Kudos Korner:

Every City Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Fire Chief Stan Tinney, Managing Director of Parks and Recreation Vickie Loftice – With very short notice, Chief Tinney and Vickie Loftice stepped up to organize a group of volunteers to represent the City of North Richland Hills at a charity walk in a nearby city. Their willingness to do this is a reflection of their character and commitment to giving back to the community. Stan and Vickie are true servant leaders who have built a culture of giving within their departments. We appreciate their service and the example they set for all of our city employees.
