAL COMPREHENSIVE FINANCIAL REPORT

Annual comprehensive financial report (ACFR) is a set of U.S. government financial statements comprising the financial report of a state, municipal or other governmental entity that complies with the accounting requirements promulgated by the Governmental Accounting Standards Board.

APPROPRIATION

An authorization granted by City Council to make expenditures and to incur obligations for specific purpose. Usually limited in amount and as to the time when it may be expended.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

ARBITRAGE

With respect to the issuance of municipal securities, arbitrage usually refers to the difference between the interest paid on tax-exempt bonds and the interest earned by investing the proceeds of the bonds in higher-yielding taxable securities. Federal income tax laws generally restrict the ability to earn positive arbitrage in connection with tax-exempt bonds.

ASSESSED VALUATION

A valuation set upon real estate or other property by government as a basis for levying taxes. (See also *TAXABLE VALUE*.)

ASSETS

Property owned by a government, which has economic value.

AUDIT

In general, an official inspection of an individual's or organization's accounts by an independent body. The City's charter requires an annual audit of the books of accounts, financial records, and transactions of all administrative departments of the City by an independent certified public accountant. In practice, that means the City contracts with an independent certified public accountant to audit the year-end financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City and the related notes to the financial statements, which collectively comprise the City's basic financial statements.

AUDIT COMMITTEE

The Audit Committee is responsible for recommending to the City Council an independent auditor as needed, reviewing the audit of the City's basic financial statements prior to submission to the City Council, and assisting the independent auditor and city staff with the presentation of the audit to the City Council. The Audit Committee is composed of members of the City Council as well as the City Manager and the City's Director of Finance.

BALANCE SHEET

A statement purporting to present the financial position of an entity by disclosing the value of its assets, deferred outflows of resources, liabilities, deferred inflows of resources, and equities as of a specified date.

BALANCED BUDGET

A budget in which total recurring expenditures for any fiscal year do not exceed total recurring revenues for that same fiscal year.

BASE LEVEL SERVICES

Funding required to meet current service level.

BASIC FINANCIAL STATEMENTS

The basic financial statements are comprised of the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City and the related notes to the financial statements, and are subjected to an annual audit by an independent certified public accountant. The basic financial statements are included in the Annual comprehensive financial report along with unaudited information, including introductory information, required supplementary information, and statistical information.

BASIS OF ACCOUNTING

Refers to when revenues and expenditures are recognized in the accounts and reported in the financial records of the City, regardless of the measurement focus applied. Accounting records for governmental fund types are maintained on a modified accrual basis of accounting, with revenue being recorded when available and measurable, and expenditures being recorded when services or goods are received and the liabilities are incurred.

BASIS OF BUDGETING (See also *MODIFIED ACCRUAL*.)

The City's basis for budgeting is the modified accrual basis for governmental funds, including the General Fund. Budgeting for proprietary funds, which includes the Enterprise Fund, is essentially on the full accrual basis. Encumbrances are recognized by both governmental and proprietary funds since encumbrances represent a commitment of funding for goods and services.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

BEGINNING BALANCE

The residual non-restricted funds brought forward from the previous fiscal year (ending balance).

BONDS

Debt instruments that require repayment of a specified principal amount on a certain date (maturity date), together with interest at a stated rate or formula for determining the interest rate.

BOND DEBT

That portion of indebtedness represented by outstanding bonds.

BOND PROPOSITION

A recommendation to issue debt and a proposal as to the best use of the bonds.

BUDGET

A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. The term is also sometime used to denote the officially approved expenditure ceiling under which a government and its departments operate.

BUDGET AMENDMENT

A revision of the adopted budget that, when approved, replaces the original provision and increases or decreases the budget appropriation.

BUDGET CALENDAR

The schedule of key dates that a government follows in preparation and adoption of the budget.

BUDGET ENHANCEMENT

A request to enhance current service level beyond current funding.

BUDGET ORDINANCE

Governmental action which appropriates revenues and fund balances for specified purposes, functions, or activities for a budget period.

BUDGET PERIOD

The period for which a budget is proposed or a budget ordinance is adopted.

