A MOTION WAS MADE BY BOARD MEMBER COPELAND, SECONDED BY BOARD MEMBER SPRADLING TO APPROVE THE MINUTES OF THE AUGUST 5, 2019 PARKS AND RECREATION BOARD MEETING.

MOTION TO APPROVE CARRIED 5-0.

C. PRESENTATION / DISCUSSION ITEMS

C.1 UPDATE ON THE GOLF COURSE IMPROVEMENT PROJECT.

Mr. Bill Thornton, Assistant Director of Parks and Recreation provided an update on the Iron Horse Golf Course Improvement project.

Iron Horse Golf Course was built 30 years ago along Fossil Creek, within the flood plain corridor. Iron Horse gets around 45,000 to 50,000 rounds every year. Some of the most destructive forces at Iron Horse are use, age, weather and water; with water probably being the most destructive.

Staff looked at finding a solution to reduce the impacts of flooding and provide for easier and cost efficient maintenance. One of the main goals was to first divert flood waters where possible, provide positive drainage throughout the course by grading and sloping, level fairways, tees and greens, provide new forward tees, address cart paths and provide new irrigation in select areas.

During construction, staff plans on having at least six (6) holes playable at all times. Construction is scheduled to begin in November and end in August 2020. Total construction budget is \$3 million. Renovation costs are anticipated to be just over \$2.6 million. Pump House B renovation will also occur independently of the Golf Course Improvement Project due to cost savings by using a BuyBoard contract at a cost of \$129,000. The remaining balance of the project budget will be used for contingency and cosmetic improvements to the buildings and grounds, and bridge deck replacement.

Award of bid is scheduled for Council consideration on October 28, 2019.

C.2 UPDATE ON THE LINDA SPURLOCK PARK RENOVATION PROJECT.

Mr. Joe Pack, Senior Park Planner, provided an update on the Linda Spurlock Park Renovation project.

Mr. Pack presented the Master Development Plan for Linda Spurlock Park. Improvements included in the renovation are removal of the existing pavilion and construction of a new pavilion. Removal of the existing restroom facility and playground and relocation and construction of a restroom facility, and playground. There will also be a focus on providing a gateway or entry into the park and a focus on preserving the pond. Shade will be incorporated into the playground, ADA parking will be addressed by providing a drop off area and accessible connections for sidewalks.

Construction is scheduled for April 2020 through December 2020. The park will be closed during this time frame.

C.3 UPDATE ON THE NATURE RIGHT HERE CAMPAIGN.

Ms. Adrien Pekurney, Assistant Director of Parks and Recreation, updated the Board on the Nature Right Here Campaign.

Ms. Pekurney presented the new logo for the Nature Right Here campaign which was designed by Ms. Sarah Green, Cultural Arts Coordinator. NRH residents will be encouraged to *Reconnect, Reset and Re-energize* in our local outdoor areas. Every Friday, NRH will feature social media posts to help our community understand the importance and benefits of being outside. Nature Right Here will highlight NRH parks, open spaces, trails and activities for all ages.

C.4 GREEN VALLEY RACEWAY WEBSITE.

Ms. Vickie Loftice, Managing Director, presented an update on the Green Valley Raceway website.

The Green Valley Raceway website will chronicle the history and legacy of the famous raceway along with a gallery of photographs, guest book for people to share some of their favorite stories and upload photographs. It will also include a donation section in which people can donate to the historical plaza. Depending on the level of contribution, the individual may receive a vintage Green Valley Raceway t-shirt and the possibility of having their name permanently engraved on one of the monuments.

D. DEPARTMENT UPDATES

D.1 NRH2O FAMILY WATER PARK UPDATE.

Ms. Chelsea McClain, NRH2O Marketing & Sales Manager, provided an update on activities at NRH2O.

- NRH2O just completed its 2019 season. Initial numbers show the park with a slight increase in attendance of 1% and an increase in revenue of approximately 8% versus last season. (Used tiered pricing this year).
- NRH2O has begun planning for their 25th anniversary in 2020.
- Doggie Beach Bash had about 1,500 people show up with approximately 800 dogs. It was the largest attendance on record for Doggie Beach Bash. Approximately \$26,000 was raised which will benefit the Animal Adoption Rescue Center.
- Stephanie Hee has been awarded the Al Turner Memorial Commitment to Excellence Award by the World Waterpark Association.
- Jordan Hyman, Revenue Supervisor, was named as finalist for the Chris Stuart Emerging Leaders Award from the World Waterpark Association.
- NRH2O hosted the second annual Splash, Dash 'N Smile, a swimming and running aquathlon. The event quadrupled in attendance versus last year with over 100 participants.
- NRH2O celebrated their year end awards ceremony on Saturday, September 21. Awards are determined by guest, team member and management voting.
- Ms. Loftice commented that NRH2O has only 108 days to achieve their revenue and attendance numbers. This year there were 18 days the park was closed, rain delayed, or had to close early due to the weather. Vickie congratulated Chelsea on boosting NRH2O's social media presence and working closely with the Group Sales Division in being aggressive in going after groups, consignments, and private events. This in turn helped the group sales division raise their revenues by \$100,000.

D.2 PARKS CAPITAL PROJECTS UPDATE.

Mr. Bill Thornton, Assistant Director of Parks and Recreation, provided an update on Parks Capital Projects.

- Richland Tennis Center - Bids were received for the resurfacing of tennis courts at Richland Tennis Center. Council consideration of the contract will be October 28, 2019.

D.3 PARKS MAINTENANCE AND OPERATIONS UPDATE.

Mr. Gary Bechthold, Parks Superintendent, provided an update on maintenance and operations activities.

- Staff completed several large, necessary renovation projects at Tipps Canine Hollow. The park closed to the public for three weeks while renovations were completed. Renovations included addressing erosion control issues by laying 700 feet of 12" drainage pipe, installing 36 pallets of Bermuda sod, 60 tons of top dressing sand, 30 yards of decomposed granite, construction of a gated dumpster wall, tree trimming, irrigation system adjustments, and freshly painted parking spaces. The dog park was reopened on September 27 with staff still planning to install several bench swings and new rule signs.
- New benches and pads were also installed near the basketball courts at Richfield Park.

Board Member Filis also added the completion of repairs to the shade structures at Richfield Park.
