RE:

Hyundai and Chrysler Dodge Jeep Ram - Hail Net SUP 7742 NE Loop 820, 7740 NE Loop 820 City of North Richland Hills, Tarrant County, TX 76180

Mr. Husband,

On behalf of our client, VPS, we would like to request a Specific Use Permit for the addresses referenced above. The objective of the Specific Use Permit is to allow the installation of hail nets within the above referenced properties. Said hail nets will be installed with the perimeter columns adjacent to the right-of-way encased by a protective wrap as specified by the City of North Richland Hills's zoning ordinance while providing a waiver for the interior columns.

If you have any questions, please contact our office.

Sincerely,

Josh Edge, PE Branch Manager / Principal Dynamic Engineering Consultants, PC
