19-010 GENERAL MOWING AND LANDSCAPE MAINTENANCE**

No oral explanation in regard to the meaning of the specifications will be made, and no oral instructions will be given after the pre-bid meeting and before the award of the contract. Requests from interested vendors for additional information or interpretation of the information included in the specifications should be directed in writing as a question related to this bid on Public Purchase and the question will be answered on Public Purchase. All addendums will also be posted to Public Purchase. It will be the vendor's responsibility to check all information related to this bid on Public Purchase before submitting a response.

The City of North Richland Hills reserves the right to reject in part or in whole all bids submitted, and to waive any technicalities for the best interest of the City of North Richland Hills.

GENERAL CONDITIONS

In submitting this bid, the Bidder understands and agrees to be bound by the following terms and conditions. These terms and conditions shall become a part of the purchase order or contract and will consist of the invitation to bid, specifications, the responsive bid and the contract with attachments, together with any additional documents identified in the contract and any written change orders approved and signed by a city official with authority to do so. All shall have equal weight and be deemed a part of the entire contract. If there is a conflict between contract documents, the provision more favorable to the City shall prevail.

1. BID TIME

It shall be the responsibility of each Bidder to ensure his/her bid is turned in to the City of North Richland Hills on or before **11:00 A.M. .Tuesday, February 05, 2019**. The official time shall be determined by the clock located in the North Richland Hills City Hall Purchasing Department. Bids received after the time stated above will be considered ineligible and returned unopened.

All attached bid documents are to be returned completely filled out, totaled, and signed. Envelopes containing bids must be ***sealed***. The City of North Richland Hills will not accept any bid documents other than the attached.

2. WITHDRAWING BIDS/PROPOSALS/QUOTES

Bids may be withdrawn at any time prior to the official opening; request for non-consideration of bids must be made in writing to the Purchasing Manager and received prior to the time set for opening bids. The bidder warrants and guarantees that his/her bid has been carefully reviewed and checked and that it is in all things true and accurate and free of mistakes. Bidder agrees that a bid price may not be withdrawn or canceled by the bidder for a period of ninety (90) days following the date designated for the receipt of bids.

3. IRREGULAR BIDS/PROPOSALS/QUOTES

Bids will be considered irregular if they show any omissions, alterations of form, additions, or conditions not called for, unauthorized alternate bids, or irregularities of any kind. However, the City of North Richland Hills reserves the right to waive any irregularities and to make the award in the best interest of the City.

4. REJECTION/DISQUALIFICATION

Bidders will be disqualified and/or their bids rejected, among other reasons, for any of the specific reasons listed below:

- a) Bid received after the time set for receiving bids as stated in the advertisement;
- b) Reason for believing collusion exists among the Bidders;
- c) Bid containing unbalanced value of any item; bid offering used or reconditioned equipment;
- d) Where the bidder, sub-contractor or supplier is in litigation with the City of North Richland Hills or where such litigation is contemplated or imminent;
- e) Uncompleted work which in the judgment of the City will prevent or hinder the prompt completion of additional work, or having defaulted on a previous contract;
- f) Lack of competency as revealed by reference checks, financial statement, experience and equipment, questionnaires, or qualification statement;

- g) Bid containing special conditions, clauses, alterations, items not called for or irregularities of any kind, which in the Owner's opinion may disqualify the Bidder.

However, the City of North Richland Hills reserves the right to waive any irregularities and to make the award in the best interest of the City of North Richland Hills.

5. BID EVALUATION

Award of bid, if it be awarded, will be made to the lowest responsible bidder or may be awarded to the bidder that offers the goods and/or services at the *best value* for the City (Texas Local Government Code, 252.043). In determining the best value the City will consider the following:

- a) The purchase price; terms and discounts; delivery schedule;
- b) The reputation of the bidder and of the bidder's goods or services;
- c) The quality of the bidders' goods or services;
- d) The extent to which the bidder's goods or services meet the City specifications and needs;
- e) The bidder's past relationship with the City;
- f) Total long term cost to the city to acquire the bidder's goods or services;
- g) Any relevant criteria specifically listed in the specifications;
- h) Compliance with all State and local laws, General Conditions and Specifications;
- i) Results of testing, if required;
- j) Warranty and/or guarantee, maintenance requirements and performance data of the product requested;
- k) City's evaluation of the bidder's ability to perform to specifications.

6. AWARD OF BID

The bid award will be made within sixty (60) days after the opening of bids. No award will be made until after investigations are made as to the responsibilities of the best bidder.

The City of North Richland Hills reserves the right to award bids whole or in part when deemed to be in the best interest of the City. Bidder shall state on bid form if their bid is "all or none", otherwise it shall be considered as agreeing to this section.

