

CITY COUNCIL MEMORANDUM

FROM: The Office of the City Manager **DATE:** March 8, 2021
SUBJECT: Announcements
PRESENTER:

GENERAL DESCRIPTION:

At each City Council meeting a member of the governing body announces upcoming events and recognizes an employee who exemplifies our core values.

Announcements:

Daylight Saving Time begins on the second Sunday in March. Remember next weekend to "spring forward" by setting your clock ahead one hour. It is also a good time to test or change the batteries in your smoke detectors and carbon monoxide detectors.

Winter is not kind to our roadways. The freezing and thawing of moisture in the ground weakens the pavement, leading to cracks and potholes. NRH Public Works is patching potholes that surfaced after last month's freezing weather. You can report a pothole by phone or online and they will add it to their list. We appreciate your patience, as they work to get caught up. In addition to pothole repair, numerous streets will be improved through the annual Preventive Street Maintenance Program and the 2020 Street Bond Program. You can find more information about these programs on the city's website.

Kudos Korner:

Every Council Meeting, we spotlight our employees for the great things they do. Tonight we recognize:

Traci Henderson in the City Secretary's Office – A citizen recently contacted us to share her praise for Traci. The citizen had called City Hall during last month's winter storm and power outage because she was unable to get through to the facility where her elderly relative lives. Traci was able to track down the information she needed and assure her that the facility's residents were all ok. The citizen wanted Traci's supervisor to know how kind and helpful she was. "She was so good to help me with my problem. She did a tremendous job, and I thank you and thank the city for helping me in a crisis," the citizen stated.
