Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Chuck James, Pooch Amy, Lester Champion, Bennie Frazier, Chris Legg, Johnny Reyes, Justin Dean, Juan Rastrepo and Cannon Binkert in the Public Works Department – A resident emailed his appreciation for the employees who worked through the night to repair a water main break. His email stated: "From what I could tell driving by, it looked like a very difficult leak to access, much less repair. I was very impressed with the response to the leak, the notification process and how quickly water was restored. You should be very proud!"