Information contained in submitted bid documents shall not be available for inspection until after the award has been made by the City Council. Requests for this information must be submitted in writing.

7. ASSIGNMENT

The successful bidder may not assign his/her rights and duties under an award without the written consent of the North Richland Hills City Manager. Such consent shall not relieve the assignor of liability in the event of default by his assignee.

8. SUBSTITUTIONS/EXCEPTIONS

Exceptions/variations from the specifications may be acceptable provided such variations, in each instance, is noted and fully explained in writing and submitted with bid. NO

substitutions or changes in the specifications shall be permitted after award of bid without prior written approval by the Purchasing Manager.

9. DELIVERY/ACCEPTANCE

The delivery date is an important factor of this bid and shall be considered during the evaluation process. The City considers delivery time the period elapsing from the time the order is placed until the City receives the order at the specified delivery location.

All material shall be delivered F.O.B. City of North Richland Hills to the address specified at the time of order. Acceptance by the City of North Richland Hills of any delivery shall not relieve the Contractor of any guarantee or warranty, expressed or implied, nor shall it be considered an acceptance of material not in accordance with the specifications thereby waiving the City of North Richland Hills right to request replacement of defective material or material not meeting specifications.

10. NOTICE OF DELAYS

Whenever the contractor encounters any difficulty which is delaying or threatens to delay timely performance, written notice shall immediately be given to the Purchasing Manager, stating all relevant information. Such notice shall not in any way be construed as a waiver by the City of any rights or remedies to which it is entitled by law. Delays in performance and/or completion may result in cancellation of agreement.

11. SALES TAX

The City of North Richland Hills is exempt from Federal Excise and State sales tax; therefore tax must not be added to bid.

12. TIE BIDS

In the event of a tie bid, State Law provides the bid or contract shall be awarded to the local bidder. In cases where a local bidder is not involved, tie bids shall be awarded by drawing lots at the City Council meeting, or as otherwise directed by the Mayor.

13. BRAND NAME OR EQUAL

If items are identified by a "brand name" description, such identification is intended to be descriptive, not restrictive, and is to indicate the quality and characteristics of products that will be satisfactory. As used in this clause, the term "brand name" includes identification of products by make and model.

Such products must be clearly identified in the bid as an equal product and published specifications of the equal products offered must be included with the bid reply.

Bids offering equal products will be considered for award if determined by the Purchasing Manager and the user department to be equal in all material respects to the brand name products referenced. The decision of acceptable "equal" items or variations in the specifications will solely be the City of North Richland Hills. Unless the bidder clearly indicates in his/her bid that he is offering an "equal" product, his bid shall be considered as offering the brand name product referenced in the invitation for bids.

14. REFERENCES

A minimum of three (3) references, preferably located within the Dallas/Fort Worth Metroplex, must be submitted with each bid. Company name, contact and phone number must be included with each reference.

15. PROHIBITION AGAINST PERSONAL FINANCIAL INTEREST IN CONTRACTS

No employee of the City of North Richland Hills shall have a direct or indirect financial interest in any proposed or existing contract, purchase, work, sale or service to or by the City (CMA-074, Standards of Conduct, Section IV).

16. TERMINATION/NON PERFORMANCE

Continuing non-performance of the vendor in terms of Specifications shall be a basis for the termination of the contract by the City. The City of North Richland Hills reserves the right to enforce the performance of this contract in any manner prescribed by law or deemed to be in the best interest of the City in the event of breach or default of this contract. The City reserves the right to terminate the contract immediately in the event the successful bidder fails to 1.) Meet delivery schedules or, 2.) Otherwise not perform in accordance with these specifications.

Breach of contract or default authorizes the City to award to another bidder, and/or purchase elsewhere and charge the full increase in cost and handling to the defaulting successful bidder.

The contract may be terminated by either party upon written thirty (30) days' notice prior to cancellation without cause.

17. ATTORNEYS FEES

Neither party to this contract shall be entitled to attorney fees for any matter arising under this contract, whether for additional work, breach of contract, or other claim for goods, services, or compensation. All claims for attorney's fees are hereby WAIVED.

18. INDEMNITY

City shall not be liable or responsible for, and shall be saved and held harmless by Contractor from and against any and all suits, actions, losses, damages, claims, or liability of any character, type, or description, including claims for copyright and patent infringement, and including all expenses of litigation, court costs, and attorney's fees for injury or death to any person, or injury to any property, received or sustained by any person or persons or property, arising out of, or occasioned by, directly or indirectly, the performance of Contractor under this agreement, including claims and damages arising in part from the negligence of City, without; however, waiving any governmental immunity available to the CITY under Texas law and without waiving any defenses of the parties under Texas law. The provisions of this indemnification are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity.