BUDGETARY CONTROL

The control or management of a government or enterprise in accordance with an approved budget to keep expenditures within limitations of available appropriation and available revenues.

BUDGETED FUNDS

Funds for which annual budgets are legally adopted, as opposed to non-budgeted funds for which annual budgets are not legally adopted. Budgeted funds are typically supported by tax revenues, charges for services, fees, fines, and/or penalties, while non-budgeted funds are typically supported by transfers from other funds, grant revenue, donations, or regulated fees such as municipal court fees.

BUSINESS-TYPE ACTIVITIES

Business-type activities include any activity engaged in the primary purpose of making a profit. Business-type activities are financed in whole or in part by fees charged to external users for goods or services and are generally reported in Enterprise Funds.

CAPITAL IMPROVEMENT

The addition of a permanent structural change or the restoration of some aspect of a property that will either enhance the property's overall value, increase its useful life or adapt it to new uses.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

CAPITAL IMPROVEMENT PLAN

A comprehensive plan that projects the capital needs of a community. Generally, it is a cyclical process that estimates the needs for a set number of years. Capital Improvements Plans are essential for sound infrastructure and financial planning.

CAPITAL ASSET

An item costing more than \$10,000 and having a useful life of more than four years.

CAPITAL EXPENDITURE

Also called a CAPITAL OUTLAY — An expenditure to acquire a capital asset.

CAPITAL PROJECTS FUND

Is used to account for the expenditures of resources accumulated from the sale of bonds and related interest earnings for capital improvement projects.

CASH BASIS

A method of accounting in which revenues and expenses are recognized and recorded when received, not necessarily when earned.

CASH EQUIVALENTS

Cash equivalents are investments securities that are for short-term investing, and they have high credit quality and are highly liquid. Cash equivalents, also known as "cash and equivalents," are one of the three main asset classes, along with stocks and bonds. These securities have a low-risk, low-return profile and include U.S. government Treasury bills, bank certificates of deposit, bankers' acceptances, corporate commercial paper and other money market instruments.

CHART OF ACCOUNTS

The classification system used by the City to organize the accounting for various funds.

CHARTER

A written instrument setting forth principles and laws of government within boundaries of the City.

CIP

CIP is an acronym for **Capital Improvement Plan**. (See also *CAPITAL IMPROVEMENT PLAN*.)

CITY COUNCIL

The legislative body that governs the City.

CITY COUNCIL PRIORITIES

A five-year planning horizon focusing on safety, infrastructure and facilities, residential and recreational, budget and finance, and commercial redevelopment.

CITY MANAGER

An appointed official who directs the administration of the City.

CITIZEN

An inhabitant of the City.

COMPREHENSIVE PLAN

A Comprehensive Plan is to anticipate and guide future development trends in a manner that will provide a community with a balanced use of land that promotes a superior quality of life.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

CONSUMER PRICE INDEX

The Consumer Price Index (CPI) is a measure that examines the weighted average of prices of a basket of consumer goods and services, such as transportation, food and medical care. It is calculated by taking price changes for each item in the predetermined basket of goods and averaging them. Changes in the CPI are used to assess price changes associated with the cost of living; the CPI is one of the most frequently used statistics for identifying periods of inflation or deflation. The CPI is calculated by the U.S. Bureau of Labor Statistics.

CONTINGENCY

Funds set aside in a reserve account for major expenditures or for emergencies.

COUNTERPARTY

A counterparty is the other party that participates in a financial transaction, and every transaction must have a counterparty for the transaction to go through.

CPI

CPI is an acronym for **Consumer Price Index**. (See also *CONSUMER PRICE INDEX*.)

CREDIT RISK

Credit risk is the probable risk of loss resulting from a borrower's failure to repay a loan or meet contractual obligations.

CURRENT ASSETS

Cash and other assets expected to be converted to cash, sold, or consumed within in a year or in the operating cycle.

CURRENT FINANCIAL RESOURCES MEASUREMENT

Current financial resources measurement focus is where the financial statements report the near-term (current) inflows, outflows, and balances of expendable financial resources. The current financial resources measurement focus is unique to accounting and financial reporting for state and local governments and is used solely for reporting the financial position and results of operation of governmental funds.

CURRENT LIABILITIES

Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed, or refunded within one year.

