Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Staff and volunteers from the Library, Parks & Recreation, Police, Fire and Finance Departments – Numerous comments have been received thanking everyone who is helping to run the COVID-19 vaccine site at the Hurst Convention Center. We've had over 30 people from NRH working at the center, assisting with everything from traffic control and check in to data entry and giving shots. Residents have said they are grateful for how efficiently the site is run, and they have complimented everyone for being helpful and kind throughout the vaccination process.
