

Ladies and Gentleman of the planning commission, Planning and Zoning Committee and the City Council.

I am Rob Wetli, owner of Structures Design Build and the owner of lots 1 & 2, Block 1 Mollie B Collins addition. I am requesting your consideration of a variance to allow 60' lot fronts for both lots under R-2 zoning. Both lots are over 9400 sqft . We have re-platted to adjust lot width from the original, for your consideration please view lot 1A & 2A Mollie B Collins Addition.

Thank You