CUSTODIAL CREDIT RISK

In the case of deposits, this is the risk that the event of a bank failure, the City's deposits may not be returned to it. For an investment, this is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities that in the position of an outside party.

DEBT SERVICE

The amount of money required for interest and principal payments on an outstanding debt in any given year.

DEBT SERVICE FUND

Also called a SINKING FUND - A fund established to account for the accumulation of resources for the payment of principal and interest on long term debt.

DEBT RATE

The City's property tax rate has two components, the **general rate** which generates property tax revenues used to fund operations and the **debt rate** which generates property tax revenues used to fund the repayment of debt. (See also *PROPERTY TAX RATE*.)

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

DEFERRED INFLOW OF RESOURCES

Deferred inflow of resources is an acquisition of net assets by the government that is applicable to a future reporting period.

DEFERRED OUTFLOW OF RESOURCES

Deferred outflow of resources is a consumption of net assets by the government that is applicable to a future reporting period. For example, prepaid items and deferred charges.

DEFICIT

The excess of expenditures over revenues during an accounting period; or in the case of Enterprise Funds, the excess of expense over income during an accounting period.

DELINQUENT TAXES

Taxes remaining unpaid on and after the date to which a penalty for nonpayment is attached.

DEPRECIATION

A non-cash expense that reduces the value of an asset as a result of wear and tear, deterioration, action of the physical elements, inadequacy, or obsolescence.

DIRECTOR OF FINANCE DEPARTMENT

The officer of the City that has primary responsibility for managing the City's finances, including financial planning, management of financial risks, record-keeping, and financial reporting.

DISCOUNT RATE

The interest rate you need to earn on a given amount of money today to end up with a given amount of money in the future.

EFFECTIVE TAX RATE

The tax rate required to generate the same amount of revenue as in the preceding year on the same properties.

ENCLAVE

A portion of territory within or surrounded by a larger territory.

ECONOMIC RESOURCES

Economic resources are the goods or services available to the City used to produce valuable consumer products. The classic economic resources include land, labor and capital.

ECONOMIC RESOURCES MEASUREMENT FOCUS

Economic resources measurement focus is where a set of financial statements reports all inflows, outflows, and balances affecting or reflecting an entity's net position. The economic resources measurement focus is used for proprietary and trust funds, as well as for government-wide financial reporting.

ENCUMBRANCE

Obligations in the form of purchase orders, contracts, or other commitments that are chargeable to an appropriation and for which a part of the appropriation is reserved. They cease to be encumbrances when paid or actual liability is set up, at which point they become expenditures.

ENDING BALANCE

The dollars remaining after current expenditures for operations and debt service are subtracted from the sum of the beginning fund balance and current resources. Portions of the fund balance may be reserved for various purposes, such as contingencies or encumbrances.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

ENTERPRISE FUND

A fund established to account for operations which: (a) finance and operate in a manner similar to private business enterprises-where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges, or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

EXPENDITURES

Decreases in net financial resources. They include current operating expenses that require the current or future use of net current assets, debt service, and capital outlay.

FEES

Charges for services.

FEMA

FEMA is an acronym for **Federal Emergency Management Agency**.

FIDUCIARY

A fiduciary is a person who holds a legal or ethical relationship of trust with one or more other parties (person or group of persons). Typically, a fiduciary prudently takes care of money or other assets for another person.

FINANCIAL STATEMENTS

Written records that convey the business activities and the financial performance of the City.

FISCAL FORECAST

A management tool that presents estimated information based on past, current, and projected financial conditions. This will help identify future revenue and expenditure trends that may have an immediate or long-term influence on government policies, strategic goals, or community services.

FISCAL YEAR

A twelve-month period of time to which the annual budget applies, and at the end of which, the City determines its financial position and results of operation. The fiscal year for the City of North Richland Hills runs from October 1 to September 30 of the following year.

FIXED ASSETS

Assets of long-term character intended to continue to be held or used. Examples are land, buildings, and improvements such as machinery and equipment.

FIXED COST

Costs which do not change with increases or decreases in the amount of services provided, such as rent.

FRANCHISE

A special privilege granted by a government, permitting the continued use of public property, such as City streets, and usually involving the elements of monopoly and regulation.

