SUBJECT: Discuss December Adopt A Highway Cleanup
PRESENTER: Kristin James, Assistant Director of Neighborhood Services

SUMMARY:

This item allows for the opportunity to discuss the opportunity for a December Adopt A Highway Cleanup.

GENERAL DESCRIPTION:

Keep NRH Beautiful has an Adopt A Highway area through the Texas Department of Transportation. The area must be cleaned four times per year. With Covid-19, the Commission has not been able to complete cleanups as often as in past years. This cleanup would be the start of getting back on schedule for the Adopt A Highway cleanups.
