### **Kudos Korner:**

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

**Nick Burns and Tracy Brown, Information Technology Department** – Municipal Court Judge Stewart Bass emailed appreciation and thanks for the Information Technology staff who were on-call on Christmas Eve. Following a Windows update, the judge could no longer access his email, which was necessary to issue warrants during the "no refusal" holiday weekend. Within 30 minutes of his call Nick responded in person and Tracy by phone to fix the problem. He stated, "Never, in all my years, would I have predicted this extraordinary response. I am grateful beyond description."