FTE

FTE is an acronym for **Full-Time Equivalent**. (See also *FULL TIME EQUIVALENT*.)

FULL TIME EQUIVALENT

A unit that indicates the workload of a single full-time worker. The concept is used to convert the hours worked by part-time employees into the hours worked by full-time employees. For example, someone who works a half-day would be 0.5 full time equivalents. The City budgets authorized employment positions using full time equivalents. For example, there might be a part-time library assistant position budgeted as 0.5 FTE, which would be the equivalent of one-half of a full-time employee.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

FUND

A fiscal and accounting entity with a self-balancing set of accounts. A fund records cash and other financial resources, all related liabilities, residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

FUND BALANCE

The balance of net financial resources that is spendable or available. Portions of the fund balance may be reserved for various purposes, such as contingencies or encumbrances.

FUND BALANCE POLICY

A policy requiring a minimum fund balance to be kept in reserve. Fund balances over the policy requirements may be appropriated in the budget.

FUND FINANCIAL STATEMENTS

For governmental and proprietary funds, special and extraordinary items are reported separately at the bottom of the statement of revenues, expenditures and changes in fund balances or the statement of revenues, expenses and changes in net position, respectively.

FUNDING SOURCE

Specifically identified dollars allocated to meet budgeted requirements.

GAAP

GAAP is an acronym for **Generally Accepted Accounting Principles**. (See also *GENERALLY ACCEPTED ACCOUNTING PRINCIPLES*.)

GENERAL FIXED ASSETS

Capital assets that are not assets of any particular fund, but of the government unit as a whole. Most often these assets arise from the expenditure of the financial resources of governmental funds (as opposed to proprietary funds).

GENERAL FUND

A fund established to account for all financial resources except those required to be accounted for in another fund. Examples of General Fund departments include Parks, Facilities and Recreation, Fire Department, Library, Finance and Municipal Court, Streets and Drainage, Development Services, and Police Department.

GENERAL OBLIGATION BONDS (G.O. BONDS)

Bonds secured by the full faith and credit of the issuer. General obligation bonds issued by local units of government are secured by a pledge of the issuer's ad valorem taxing power. They are usually issued to pay for general capital improvements such as parks and streets.

GENERAL RATE

The City's property tax rate has two components, the **General Rate** which generates property tax revenues used to fund operations and the **Debt Rate** which generates property tax revenues used to fund the repayment of debt. The General Rate is sometimes referred to as the Maintenance and Operations Rate, or M&O Rate. (See also *PROPERTY TAX RATE*.)

GENERAL REVENUE

Funds acquired through business and property taxation. Monies that may be utilized for any purposes as received at the state and local levels of government.

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP)

The uniform minimum standards of, and guidelines to, financial accounting and reporting. They govern the form and content of the basic financial statements of an entity. GAAP encompass the conventions, rules, and procedures necessary to define the accepted accounting practices at a particular time. They include both broad guidelines of general application and detailed practices and procedures. GAAP provide a standard by which to measure financial presentations.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

GEOGRAPHIC INFORMATION SYSTEM

A system is designed to capture, store, manipulate, analyze, manage, and present all types of spatial or geographical data allowing one to visualize, question, analyze, and interpret data to understand relationships, patterns, and trends.

GIS

GIS is an acronym for **Geographic Information System**. (See also *GEOGRAPHIC INFORMATION SYSTEM*.)

GOVERNMENT-WIDE FINANCIAL STATEMENTS

Government-wide financial statements report information about the government as a whole without displaying individual funds or fund types.

GOVERNMENTAL ACCOUNTING

The composite activity of analyzing, recording, summarizing, reporting and interpreting the financial transactions of government.

GOVERNMENTAL ACCOUNTING STANDARD BOARD (GASB)

The governing body that sets accounting standards specifically for governmental entities at the state and local level.

GOVERNMENTAL ACTIVITIES

Governmental activities are general government activities and are financed primarily through taxes. Governmental activities generally are reported in governmental funds. All general capital assets and general long-term liabilities are part of governmental activities as well. Common examples of governmental activities include general administration, public safety, education, streets and roads, and health and sanitation.

