

CITY COUNCIL MEMORANDUM

FROM: The Office of the City Manager **DATE:** 04/10/2017

SUBJECT: Discuss severe weather monitoring, notification, and activation

PRESENTER: Billy Owens, Emergency Management Coordinator

GENERAL DESCRIPTION:

This will be an overview of how the city monitors, notifies residents, and responds to severe weather events. We will discuss the Everbridge mass notification system, weather alerts from the National Weather Service, and the outdoor warning system (OWS).
