Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Adam Pendergrass in the Fire Department - The chief of the Lampasas Fire Department sent a letter of commendation for Adam, who aided victims at a traffic accident in that city. Adam encountered the accident scene with multiple severely injured patients prior to the Fire Department's arrival. He and another man pulled a child from the vehicle and began treatment. Adam continued to assist Lampasas paramedics after their arrival. The chief stated: "I truly believe the actions of Firefighter Pendergrass saved this young girl's life. He is an example for all firefighters to follow."
