Kudos Korner:

Every meeting, we recognize our employees for the great things they do. Tonight we recognize:

Chuck James, Johnny Reyes, Thomas Wade, Steven Wester and Dallas Wyatt in the Public Works Department – A citizen emailed appreciation for the crew that worked to repair a water main break on his street. He said it was not an easy repair, "especially in light of the circumstances of deep digging, flooding waters, and darkness approaching." Throughout the evening the crew remained professional and courteous and he and his family appreciated all that they did to get the water back on.