It is the expressed intent of the parties to this Agreement that the indemnity provided for in this section is an indemnity extended by Contractor to indemnify and protect City from the consequences of City's own negligence, provided, however, that the indemnity provided for in this section shall apply only when the negligent act of City is a contributory cause of the resultant injury, death, or damage, and shall have no application when the negligent act of City is the sole cause of the resultant injury, death, or damage, unmixed with the legal fault of another person or entity. Contractor further agrees to defend, at its own expense, and on behalf of City and in the name of City, any claim or litigation brought in connection with any such injury, death, or damage.

The Contractor will secure and maintain Contractual Liability insurance to cover this indemnification agreement that will be primary and noncontributory as to any insurance maintained by the City for its own benefit, including self-insurance.

19. PERFORMANCE AND PAYMENT BONDS

In the event the total contract amount exceeds \$100,000, the Contractor shall be required to execute a performance bond in the amount of one hundred (100) percent of the total contract price; if the total contract amount exceeds \$50,000 the contractor shall be required to execute a payment bond in the amount of one hundred (100) percent of the total contract price, each in standard forms for this purpose, guaranteeing faithful performance of work and guaranteeing payment to all persons supply labor and materials or furnishing any equipment in the execution of the contract. It is agreed that this contract shall not be in effect until such performance and payment bonds are furnished and approved by the City of North Richland Hills. No exceptions to this provision allowed.

Unless otherwise approved in writing by the City of North Richland Hills, the surety company underwriting the bonds shall be acceptable according to the latest list of companies holding certificates of authority from the Secretary of the Treasury of the United States.

Attorneys-in-fact who sign bid bonds or contract bonds must file with each bond a certified and current copy of their power of attorney.

20. INTERLOCAL AGREEMENT

Successful bidder agrees to extend prices and terms to all entities who have entered into or will enter into joint purchasing interlocal cooperation agreements with the City of North Richland Hills.

21. ELECTRONIC PROCUREMENT

The City of North Richland Hills has adopted policies and procedures complying with Local Government Code Section 252.0415, Section 271.906 and Section 2155.062. The City of North Richland Hills may receive submittals in electronic form in response to procurement requests. However, a bid that is submitted non-electronically by the due date and time will be accepted and then entered electronically by Purchasing after the bid opening.

22. COMPLIANCE WITH SB 89:

COMPLIANCE WITH HOUSE BILL 1295

In 2015, the Texas Legislature adopted [House Bill 1295](#), which added section 2252.908 of the Government Code. The law states that a governmental entity may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity at the time the business entity submits the signed contract to the governmental entity.

The law applies only to a contract of a governmental entity that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

The Texas Ethics Commission has adopted rules necessary to implement the law, prescribed the disclosure of interested parties form, and posted a copy of the form on the commission's website.

Filing Process:

The commission has made available on its website a new filing application that must be used to file Form 1295. A business entity must:

- 1) Use the application to enter the required information on Form 1295,
- 2) Print a copy of the completed form, which will include a certification of filing that will contain a unique certification number.
- 3) Contract Number should be the Bid/RFP Number and Bid Title.
- 4) Sign the printed copy of the form (an authorized agent of the business entity must sign),
- 5) Either include your personal information or have the form notarized,
- 6) File the completed Form 1295 with the certification of filing with the governmental body with which the business entity is entering into the contract.

The governmental entity must notify the commission, using the commission's filing application, of the receipt of the filed Form 1295 with the certification of filing not later than the 30th day after the date the contract binds all parties to the contract. The commission will post the completed Form 1295 to its website within seven business days after receiving notice from the governmental entity.

Information regarding how to use the filing application may be found at https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

CONFLICT OF INTEREST QUESTIONNAIRE
For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at <http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm>. For easy reference, below are some of the sections cited on this form.

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):

- (a) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

(A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that

- (i) a contract between the local governmental entity and vendor has been executed; or
- (ii) the local governmental entity is considering entering into a contract with the vendor;

(B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:

- (i) a contract between the local governmental entity and vendor has been executed; or
- (ii) the local governmental entity is considering entering into a contract with the vendor.

Local Government Code § 176.006(a) and (a-1)

- (a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

(1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);

(2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or

(3) has a family relationship with a local government officer of that local governmental entity.

- (a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:

(1) the date that the vendor:

(A) begins discussions or negotiations to enter into a contract with the local governmental entity; or

(B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or

(2) the date the vendor becomes aware:

(A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);

(B) that the vendor has given one or more gifts described by Subsection (a); or

(C) of a family relationship with a local government officer.