GOVERNMENTAL FINANCE OFFICERS ASSOCIATION (GFOA)

Professional association of state/provincial and local finance officers in the United States and Canada dedicated to the sound management of government financial resources.

GOVERNMENTAL FUNDS

Funds generally used to account for tax-supported activities. There are five different types of governmental funds: general funds, special revenue funds, debt service funds, capital projects funds, and permanent funds.

GRANT

A contribution by one government unit or funding source to another unit. The contribution is usually made to aid in a specified function (for example, education), but it is sometimes also for general purposes.

HOME RULE CHARTER

Texas cities operate under two different categories of local government: 1) General Law; and Home Rule. Texas law grants General Law cities limited specific authority. Cities under 5,000 in population are required to be General Law cities. Cities over 5,000 in population can adopt a Home Rule Charter which defines the structure, power, duties, and authority of the local government. Rather than looking to state statutes to determine what they may do, as General Law cities must do, Home Rule cities look to their local charters to determine what they may do. A Home Rule city may generally take any action that is not prohibited by the Texas Constitution or statutes as long as the authority is granted in the charter of the city. Home Rule is essentially the privilege of citizens at the grass roots level to manage their own affairs with minimal interference from the State.

INCOME

A term used in proprietary fund-type accounting to represent (1) revenues or (2) the excess of revenues over expenses.

INFRASTRUCTURE

Immovable fixed assets having value only to the governmental unit. Common examples of infrastructure include roads, sidewalks, bridges, and streetlights.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

INTERGOVERNMENTAL REVENUE

Revenue received from another governmental unit for a specific purpose.

INTEREST RATE RISK

Interest rate risk is the risk that arises for bond owners from fluctuating interest rates. How much interest rate risk a bond has depends on how sensitive its price is to interest rate changes in the market. The sensitivity depends on two things, the bond's time to maturity, and the coupon rate of the bond.

INTERESTED PARTY

People or organizations who may be affected by a situation.

INTERNAL CONTROLS

Processes designed to assure achievement of an organization's objectives in operational effectiveness and efficiency, reliable financial reporting, loss prevention, and compliance with laws, regulations, and policies.

INVESTMENTS

Securities and real estate held for production of revenue in the form of interest, dividend, rental, or lease payments. The term does not include fixed assets used in governmental operations.

LEASE/PURCHASE

A financing tool utilized to fund large capital outlays where the city may not have cash immediately available for purchase. This arrangement allows the city to use the item while payments are being made.

LED

LED is an acronym for **Light Emitting Diode**. (See also *LIGHT EMITTING DIODE*.)

LETTER OF TRANSMITTAL

A cover letter from the City's Director of Finance that accompanies the annual comprehensive financial report.

LEVY

To impose taxes or special assessments. The total of taxes or special assessments imposed by a governmental unit.

LIABILITIES

Debt or other legal obligations arising out of transactions in the past, which must be liquidated, renewed, or refunded at some future date.

LIGHT EMITTING DIODE

A two-lead semiconductor light source. Light emitting diodes (LEDs) emit light through the process of electroluminescence when suitable voltage is applied. LEDs have many advantages over traditional incandescent light sources including lower energy consumption, longer lifetime, improved physical robustness, smaller size, and faster switching. LEDs are now used in applications as diverse as aviation lighting, automotive headlamps, advertising, general lighting, traffic signals, street lighting, and camera flashes.

LOCAL GOVERNMENT INVESTMENT POOL

A local government investment pool (LGIP), is a state or local government pool offered to public entities for the investment of public funds. These pools are important investments tools, offering safety with a competitive yield.

LONG-TERM DEBT

Debt with a maturity of more than one year.

LONG-TERM LIABILITIES

Long-term liabilities are financial obligations of a company that become due more than one year.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

LINE ITEM BUDGET

A budget format in which departmental outlays are grouped according to the items that will be purchased with one item or group of items on each line.

MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)

The portion of the City's Annual Comprehensive Financial Report in which management addresses the company's performance over the previous twelve months.

MAYOR

The elected head of the City.

