

CITY COUNCIL MEMORANDUM

FROM: The Office of the City Manager **DATE:** January 23, 2017
SUBJECT: Consider an Interlocal Agreement Between Tarrant County and the City of North Richland Hills for Road Construction on Deaver Drive and Liberty Way
PRESENTER: Boe Blankenship, Public Works Operations Manager

SUMMARY:

The City Council is being asked to approve an interlocal agreement between Tarrant County and the City of North Richland Hills for the County to assist with roadway improvements on Deaver Drive and Liberty Way.

GENERAL DESCRIPTION:

Over the past few years Tarrant County Field Operations at Precinct No. 3 has helped the City complete various street construction projects. The current year preventive street maintenance project is again incorporating the help of Tarrant County to complete two streets within the program. The specifics on each of the two streets are listed below.

Deaver Drive from Susan Lee east to College Circle Drive will have its sub-grade re-stabilized and receive a new asphalt surface. The anticipated cost for these improvements is \$84,785.82.

Liberty Way from Iron Horse Boulevard to Holiday lane will also receive a new sub-grade and new asphalt surface. The anticipated cost for these improvements is \$144,395.16.

The terms and conditions of the agreement are attached. The total anticipated amount for improvements under this contract is \$229,180.98. The City will pay for the materials, trucking charges, and one half of the fuel used by Tarrant County for the sub-grade stabilization process and the placement of the asphalt in the roadway. Once the agreement is executed staff will coordinate with the county to schedule the work. At this time it appears that the work will take place in March or April of 2017 depending on the weather. The City will execute a separate agreement with a third party vendor for the milling work needed for the project.

RECOMMENDATION:

Authorize the city manager to execute an Interlocal Agreement between Tarrant County and the City of North Richland Hills for road construction on Deaver Drive and Liberty Way.