The City of North Richland Hills Parks and Recreation Department intends to contract mowing and landscape maintenance. The successful bidder shall be responsible for mowing edging, string trimming and power sweeping all designated turf areas, maintaining items as specified in landscape maintenance section, and mowing edging, string trimming and power sweeping all designated areas defined in Right-of way mowing section. Bidders are to bid on all items as specified.

1. Duration of Agreement and Price Adjustments

The successful bidder will be awarded a twelve (12) month agreement effective March 11, 2019. Prices are to remain firm for the twelve (12) month agreement period. At the City's option, the agreement may be renewed for four (4) additional twelve month (12) month periods at a price proposed by the contractor. The Contractor shall submit the renewal proposal with price changes and justification to the Parks and Recreation Department at least sixty (60) days before the expiration of the current agreement. Increase in contract pricing shall not exceed the consumer price index of the Dallas/Fort Worth standard metropolitan statistical for the previous twelve (12) month period or 4%, whichever is smaller. Renewal shall be at the sole discretion of the Parks and Recreation Department.

2. General Conditions

Contractors submitting bids certify to the City that they possess all necessary equipment, facilities, personnel, and a minimum of five (5) years' work experience to fulfill the terms of the contract at the time of bid submission, or that they will have the necessary equipment and personnel and be ready to proceed on the starting date for the initial contract period.

The Contractor shall be required to keep sufficient equipment and labor on hand to do a complete mowing of the areas specified by contract, as often as may be specified, should the growing season demand.

Bidder must submit with the Bid, a list of all equipment, given year, model or make of machines to be used and all equipment shall be subject to inspection by the Parks and Recreation Department.

Bidder must submit with the Bid, a list of maintenance references with current name and phone number of referral.

3. Non-Performance Penalty

If the contractor fails to complete any mowing cycle scheduled without appropriate approval (i.e. approved weather delays, inaccessibility to site beyond the contractor's control) of the Contract Administrator, contractual consequences including penalties may result as follows:

- a.) First failure to complete any scheduled cycle without approval – Written warning.

- b.) Continued failure to complete cycles may result in cancellation of contract.

The City reserves the right to cancel scheduled mowing cycle on a week-to-week basis, based upon need, prevailing weather conditions and available funding.

4. Method of Operation

- a) The contractor will work under the direction of the Contract Administrator or his representative, who will determine the locations of the mowing and the amount of the equipment necessary to carry out the work.
- b) The Contractor shall provide his own equipment, labor, fuel, and any other material necessary to complete the required work. The Contractor shall be responsible for the maintenance and repair of his own equipment and the availability, presence and supervision of his own employees
- c) The contractor shall not transfer or assign these mowing maintenance responsibilities to other agencies without prior written consent of the City department representative.
- d) Contractor will be responsible for the behavior of his employees. The contractor's employees will act and behave in a professional manner at all times. Contractor will be required to dress his employees in clean company uniforms that can easily identify them when present on City property.
- e) All designated turf will be mowed accordingly to a preset annual mowing maintenance schedule, as agreed upon by the contractor and the designated City department representative before the mowing season starts.
- f) Any variance from the prescribed mowing schedule will require a minimum of twenty-four hour advanced notification to the Contract Administrator. All mowing is to be accomplished as specified in the Property Description section, weather permitting. Mowing hours must be between 7:00 a.m. – 6:00 p.m. Mowing cycles missed due to weather conditions must be completed during the first day weather conditions permit unless otherwise directed by the Contract Administrator.
- g) It shall be mandatory that a review of the contract areas be conducted prior to the beginning of the first mowing cycle. If requested by the City or contractor, a "walk thru" of any of the mowing maintenance property shall be conducted before the next mowing cycle.
- h) Contractor will be required to e-mail the Contract Administrator to report mowing maintenance accomplished weekly on Monday morning by 8:00 A.M. with the work completed the previous weeks as well as work to be completed in the current weeks.. The contractor must provide a valid telephone number at all times to the Contract Administrator. Each work crew shall have a designated person on the work site that has the authority to respond to inquiries about work details or priorities.

- i) The contractor shall fill out invoice forms for monthly payments. Each section of this contract (Park Mowing, Landscape Maintenance and Right-of-Way Mowing must be invoiced separately. Unit prices are to reflect the charges for mowing maintenance cycles at each location.
- j) No payment for partial mowing of selected sites shall be made. Each site must be completed before moving to the next location in order for payments to be acknowledged.
- k) A bid response constitutes understanding and acceptance of all terms, conditions, instructions and specifications contained in the maintenance specifications.

5. Company Requirements

- a) Vendor will provide 3 municipal references of similar current maintenance contracts.
- b) Vendor must include number of full-time hourly employees currently employed by the business.
- c) Vendor must include the number of seasonal hourly employees currently being employed by the business.
- d) Vendor must include the number of salaried supervisory employees employed by the business.
- e) Vendor will include TDA Commercial Pesticide Applicators Licenses they possess.
- f) Vendor will include Irrigation License and/or Irrigation Technician Certification papers

Failure to provide any one of these items may be cause for bid rejection.