MODIFIED ACCRUAL

City of North Richland Hills's governmental funds are budgeted using the modified accrual basis, with revenues recognized when they become measurable. Revenue is "measurable" when the amount of the transaction can be reasonably determined. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred and is expected to be liquidated within 60 days.

MUNICIPAL FACILITIES

City owned structures, mechanicals, and building systems

NET PENSION LIABILITY

The net pension liability is the difference between the total pension liability (the present value of projected benefit payments to employees based on their past service) and the assets (mostly investments reported at fair value) set aside to pay current employees, retirees, and beneficiaries

NET POSITION

Net position is the residual of all other elements presented in a statement of financial position. It is the difference between (a) assets and deferred outflows of resources and (b) liabilities and deferred inflows of resources.

NON-BUDGETED FUNDS

Funds for which an annual budget are not legally adopted, as opposed to budgeted funds for which annual budgets are legally adopted. Budgeted funds are typically supported by tax revenues, charges for services, fees, fines, and/or penalties, while non-budgeted funds are typically supported by transfers from other funds, grant revenue, donations, or regulated fees such as municipal court fees. The resources supporting non-budgeted funds are typically either transfers that were budgeted as expenditures at a budgeted fund or revenues that are restricted by third parties such as grant revenue, donations, or regulated fees.

NON-RECURRING REVENUE

One-time windfall revenue that is budgeted only for one fiscal year.

OPEB

OPEB is an acronym for Other Post-Employment Benefits. (See also *OTHER POSTEMPLOYMENT BENEFITS*.)

OPERATING BUDGET

Plans of current expenditures and the proposed means of financing them.

OPERATING REVENUE

Operating revenue is revenue generated from the City's business activities.

ORDINANCE

A formal legislative enactment by the City Council. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the boundaries of the City.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

OTHER POST-EMPLOYMENT BENEFITS (OPEB)

Other postemployment benefits (or OPEB) is a term used in the United States to describe the benefits that an employee begins to receive at the start of their retirement. These benefits do not include the pension paid to the retired employee.

OVERLAPPING DEBT

Overlapping debt refers to the financial obligations of one political jurisdiction that also falls partly on a nearby jurisdiction. Overlapping debt is common in most states because states are divided into numerous jurisdictions for different tax purposes, such as building a new public school and building a new road.

PENSION

A regular payment made during a person's retirement from an investment fund to which that person or their employer has contributed during their working life.

PLANNING AND ZONING COMMISSION

An appointed seven-member board that makes recommendations to City Council regarding the physical development of the City, including the Comprehensive Plan that serves as the basis for the City's zoning regulations. It also reviews and approves applications for subdivision plats and replats.

PROJECTION

A forecast of future trends in the operation of financial activities done through the remainder of the fiscal year to gain a better picture of the City's finances.

PROPERTY TAX

An annual or semi-annual tax paid to one or more governmental jurisdictions based on the real and personal property's assessed valuation and the tax rate, done in compliance with the State Property Tax Code.

PROPERTY TAX RATE

The rate applied to the taxable value of property to determine the property taxes due. The City's property tax rate has two components, the **general tax rate** which generates property tax revenues used to fund operations and the **debt tax rate** which generates property tax revenues used to fund the repayment of debt. Property tax rates are commonly presented as the amount of tax levied for each \$100 of assessed valuation.

PROPRIETARY FUNDS

Funds generally used to account for a government's ongoing organizations and activities that are similar to businesses found in the private sector. These funds are considered self-supporting in that the services rendered by them are generally financed through user charges or on a cost reimbursement basis. There are two types of proprietary funds: enterprise funds (used to account for any activity for which a fee is charged to external users for goods or services); and internal service funds (used to account for the provision of goods or services by one department to other departments of a governmental unit). (See *ENTERPRISE FUND*.)

PUBLIC HEARING

A public hearing may be a formal meeting for receiving testimony from the public at large on a local issue, or proposed government action. Testimony from both sides of an issue is usually recorded for public record, and a report summarizing the key points is generated.

RATINGS

Designations used by credit rating agencies to give relative indications of credit quality.

REFERENDUM

The principle or practice of referring measures proposed or passed by a legislative body, head of state, etc., to the vote of the electorate for approval or rejection (plural referenda).

