Remember to wear insect repellent whenever you spend time outdoors and eliminate standing water where mosquitoes breed around your home. Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Terry Wreay in Public Works – A citizen emailed her appreciation for Terry, after he came upon her bicycle accident and stopped to help. He stayed on the scene with her until the ambulance arrived and delivered the bicycle back to her house safely. "That was over and above your duties and so appreciated," she said. "Thank you for all your help, thank you for all you do for our city, and I am happy to know we have a good man working out there in the city for us."