B. INDEMNIFICATION / PROTECTION AGAINST CLAIMS

The Contractor shall defend, indemnify and hold harmless the Owner and respective officers, agents and employees, from and against all damages, claims, losses, demands, suits, judgments and costs, including reasonable attorneys' fees and expenses, arising out of or resulting from the performance of the work provided that any such damages, claim, loss, demand, suit, judgment, cost or expense:

- a.) is attributable to injury, sickness, disease, death or injury to or destruction of tangible property, including the loss of use, and is caused in whole or in part by any negligent act or omission of the Contractor, any Subcontractor, anyone directly or indirectly employed by anyone of them or

anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder.

SECTION A. PARK AND FACILITY MOWINGS SPECIFICATIONS

The following description is intended to clarify the nature of the work required for this project and to describe the minimum requirements acceptable for the **Park and Facility Mowing Services**. The provisions of the standard technical specifications shall apply except as otherwise noted herein. Each pay item shall include all labor, materials, equipment, traffic control devices, barricading and incidentals necessary to construct that item. Aerial maps are provided to aid in park and property boundary identification. If needed, further clarification should be requested from the Contract Administrator.

1. Mowing Maintenance will be defined as mowing, edging, string trimming and sweeping on designated City property. The contractor must accomplish all mowing maintenance tasks of the property on the same day in order for the property to be considered completed. If partial completion is done, the contractor must contact the Park Superintendent the next day.
2. Prior to mowing, the contractor will be responsible for removing all litter on the turf, no clippings or chopped paper may be left. No visible grass clippings, wind rows are not to be visible. Fallen leaves from the turf areas can be mulched. Broken glass must be removed from the site before mowing.
3. Mow height of grass will be determined by the Contract Administrator. Under normal conditions Common Bermuda will be mowed at 1 to 1 ½ inches and St. Augustine will be mowed at 1 ½ to 2 ½ inches.
4. When required, the turf will be crosscut to help prevent grass from growing in one direction and becoming rutted.
5. Trees and shrubs must not be bumped or marked by mowing or edging equipment. Damage to trees, tree collars and tree water bags will be assessed at \$50.00 for each instance.
6. Edging along curbs and sidewalks must be done each time the turf is mowed. All edging will be with a fixed blade edger that leaves a sharp edge (not a monofilament trimmer).
7. Mono Filament Trim around all signs, posts, fences, planting beds, buildings, tree wells (do not directly use around the trunks of trees), weeds/grass from expansion joints and any other obstacle(s) must be done each time the turf is mowed.
8. The Contractor shall perform mowing maintenance of all properties with water features up to the water's edge. Several ponds have an erosion prevention system of a synthetic fabric filled with sand. Contractor is expected to string trim grass parallel to surface and not edge perpendicularly at these ponds in order to prevent damage to synthetic geotube.

9. The Contractor will leave the area with a finish appearance with walks, hardscapes and curb areas having been (power) swept and must be completed each time the turf is mowed. The Contractor must not blow litter or clippings onto the street.
10. No chemicals, herbicides, insecticides, fungicides, growth regulators or fertilizers are to be used without the written approval of the Contract Administrator.
11. The Contractor will be responsible for any damage done to plant material, turf, irrigation system or other property as a result of his maintenance operations. He will be responsible for replacement or repair of damage plants, turfs, irrigation system and/or property. Any damage must be reported immediately (same day) to the Contract Administrator.
12. Repair, servicing or fueling of equipment is not permitted within landscape areas or on turf areas.
13. The contractor shall exercise extreme caution while working on medians, road sides and high traffic areas. Orange safety vests, orange traffic cones and TX Dot approved "men working" signage are required when crews are working in any traffic situation.
14. The contractor shall comply with all applicable governmental laws and regulations.
15. The contractor and his employees must not give any definitive responses to any inquiries received from citizens, media or public persons but must refer the inquiries to the Contract Administrator.
16. The contractor is required to notify the City department representative of any hazardous conditions prior to leaving the work site.
17. Contractor shall furnish all supplies, tools and equipment to be used on the work site. Contractor must supply a list of machinery and equipment available in order to determine whether or not they can adequately perform the necessary work. Insufficient and/or inadequate equipment determined by the PARD is caused for rejection of the contract. Where applicable, finished and recycle mowers are required.
18. It is agreed that the quantities of work to be done at unit prices may be increased or diminished as may be considered necessary, in the opinion of the Contract Administrator, to complete the work fully as planned and contemplated. All work is to be performed as provided for in the specifications. In the event an increase pertains to items not originally bid, the Contractor shall submit a bid in writing to the Contract Administrator for approval.