REFUNDING BONDS

Bonds issued to retire bonds already outstanding.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

REPORT OF INDEPENDENT AUDITORS

The report of independent auditors, published in the annual comprehensive financial report, opines on whether the City's basic financial statements comply with generally accepted accounting principles.

REQUIRED SUPPLEMENTARY INFORMATION

Required supplementary information (RSI) is information that a designated accounting standard-setter (e.g., FASB, GASB) requires to accompany the basic financial statements.

RESERVE

An account used to indicate that a portion of fund equity is legally restricted for a specific purpose or not available for appropriation and subsequent spending.

RESOLUTION

A special or temporary order of a legislative body requiring less legal formality than an ordinance or statute.

RESTRICTED NET POSITION

The restricted component of net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets.

RESTRICTED RESOURCES

Restricted resources refer to a reserve of money that can only be used for specific projects or purposes.

UNRESTRICTED RESOURCES

Unrestricted resources refer to a reserve of money that can be used as the City sees fit.

REVENUE

Revenue is (1) an increase in a governmental fund's net current assets from other than expenditure refunds and residual equity or (2) an increase in a proprietary fund's net total assets from other than expense refunds, capital contributions, and residual equity transfers.

ROLLBACK RATE

The highest tax rate an entity may adopt without being subject to a rollback election.

SCADA

SCADA is an acronym for **Supervisory Control and Data Acquisition**. (See also *SUPERVISORY CONTROL AND DATA ACQUISITION*.)

SDBF

SDBF is an acronym for **Supplemental Death Benefits Fund**. (See also *SUPPLEMENTAL DEATH BENEFITS FUND*.)

SERVICE PLANS

Each department within the City has a three-year plan, outlining their strategic priorities for the City.

SPECIAL REVENUE FUND

A Fund used to account for the proceeds of specific revenue sources (other than expendable trusts or for major capital projects) that are legally restricted to expenditure for specified purposes.

STEWARDSHIP

The job of supervising or taking care of something, such as an organization or property.

STRUCTURAL BALANCE

The state at which current revenue sufficiently supports current expenditures.

CITY OF NORTH RICHLAND HILLS, TEXAS

GLOSSARY (continued)

SUPERVISORY CONTROL AND DATA ACQUISITION

An industrial computer system that monitors and controls a process. Supervisory control and data acquisition systems (also known as SCADA systems) are used to monitor and control a plant or equipment in industries such as telecommunications, water and waste control, energy, oil and gas refining and transportation. A SCADA system gathers information, such as where a leak on a pipeline has occurred and transfers the information back to a central site. SCADA systems frequently are used to manage processing systems that include geographically disbursed components.

SUPPLEMENTAL DEATH BENEFITS FUND (SDBF)

A cost sharing multiple-employer defined benefit group-term life insurance plan operating by the Texas Municipal Retirement System.

TAX LEVY

The total amount to be raised by general property taxes for intentions specified in the Tax Levy Ordinance.

TAX RATE

The amount of tax levied for each \$100 of assessed valuation.

TAXABLE VALUE

A valuation to which the property tax rate is applied to calculate property taxes. The Taxable value of property is generally equal to the assessed valuation less any qualifying exemptions (such as a homestead exemption).

TAXES

Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits, such as special assessments, or charges for services rendered, such as sewer service.

TBD

TBD is an acronym for **To Be Determined**.

TEXAS MUNICIPAL RETIREMENT SYSTEM (TMRS)

TMRS is a statewide retirement system that provides retirement, disability, and death benefits for employees of participating Texas cities.

TMRS

An acronym for **Texas Municipal Retirement System**. (See also *TEXAS MUNICIPAL RETIREMENT SYSTEM*.)

TORT

A wrongful act or an infringement of a right (other than under contract) leading to civil legal liability.

TRANSFERS

Authorized exchanges of cash or other resources between funds.

UNASSIGNED FUND BALANCE

In governmental funds other than the general fund, assigned fund balance represents the remaining amount that is not restricted or committed.

UNRESTRICTED NET POSITION

The unrestricted component of net position is the net amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted component of net position.

YIELD

The rate earned on an investment based on the price paid for the investment, the interest earned during the period held, and the selling price or redemption value of the investment.
