Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Ken Cloud, Rayburn Murphy and Todd Mays in the Fire Department - A citizen posted her gratitude online for these employees after they pushed her disabled vehicle out of a busy intersection, were able to get it started again and then followed her to her destination to make sure she arrived safely. "I understand that they could not accept any gratuity, but I promise them I WILL pay it forward. If anyone knows any of them, please pass on my sincerest gratitude," she said.