Any change order shall be approved by the City of North Richland Hills designated representative prior to work being started on said change. The Owner reserves the right to reject the Contractor's bid on such extra work and secure such work to be done other than by said Contractor.

SECTION B. LANDSCAPE MAINTENANCE SPECIFICATIONS

I. Bed Maintenance

1. All bed areas and tree rings will be policed for weeds, paper, and debris each maintenance cycle.
2. All planter beds, tree circles, sidewalk cracks, etc. are to be sprayed periodically to control unwanted grasses and broadleaf weeds. Only the use of selective herbicides in groundcovers is permitted and must still be approved by Contract Administrator.
3. Shrubs, groundcovers, and vines are pruned according to recommended horticultural practices to maintain a clean, attractive appearance. (Reference ANSI A 300 trimming specifications).
4. Shrubbery will be pruned as needed to insure the correct shape and natural growth habit for the area in which the shrubs are growing.
5. Tip prune selected branches of low growing shrubs or groundcover masses to maintain an even overall height to promote fullness.
6. Ground cover plantings will be pruned as required to restrain perimeter growth to within planting bed areas where adjacent to walks, curbs, or other planting and features.
7. ALL dead plant material must be removed.
8. All tree rings and planting beds shall be maintained free of weeds/grass.
9. Chemical practices shall not be a substitute for hand weeding where the latter is required for complete removal. However it is recommended that herbicides be used to control weeds as needed.
10. No jobsite may be left blocking pathways. Equipment may not be left unattended onsite, and all areas shall be clean when leaving the site, even if the vendor is to return for more work.

II. Herbicide

1. Herbicide schedule is for all turf areas at designated locations.

2. Herbicide Substitutions- Trade name herbicides are based on past use. Other approved equal herbicides may be used if approved by the Contract Administrator.
3. Any plant(s) that is killed or permanently damaged by the application of herbicides or fertilizers shall be replanted by the vendor. Permanent establishment of the new plant(s) is the sole responsibility of the vendor. Turf grass re-establishment shall be done at no additional cost to the City.
4. Care shall be taken to avoid herbicide drift and damage to adjacent plants.
5. Vendor will be responsible for any damage done to plant material or other property during maintenance operations. Vendor will be responsible for replacement of all plant material damaged or destroyed by him/her or his/her employees.
6. The vendor must be licensed by the Texas Structural Pest Control Board and/or Texas Department of Agriculture. A copy of the license and a listing of the license numbers shall be submitted with a bid response.
7. All herbicides shall be mixed and applied in strict accordance with the manufacturer's E.P.A. Registered Label.
8. The vendor shall comply with all pesticide/herbicide application requirements as set forth by the Texas Structural Pest Control Board (TSPCB), the Texas Department of Agriculture, the Federal Environmental Protection Agency and manufacturers' instructions provided with chemicals on labels and/or accompany brochures. If the chemical mix being used is suspect, the TSPCB will be requested to verify requirements.
11. All turf areas in the parks, facilities, medians/roadsides, ROW's designated to receive herbicide treatments are required to have a Pre and Post emergent Herbicide unless specified otherwise. Control of difficult perennial and annual weeds will be mutually determined by vendor and Contract Administrator/Alternate. Timing of all herbicide applications will be determined by the Contract Administrator.
12. Prior to seasonal herbicide treatments a meeting will be required between Vendor and Contract Administrator to discuss what is to be sprayed and at which locations.

III. Fertilizer

1. Fertilizer Schedule for Turf Areas with 3 Annual Applications

- a. April 1- April 20 apply granular fert, 21-0-0 Ammonium sulfate @ 1# of N/ 1000 ft²
 - b. June 1- June 20 apply granular fert, 28-3-10 50%SCU&3%FE @ 1# of N/ 1000 ft²
 - c. Aug. 15- Aug. 30 apply granular fert, 28-3-10 50%SCU&3%FE @ 1# of N/ 1000 ft²
2. Fertilizer Schedule for Turf Areas with 2 Annual Applications
 - a. April 20- May 10 apply granular fert, 28-3-10 50%SCU&3%FE @ 1# of N/ 1000 ft²
 - b. Aug. 15- Aug. 30 apply granular fert, 28-3-10 50%SCU&3%FE @ 1# of N/ 1000 ft²
 3. All concrete surfaces shall be blown off immediately after fertilizer applications.
 4. In lieu of detailed time/date schedules for treatment, the vendor shall in coordination with the Contract Administrator/Alternate, develop a schedule that is mutually agreeable to both. In the event of a disagreement, the schedule of the Contract Administrator/Alternate will prevail.

