Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Rebecca Vinson at the Municipal Court – A citizen sent an email to thank Rebecca for showing patience and kindness to her daughter. She said her daughter experiences ticking and stuttering when she is in stressful situations. During a phone call with the court, Rebecca helped calm her daughter's nerves and give her peace. She said she

could feel Rebecca's compassion radiate through the phone call and it was a relief to see her daughter smiling by the end of the call.