IV. **Annual Color**

1. Vendor will provide two (2) seasonal (Spring/Summer and Fall/Winter) color plantings per year unless otherwise specified in **Attached Pricing Summary Worksheet Locations**. Plant material type, variety, and color will be selected by Contract Administrator/Alternate.
1. Remove old seasonal color, rake off existing mulch layer, clean weeds/trash from planting bed, Roto-till to turn and fluff bed to a min. depth of 4" max. 6", rake bed smooth and remove clods/rocks greater than 1". DO NOT Roto-till beds installed with drip irrigation. Contractor is responsible for repairing broken drip tubing should it occur.
3. At each Color change apply 13-13-10 granular fertilizer with 30-50% IBDU slow release @ 2 lbs. actual product per 1000 sq.ft. Add granular fertilizer at time of planting. (Color Star,) or approved equal. (Spring/Summer and Fall/Winter planting)
4. Top dress all color beds with mulch @ a depth of 1"

5. A representative sample of all plant material must be approved by Contract Administrator/Alternate prior to all plantings. An emailed photo will be accepted as long as an object is included for a size comparison.
8. Annual Plant spacing:
 - a. Spring/Summer plantings 4" pots planted at two (2) pots per Sq. Ft.
 - b. Fall/Winter plantings 4" pots planted at three (3) pots per Sq. Ft.
 - c. All one (1) gallon plants requested will be planted at one (1) per Sq. Ft.
9. At each planting, color must be hand-watered immediately after planting. Soil must be moist to a depth of 6". Water sources will be provided and coordinated through contract administrator.

V. Ant Abatement Service Requirements

1. Applications times to be determined by the Contract Administrator in conjunction with daily weather conditions.
2. Application to be done in a broadcast method with ground equipment calibrated to give correct dosage. The application of Topchoice or an approved equal is requested and should be made at the label recommendations for annual fire-ant control.
3. Applications to include all landscaped beds, turf and non-turf areas {dirt/gravel} in all areas designated.
4. Vendor is responsible for repairing any ruts in turf, replacement of valve boxes/covers, damage to irrigation controllers/heads and valves, or any hardscape feature made during application.
5. Vendor to provide MSDS (Material Safety Data Sheet) on approved chemicals.
6. Turf tires required on all equipment used in making the application.
7. At all water features, extreme caution must be taken to assure the pesticide does not get into water. Damage to aquatic life will be replaced and cleaned at the vendor's cost.
8. These applications, like all maintenance activities, require daily schedules to be sent.

VI. Irregular Work

1. At irregular intervals, the Contract Administrator will request landscape and/or irrigation work to be done at various locations throughout the City of North Richland Hills. Examples are as follows: landscape bed replacement/enhancement at various locations, irrigation installation/reconfiguration as needed at various locations, etc. Pricing for these projects shall be obtained by using the **Attached Pricing Summary Worksheet**.
2. The quantities of irregular work per year shall be estimates only and shall not constitute a guaranteed amount to be paid to the vendor.
3. Contractor must supply receipts for materials purchased so that contract administrator is able to verify percent markup on material is correct.
4. Materials are defined as items to be left at the landscape by the contractor, whether it be above ground or in ground. Items such as pipe, valves, plants, soil, mulch, etc. are considered materials. Materials are not tools, blades, gasoline, etc.

VII. Warranty

1. The successful Vendor shall warrant that all items/services shall conform to the proposed specifications and/or all warranties as stated in the Uniform Commercial Code and be free from all defects in material, workmanship and title. All trees and shrubs planted under this contract will carry a one year replacement guarantee. Annual Color changes will carry a 5 month guarantee.

Section C. RIGHT-OF-WAY MOWING SPECIFICATIONS

Mowing Requirements

The mowing of all sites shall include the mowing and trimming of all grass and weeds within each area. Areas listed on the bid form can be found on the provided 2019 City of North Richland Hills Right-of-Way Mowing Map. Please note that only items on the Section C. Bid Form are being requested as part of the bid and not all areas on map.

- A. All debris shall be removed by the contractor prior to mowing if shredding of the debris would be detrimental to the appearance of the area. No separate pay item shall be allowed for litter control.
- B. Turf must be mowed at a height of two (2) inches (measured from ground level).
- C. Trimming around trees and shrubs, fence lines, poles, posts and other obstructions will be performed using mechanical devices and/or hand labor with each cycle. Weeds growing in pavement cracks, street median, curbing and concrete shall be removed by contractor.
- D. Sidewalks and other visual areas must be swept or blown clean after each cycle.

- E. Clippings shall not be blown into the streets or paved sidewalks, drainage inlets or on any paved surface of any type.
- F. Contractor's personnel working in streets right-of-way shall be required to wear safety vests or other safety garment as described by the Manual on Uniform Traffic Control Devices (MUTCD). Traffic control devices must meet MUTCD.
- G. Curbs, sidewalks, medians and other hard edges shall be trimmed each cycle.
- H. Grass and weeds growing in cracks and expansion joints as needed is permitted to be sprayed with a non-selective herbicide containing glyphosate, but plant material must be removed mechanically once plant is deceased.
- I. The cycle mowing of all rights-of-way shall include the areas from pavement to property lines. Areas that are impossible to mow mechanically due to slopes and ditches must be cut with string trimmers or other acceptable methods.
- J. No payment for partial mowing of selected sites will be made. Each site must be completed before moving on to the next location in order for payment to be approved by the department.
- K. No parking on the public roadways shall impede normal flow of traffic, without the proper traffic control described in the Manual of Uniformed Traffic Control Devices.

Weekly Reports

The Contractor must provide an electronic weekly report on Monday mornings by 8:00 A.M. to the Contract administrator of areas mowed the previous week as well as a schedule for the current week.

Clipping Removal

Clippings shall not normally be collected and removed from the site after each frequency mow. However, if excessive clippings occur, these shall be removed by the contractor. In addition, excessive clippings resulting from extended mowing frequencies due to the Contractor's delay shall be removed by the contractor. Clippings shall not be blown into the street or roadway.

ADDENDUM #1

RFB BID NO 19-010

General Mowing and Landscape Maintenance

BIDS DUE February 5, 2019 AT 11:00 A.M.

PLEASE BE ADVISED A FLYOVER LANDSCAPE MAP WAS ADDED TO ANSWER QUESTION 3.

1. Question #3 below was asked by a vendor, please see our response.

Flyover Landscape - The property description is very vague on location/description and there is no map. What area exactly is to be mowed?

The property is currently under construction and was supposed to be completed prior to the contract going to bid. The property is located south of the Painted Tree and east of Autonation Chevrolet. Please refer to the attached landscape plans for bidding purposes. The estimated turf to be mowed is 1 acre or less and the estimated square footage of beds to be maintained is 7,000 square feet.

THIS ADDENDUM MUST BE SIGNED AND RETURNED WITH YOUR BID.

Acknowledge receipt of this addendum by inserting this page with your bid. This addendum form is a part of the contract documents and modifies, amends, deletes and/or adds to the original bid document.

ADDENDA #2

RFB BID NO 19-010

General Mowing and Landscape Maintenance

BIDS DUE February 5, 2019 AT 11:00 A.M.

PLEASE BE ADVISED THE BID FORM and requirements have changed.

1. Attached to this addendum is the revised bid form for "**Bid Form Section A**" please replace it with the original bid form.
2. In the "GENERAL CONDITIONS" section **PERFORMANCE AND PAYMENT BONDS** (Page 8)

Currently reads:

19. **PERFORMANCE AND PAYMENT BONDS** In the event the total contract amount exceeds \$100,000, the Contractor shall be required to execute a performance bond in the amount of one hundred (100) percent of the total contract price; if the total contract amount exceeds \$50,000 the contractor shall be required to execute a payment bond in the amount of one hundred (100) percent of the total contract price, each in standard forms for this purpose, guaranteeing faithful performance of work and guaranteeing payment to all persons supply labor and materials or furnishing any equipment in the execution of the contract. It is agreed that this contract shall not be in effect until such performance and payment bonds are furnished and approved by the City of North Richland Hills. No exceptions to this provision allowed. Unless otherwise approved in writing by the City of North Richland Hills, the surety company underwriting the bonds shall be acceptable according to the latest list of companies holding certificates of authority from the Secretary of the Treasury of the United States. Attorneys-in-fact who sign bid bonds or contract bonds must file with each bond a certified and current copy of their power of attorney.

NRH will waive the performance and payment bonds required.

3. Question #8 below was asked by a vendor, please see our response.

In section B. we are supposed to do landscaping quotes for NRH20 such as the bed weeding and shrub ground cover maintenance but since the park is closed we cannot do a walk through to see how many beds are in the park. Can you give us a better location description or perhaps a map with the beds circled? Otherwise it's just a shot in the dark to quote for those two items.

NRH will unlock the facility (NRH20 at 9001 Boulevard 26) to allow bidders access on Wednesday January 30, 2019 at 11:00 AM to 12:00 PM. This will allow bidders to gain a better understanding of the property.

****This is not a Pre-Bid meeting; attendance is not required.**

THIS ADDENDUM MUST BE SIGNED AND RETURNED WITH YOUR BID.

Acknowledge receipt of this addendum by inserting this page with your bid. This addendum form is a part of the contract documents and modifies, amends, deletes and/or adds to the original bid document.
